David Herbert Lawrence

Sons and Lovers David Herbert Lawrence,2005 Lawrence's first major novel was also the first in the English language to explore ordinary working-class life from the inside. No writer before or since has written so well about the intimacies enforced by a tightly-knit mining community and by a family where feelings are never hidden for long. When the marriage between Walter Morel and his sensitive, high-minded wife begins to break down, the bitterness of their frustration seeps into their children's lives. Their second son, Paul, craves the warmth of family and community, but knows that he must sacrifice everything in the struggle for independence if he is not to repeat his parents' failure. Lawrence's powerful description of Paul's single-minded efforts to define himself sexually and emotionally through relationships with two women - the innocent, old-fashioned Miriam Leivers and the experienced, provocatively modern Clara Dawes - makes this a novel as much for the beginning of the twenty-first century as it was for the beginning of the twentieth.

Sons and Lovers D. H. Lawrence,2021-01-08 The marriage of Gertrude and Walter Morel has become a battleground. Repelled by her uneducated and sometimes violent husband, delicate Gertrude devotes her life to her children, especially to her sons, William and Paul - determined they will not follow their father into working down the coal mines. But conflict is evitable when Paul seeks to escape his mother's suffocating grasp through relationships with women his own age. Set in Lawrence's native Nottinghamshire, *Sons and Lovers* is a highly autobiographical and compelling portrayal of childhood, adolescence and the clash of generations.

Sons and Lovers D. H. Lawrence,2020-03-10 The classic novel about a man torn between his devotion to his mother and his desire for a lover. Cited by the Modern Library as one of the ten best twentieth-century novels in the English language, *Sons and Lovers* is considered by many to be D. H. Lawrence's masterpiece, with its deep psychological insight into the bond between mother and son, and the difficulties of emotionally separating from a parent. Considered a semiautobiographical work, it follows protagonist Paul Morel as he experiences the loss of his older brother, hostility toward his coal miner father, and a burden of responsibility toward his more genteel mother, who inspires maddening mixed feelings in him. Paul struggles to find room in his life for a meaningful, romantic relationship of his own as he works to hold his family together.

Sons and Lovers David Herbert Lawrence,2006-11 *Sons and Lovers* is an over-emotional manipulation and possessiveness of a mother for her sons. The novel starts with the story of a woman who marries a coal-miner, below her own class. This class difference creates distances in their relation and the woman dedicates her whole life to her children. The story takes an unexpected and tragic turn when in an accident she loses her eldest son.

Sons and Lovers: The Biography of a Novel Neil Roberts,2016-08-11 The book recounts the story of how *Sons and Lovers* was written, how Lawrence's life was transformed during the writing, and the contributions of the women in his life to his work.

D.H. Lawrence and the Idea of the Novel John Worthen, 1979-06-17 Annotation This Seductive and Engaging Biography offers a bold reappraisal of a man who was deeply uncomfortable in his own skin. Lawrence's fascination with the body and his determination to articulate its every experience brought about his notorious reputation, and ultimately, his literary redemption. What emerges in John Worthen's portrait is an intimate and absolutely compelling study of an individual in angry revolt against his class, culture, and country--a man passionately struggling to live in accordance with his beliefs.

Sons and Lovers David Herbert Lawrence, 1922

Sons and Lovers D. H. Lawrence, 2013-05-09 *Sons and Lovers* is a 1913 novel by the English writer D. H. Lawrence. The Modern Library placed it ninth on their list of the 100 best novels of the 20th century. While the novel initially incited a lukewarm critical reception, along with allegations of obscenity, it is today regarded as a masterpiece by many critics and is often regarded as Lawrence's finest achievement. The third published novel of D. H. Lawrence, taken by many to be his earliest masterpiece, tells the story of Paul Morel, a young man and budding artist. Richard Aldington explains the semi-autobiographical nature of this masterpiece: When you have experienced *Sons and Lovers* you have lived through the agonies of the young Lawrence striving to win free from his old life. Generally, it is not only considered as an evocative portrayal of working-class life in a mining community, but also an intense study of family, class and early sexual relationships. The refined daughter of a good old burgher family, Gertrude Coppard meets a rough-hewn miner at a Christmas dance and falls into a whirlwind romance characterized by physical passion. But soon after her marriage to Walter Morel, she realizes the difficulties of living off his meagre salary in a rented house. The couple fight and drift apart and Walter retreats to the pub after work each day. Gradually, Mrs. Morel's affections shift to her sons beginning with the oldest, William. As a boy, William is so attached to his mother that he doesn't enjoy the fair without her. As he grows older, he defends her against his father's occasional violence. Eventually, he leaves their Nottinghamshire home for a job in London, where he begins to rise up into the middle class. He is engaged, but he detests the girl's superficiality. He dies and Mrs. Morel is heartbroken, but when Paul catches pneumonia she rediscovers her love for her second son. Part II: Both repulsed by and drawn to his mother, Paul is afraid to leave her but wants to go out on his own, and needs to experience love. Gradually, he falls into a relationship with Miriam, a farm girl who attends his church. The two take long walks and have intellectual conversations about books but Paul resists, in part because his mother looks down on her. At Miriam's family's farm, Paul meets Clara Dawes, a young woman with, apparently, feminist sympathies who has separated from her husband, Baxter. Paul leaves Miriam behind as he grows more intimate with Clara, but even she cannot hold him and he returns to his mother. When his mother dies soon after, he is alone. Lawrence summarized the plot in a letter to Edward Garnett on 12 November 1912: It follows this idea: a woman of character and refinement goes into the lower class, and has no satisfaction in her own life. She has had a passion for her husband, so her children are born of passion, and have heaps of vitality. But as her sons grow up she selects them as lovers — first the eldest, then the second. These sons are urged into life by their reciprocal love of their mother — urged on and on. But when they come to manhood, they can't love, because their mother is the strongest power in their lives, and holds them. It's rather like Goethe and his mother and Frau von Stein and Christiana — As soon as the young men come into

contact with women, there's a split. William gives his sex to a fribble, and his mother holds his soul. But the split kills him, because he doesn't know where he is. The next son gets a woman who fights for his soul — fights his mother. The son loves his mother — all the sons hate and are jealous of the father. The battle goes on between the mother and the girl, with the son as object. The mother gradually proves stronger, because of the ties of blood. The son decides to leave his soul in his mother's hands, and, like his elder brother go for passion. He gets passion. Then the split begins to tell again.

The Fox David Herbert Lawrence, 2021-09-27 The Fox David Herbert Lawrence - Relationship between Ellen and Jill, the lesbian partners, complicates after Paul, a young man, enters their lives. His attraction towards Ellen arouses jealousy in Jill.

Sons and Lovers DH Lawrence , Considered by contemporary critics to be Lawrence's greatest achievement, *Sons and Lovers* tells the tale of Paul Morel, a young man and aspiring artist who grows up under his mother's wing. She is extremely protective towards him, and they are both attached to each other, almost inseparably. But as Paul matures and wants to forge a path for himself and perhaps find love, he always finds himself inexorably drawn back to his mother. He is forced to make a difficult decision – whether to strike out on his own and do what he truly desires, or to stay by his mother's side instead.

Sons and Lovers David Herbert Lawrence, 1913 Lawrence's first major novel was also the first in the English language to explore ordinary working-class life from the inside. No writer before or since has written so well about the intimacies enforced by a tightly-knit mining community and by a family where feelings are never hidden for long. Paul Morel is caught between his need for family and community and his efforts to define himself sexually and emotionally. Lawrence's powerful description of Paul's relationships makes this a novel as much for the beginning of the twenty-first century as it was for the beginning of the twentieth.
