Neighboring on the Air Evelyn Birkby,1991 In 1925 Earl May began broadcasting KMA Radio-960 from Shenandoah, Iowa, to boost his fledgling seed business. The station aired practical information designed to help with the day-to-day activity in midwestern farmhouse kitchens. Before long KMA was a trusted friend throughout the wide listening area, offering inspiration, companionship, and all manners of domestic counsel. Hosting the daily radio programsOCoHome Hour, the Stitch and Chat Club, and the KMA Party LineOCOand the live cooking demonstrations that drew thousands to the KMA auditorium was a changing roster of personable, lively women who quickly became known as the KMA Radio Homemakers. Now, in *Neighboring on the Air*, we can hear the voices of the KMA homemakers and sample their philosophy andOCobest of allOCocooking. Through recipes, biographies, and household advice we get to know such enduring women as The Little Minister, the Reverend Edythe Stirlen, and Leanna Driftmier and the whole Kitchen-Klatter family, part of the longest-running homemaker program in the history of radio. Learn how to make Sour Cream Apple Pie from The Farmer's Wife, Florence Falk; Varnished Chicken from the first long-term KMA Radio Homemaker, Jessie Young; and E.E.E. Missouri Dessert (nobody can remember what the E.E.E. stands for) from the indomitable host of the Edith Hansen Kitchen Club. This endearing scrapbook of people, places, and foods charts the continuing adventure of the KMA homemakers as they broadcast into the 1990s. *Neighboring on the Air* is an enchanting piece of Americana. Anyone interested in cooking, cultural history, or the Midwest will want to own and use this book.

Chronicles of A Nappi Head Michael P. Fuller,2009-01-07 Spending the summers growing up on my uncles' farm was, for me, an education in learning about my life on the farm. Much of my time was spent in observing how my uncles milked the cows teats and how they led them afterward out to the field to eat and rest. I watched the horses, as they too, were led to the fields where they rested after pulling the wagons filled with hay into the barn.I saw the trees which had been planted years before and had grown protecting everyone from the heat of the summer sun. And I learned to play baseball with children from nearby farms who challenged me and my friends to win. I learned about the mothers who came with their children to the country to escape the sweltering city and to gratefully breathe the country air and then to welcome their tired husbands and children's fathers on weekends.I grew up thankful for all that I experienced in those years and I remain thankful to this day, for all I have learned.

Hidden Christine Pope, He’s determined to destroy humankind...until her tiny spark of magic changes everything. With her entire family wiped out by the Djinn-created plague called the Heat, there’s no one left to teach Isla Dunbar how to use the magic tingling deep in her body. She lives among the other survivors in the thriving Los Alamos settlement, protected by an ingenious device that repels djinn reavers. But she’s lonely. In fact, when it comes to hooking up, Isla would rather just die a virgin. When she’s tricked into wandering out of the safe zone, Isla is kidnapped by a threatening djinn determined to disable the Los Alamos device and wipe out the last of humanity. But Isla is just as determined to resist his intense interrogation — and the temptation of his dark eyes, golden skin, and shiver-inducing smile. If Aamir al-Qadir thought he would intimidate Isla into giving up all she knows, he thought wrong. Her beauty and sass are distracting enough, but something about her catches him off-guard. She’s no ordinary human, but a creature of untapped magic that makes her a prize for the power-hungry djinn. Without conscious thought, Aamir’s focus shifts from destroying Los Alamos to protecting the unusual woman who’s stolen the one thing he thought impenetrable...his heart.

Not Your Mother's Microwave Cookbook Beth Hensperger,2010-05-17 Provides step-by-step instructions for preparing a variety of healthy foods in the microwave, covering such categories as soups, sandwiches, cereals, vegetables, fish and poultry, and desserts, with tips on preparation and ingredients.

Joyce Lamont's Favorite Minnesota Recipes & Radio Memories Joyce Lamont, Linda Larsen, Sue Zelickson,2008-04-15 In more than fifty years of broadcasting from the Twin Cities WCCO, Joyce Lamont shared countless recipes, household tips, travel notes, and homey anecdotes with her audience. In the process she became one of the best-loved cooks, household helpers, and radio personalities in the Midwest--and a virtual member of the family for millions of listeners. This book collects 300 recipes from Joyce Lamonts kitchen--all of them well tested over time by her vast and devoted audience. Characteristically simple, well-seasoned, delicious, family-friendly, and reliable, these recipes are the essence of comfort food. Each week WCCOs Best Buys guided homemakers to the foods that were in season, at peak quality, and reasonably priced. Just so, this book follows the calendar, directing readers to the freshest ingredients available throughout the year and making the most of these in recipes that celebrate the seasons plenty. Sweetened and spiced throughout with Ms. Lamonts reminiscences of radio personalities and on-air antics, these recipes invite us back into one of the warmest and most welcoming kitchens ever to serve such a close, extended family. And as a bonus the book includes a collection of Ms. Lamonts household hints--tips that range from drying gourds for decoration to the best way to open a stubborn jar--suggestions that are as trustworthy and timeless as the recipes they accompany.

Aunt Sammy's Radio Recipes Ruth Van Deman,Fanny Walker Yeatman,2018-06-25 This book brings together three different texts. First and foremost, it contains all of the material from the 1927 cookbook Aunt Sammy's Radio Recipes, produced by the U.S. Department of Agriculture (USDA). But it also includes excerpts from the 1920s radio broadcasts that inspired the character of 'Aunt Sammy' and menus and recipes promoted by the USDA. Finally, my introduction and editorial comments throughout the book contain historical context to provide a scholarly perspective on USDA's cooking advice and radio listenership of Aunt Sammy's audiences--Preface.

Modern Pressure Cooking Catherine Phipps,2022-03-31 'Who better as a guide to using them, whether stovetop or electric models, than the Queen of pressure cooking... Catherine Phipps. As someone who is in the wasteful habit of using mine just for pulses and stock, I'm inordinately grateful to her.' - Nigella Lawson 'Don't be put off using a pressure cooker: buy this book and learn the way to a quicker, healthy, taste-capturing way of cooking. Catherine takes away any doubts and will open your eyes to the way of the pressure cooker. Well, it certainly worked for me.' - Dave Myers, The Hairy Bikers 'The Pressure Cooker Bible from the Pressure Cooker Queen... Wonderful!!!' - Si King, The Hairy Bikers With over 200 recipes, Modern Pressure Cooking is the essential pressure cooker cookbook. Author Catherine Phipps gently guides readers through everything they need to know about cooking in a stovetop or electric pressure cooker, with foolproof, step-by-step instructions. Shakshouka with Feta, All in One Macaroni Cheese, Crispy Aromatic Duck, Squid and Chorizo with Black Rice - all the recipes included are delicious and will go down well with hungry friends and family. Pressure cooking is a wonder cooking method: you can make meals in minutes (on average, a third or less of the time of other cooking methods - risotto takes 7 minutes!), it's energy-efficient and food cooked in a pressure cooker retains more nutrients and more flavour. Cooking this way makes life easier!

Aunt Sammy's Radio Recipes Revised Ruth Van Deman,Fanny Walker Yeatman,2003-10-01 Aunt Sammy's Radio Recipes, Revised, (originally published in 1931) brings together 400 of the most popular recipes and 90 of the menus included in the Housekeeper's Chats. Immediately with the start of this radio service for women in 1926 came the demand for the recipes. Aunt Sammy herself was a character created by the U. S. Department of Agriculture Bureau of Home Economics and the Radio Service to be the 'wife' of Uncle Sam. Many women across the country 'played' Aunt Sammy at local radio stations when the show aired. By 1932 the radio show was on 194 stations, but Aunt Sammy faded out during the Great Depression. After 1934 the name 'Aunt Sammy' was no longer used. The radio show was renamed Homemaker Chat and that show was discontinued in 1946.

Clinician's Guide to Severe Hoarding Michael A. Tompkins,2014-11-24 The cat lady. The couple who won't let anyone in their apartment. The old man with all that junk in his yard. Their severe hoarding puts them, and often others, at risk for injury, disease, and even death. Most deny needing help, and for this reason, professionals are desperate to find more effective ways to offer and provide assistance to them. In response to this growing public health problem, Clinician's Guide to Severe Hoarding refines our understanding and presents in depth and innovative alternative to traditional interventions. Arguing that although treatment for hoarding can be effective for those who are open to help, people with severe hoarding are not. The Clinician’s Guide to Severe Hoarding describes an alternative strategy to help those who adamantly refuse help and yet face significant health and safety risks due to the hoarding problem – harm reduction. This client-centered approach takes readers through harm reduction plan development, team building, goal setting, client collaboration, and progress assessment. The Clinician’s Guide also explains that a successful harm reduction plan may encourage clients to seek further help, and offers insights into working with special populations such as people who hoard animals and children who exhibit hoarding behavior. The Clinician's Guide describes in detail a range of strategies for assisting people with severe hoarding: Strategies for engaging with clients who hoard. Guidelines for assessing harm potential. Guidelines for creating a harm reduction plan, building a harm reduction team, and conducting and evaluating home visits. Skills for client self-help: decision making, time management, and more. Guidelines for navigating the ethical and legal issues that arise in assisting people who hoard. Readings, links, and other resources. With its practical common-sense approach to a complex problem, Clinician's Guide to Severe Hoarding is a unique volume not only for mental health practitioners, but also other professionals who assist people who hoard, such as home health aides, social workers, and professional organizers.

Simon Sort of Says Erin Bow,2023-02-07 A powerful new novel by Erin Bow, winner of the Governor General’s and TD Children’s Literature Awards. Ask Simon O’Keeffe why his family moved to tiny Grin And Bear It, Nebraska, and he’ll tell you they were driven out of Omaha by alpacas. In Simon’s version of the story, a blessing of the animals went sideways, his dad got fired from his church job, and the whole family moved to the National Quiet Zone, where the internet and cell phones are banned so astronomers can scan the sky for signs of alien life. But there’s another story too — a story about a locked classroom, an active shooter, and a media cycle that refuses to let Simon go, even years later. To everyone who knows what happened, Simon is either a miracle or a sob story. But Simon just wants to be Simon: a twelve-year-old in high tops and a Minecraft hoodie. Moving to the last town in America where no one can Google you is a chance for Simon to start fresh. To rewrite the narrative. And with the help of two new friends, a puppy, and a giant radio telescope, he’s determined to say something new.
