She Can't Stop - Miley Cyrus: The Biography Sarah Oliver,2014-09-04 Miley Cyrus first shot to fame at a young age playing Hannah Montana, but she has long-since said goodbye to her good girl image, and is now best known for pushing the boundaries - both on and off stage. She Can't Stop tells of Miley's extraordinary upbringing; what it was like growing up with Billy Ray Cyrus as her dad and how she coped with being a multi-millionaire by the time she was fifteen. It tells of her ups and downs, her relationship troubles and her difficult search for friends who wouldn't betray her. From childhood all Miley wanted to do was perform, whether that be singing or acting. She has had to fight to get where she is today and has faced many battles over the years: she was bullied relentlessly at school, she lost the person she was closest to in the world and she has had to deal with a stalker who thinks he is married to her. Fortunately, Miley shares a tight bond with her siblings, who share her love of music, and she enjoys spending family time with them and her parents whenever she can. In this scintillating biography, written by one of Miley's biggest Smilers, you will find out why she will never regret her controversial MTV VMA performance with Robin Thicke and how she felt as she performed her Bangerz tour around the world.

Wife Samuel Adamson,2019-06-27 - And your husband forgave you. But what did you do? Decided that forgiveness was offensive and walked out on your marriage. With nothing. Into nothing. - Into everything, I think. It's 1959. Robert leaves Ibsen's A Doll's House outraged by its attack on the sanctity of marriage; his wife Daisy dashes round to the stage door, in love with both Nora and the actress who plays her, thrilled by their promise of escape. Daisy is at the crossroads. Her moral compass tells her to go one way, society the other. What she chooses to do next will have consequences not just for her and Robert, but for four couples who come after them over ninety years. The truth is we have to give up parts of ourselves if we want to be with someone. And what if, before you know this, you run away from the wrong person? Samuel Adamson's Wife premiered at the Kiln Theatre, London, in May 2019.
