Spon's Landscape and External Works Price Davis Langdon & Everest,2003-08-28 Spon's Landscape and External Works Price Book 2004 offers the only comprehensive source of information for detailed external works and landscape costs. It covers all the items to be found in hard and soft landscape contracts and is therefore an indispensable reference book for quantity surveyors, landscape architects and contractors - essential for compiling estimates, specifications, bills of quantities and works schedules. A full index and list of manufacturers and suppliers gives easy reference to all items. The L and E comes with a 'free' CDROM that enables the reader to view the entire book on screen, cut and paste prices into other tender documents, export to other major packages, perform simple calculations, index search, produce estimate and tender documents, adjust rates and data. This complete package means that Spon's Landscape and External Works Price Book 2004 is now better than ever and is a resource that no building firm, surveyor or architect should be without. New features for the easier-to-read 2004 edition include: information on, and incorporating, the new CIJC three year age agreement, effective from Monday 30th June 2003; additional plant items to reflect the increased mechanisation of site handling of materials; new paving and kerb items; additional measured rate items for work in small gardens; non-rigid constructions, pumps and rocks associated with water features.

**Spon's Architect's and Builders' Price Book 2016** AECOM,2018-10-09 Strong output demand over the last year has stretched the industry. The issues are being felt by all firms across the delivery chain – from clients to subcontractors. Capacity constraints almost always manifest themselves in prices. Increased tender prices have become the primary symptom of these supply-side issues. The main driver of new work output growth over the last 18 months is slowing. Both the public and private housing sectors are quickly reversing all of their recent upward trends when looked at on a yearly growth basis. The counterpoint to this is that the yearly growth figures are still positive, meaning that new work continues to flow. SPON'S ARCHITECTS' AND BUILDERS' PRICE BOOK 2016, compiled by AECOM, still provides the most accurate, detailed and professionally relevant construction price information for the UK. Its unique Tender Index, updated through the year, gives an ongoing reality check and allows you to adjust for changing market conditions.
