Instant Messaging Abbreviations, Texting and Emoticons Speedy Publishing, 2014-05-03 Instant Messaging Abbreviations, Texting and Emoticons are all used much more in today's communication. This allows for quick contact with shortened words with meanings longer than the word is portrayed. Texting allows easy communication and is not time dependent. This allows for one to respond whenever available to do so. Whereas on the telephone, you must find a time when both are available to talk at the same time. Emoticons allow to show emotions through text messaging. This benefits a majority of people today as this allows for easier communication to get ahold of someone as time persists.

And it will help us prepare and revise for dreaded unseen texts, using the precious days we have with students in the most efficient way. Emma Stott uses her experience as a teacher of early entry students and as a Research Lead to gather eight strategies that enable students to be better readers and critics of literature in general; not just of the same (outwardly!) threadbare set texts. Speedy Reading promises to make you excited about those worn texts, the pleasures of unseen reading and even about the challenges to come.
