Break Every Chain John Eckhardt, 2021-06 Victory over every obstacle is within reach. Don't settle for anything less. The enemy works overtime to keep you bound, exhausted, and frustrated. His goal is to keep you ignorant of what's really behind your struggles so he can steal your peace, health, joy, and prosperity. If he can keep you in the dark, he can prevent you from walking in victory. In Break Every Chain, John Eckhardt reveals twenty-five strongholds and demonic influences that commonly

hold Christians captive. It's time for God's people to be unshackled and stand on the Word of the Lord, resist the devil, break free of bondage, and experience God's blessings and promises.

Strongholds Vanessa Davis Griggs, 2010-05-01 Part Terry McMillan, part Jan Karon, author Vanessa Davis Griggs delivers the second book in her exciting Blessed Trinity Trilogy. When Pastor George Landris, the dreadlock-wearing minister of the new mega-church, Followers of Jesus Faith Worship Center, urges his congregation to approach the altar and cast off their strongholds--also known as their weaknesses--it's the start of intense soul-searching for many. From a married couple's twin addictions to gambling and gluttony, to a female member's adulterous affair and a computer expert's obsession with cyber-porn, the church family is about to open the proverbial floodgates. And that's just the beginning. The plot only thickens when the Pastor's wife lightens his load by helping him counsel--and finds herself at the center of a decades-long deception. Insightful, witty, and always poignant, Griggs once again shows the amazing power of redemption and faith in people's lives. Vanessa's rich stories of faith in action always hit the writing trifecta--they make you laugh, cry, and

yearn for more. Her wonderfully realistic characters leap off the pages, compelling you to join them in one life-changing adventure after another. --Angela Benson, National Bestselling Author

Stronghold Tucker Malarkey, 2019-07-23 PNBA BESTSELLER • “A powerful and inspiring story. Guido Rahr’s mission to save the wild Pacific salmon leads him into adventures that make for a breathtakingly exciting read.”—Ian Frazier, author of *Travels in Siberia* Editors’ Choice: The New York Times Book Review • Outside Magazine • National Book Review • Forbes In the tradition of *Mountains Beyond Mountains* and *The Orchid Thief*, *Stronghold* is Tucker Malarkey’s eye-opening account of one of the world’s greatest fly fishermen and his crusade to protect the world’s last bastion of wild salmon. From a young age, Guido Rahr was a misfit among his family and classmates, preferring to spend his time in the natural world. When the salmon runs of the Pacific Northwest began to decline, Guido was one of the few who understood why. As dams, industry, and climate change degraded the homes of these magnificent fish, Rahr saw that the salmon of the Pacific Rim were destined to go the way of their Atlantic brethren: near extinction. An improbable and inspiring story,

Stronghold takes us on a wild adventure, from Oregon to Alaska to one of the world's last remaining salmon strongholds in the Russian Far East, a landscape of ecological richness and diversity that is rapidly being developed for oil, gas, minerals, and timber. Along the way, Rahr contends with scientists, conservationists, Russian oligarchs, corrupt officials, and unexpected allies in an attempt to secure a stronghold for the endangered salmon, an extraordinary keystone species whose demise would reverberate across the planet. Tucker Malarkey, who joins Rahr in the Russian wilderness, has written a clarion call for a sustainable future, a remarkable work of natural history, and a riveting account of a species whose future is closely linked to our own. Praise for Stronghold "This book isn't just about fish, it's about life itself and the fragile unseen threads that connect all creatures across this beleaguered orb we call home. Guido Rahr's quest to save the world's wild salmon should serve as an inspiration—and a provocation—for us all, and Tucker Malarkey's exquisite book captures Rahr's weird and wonderful story with poignancy, humor, and grace."—Hampton Sides, author of *In the Kingdom of Ice and Blood and Thunder* "A crazy-good, intensely lived book that reads like an international

thriller—only it's our beloved salmon playing the part of diamonds or oil or gold.”—David James Duncan, author of *The River Why* and *The Brothers K*
