**Sweet as Sin** J. T. Geissinger,2015 Inside a drop-dead sexy, hard-partying rock star lies a good heart...and a dark secret. Twentysomething Kat Reid is loving life as an in-demand Hollywood makeup artist. She has absolutely no interest in rock 'n' roll, but in order to pay the mortgage, she agrees to work on the set of a rock video for the world-famous rockers known as Bad Habit...which brings her face-to-face with Nico Nyx, lead singer of Bad Habit and Adonis in the flesh. However, the fiercely independent Kat isn't impressed by the hard-living, womanizing rock star. But when Nico's model girlfriend shows up to the set drunk and Kat is tapped to replace her as the video's sexy bride, her combustible chemistry with Nico suddenly threatens to consume the set. Nico feels it, too--and becomes determined to win Kat over, body and soul. Yet behind his rock god swagger, Nico hides a dark secret. Can he rock Kat's world forever, or will he just break her heart?

**Sweet or Sour: The Sin of Pride in Baldwin's "Go tell it on the Mountain"** Frauke Scheben, 2006-05-30 Seminar paper from the year 2003 in the subject American Studies - Literature, grade: 1, University of South Carolina, course: 20th Century African American Literature, 5 entries in the bibliography, language: English, abstract: "Hatred of God comes from pride. It is contrary to the love of God ." I chose this particular assertion of the Catholic Church because it serves adequately as an introduction to my following argument. If this statement holds true, what can one make of Gabriel's attitude in James Baldwin's novel *Go tell it on the Mountain*? Gabriel – although he himself believes he has a clean conscience before God – has sinned. His sin is pride, which is one of the seven cardinal sins. In his own opinion, Gabriel has become clean before God, he has been forgiven for his sins (215). He goes even further when he says that he considers himself to be the Lord's anointed. How can he be so sure? In my paper I will try to mainly discuss Gabriel's, John's, and Elizabeth's proud emotions. I will show what it is they are proud of and what they have and do not have in common. Furthermore, I will cover some of the biblical symbolism in Baldwin's novel and question whether all pride is necessarily sinful or if there are reasonable justifications. In any respect, Gabriel is very judgmental. He judges people around him, for instance his sister Florence when he says, "...she so proud the Lord going to bring her low one day..." or Esther, for whom he eventually loses all respect (125). Furthermore, he chooses to go the easy way when he has helpful explanations handy in any situation. When his son Roy gets stabbed by white people, it – of course – is the white people's fault: "This is what white folks does to niggers..." Roy's behavior is explained by the fact that he has to suffer for the sins his mother has committed in the past (111). When Gabriel has an affair with Esther – according to Gabriel – he cannot be blamed for committing adultery. After all, Gabriel assumed that Satan tempted him to fall (130). By saying that,

Gabriel gives away all responsibility for his own actions. In his own accord, he is merely a “poor, weak vessel in the hands of the Lord.” [...]

### **Catholicism in the English Protestant Imagination**

Raymond D. Tumbleson, 1998-10-15 This study examines the role of anti-Catholic rhetoric in late seventeenth- and early eighteenth-

century England. This role was long neglected, being at once obvious and distasteful, a reproach to the heirs of the Enlightenment who prided themselves on their tolerance and did not want to confront its origins in intolerance. Raymond Tumbleson discusses how the fear of Popery, a potentially destabilising force under the Stuarts, ultimately became a principal guarantor of the Hanoverian oligarchy. The range of authors discussed runs from Middleton, Milton and Marvell to Swift, Defoe and Fielding, as well as numerous pamphleteers. Crossing traditional generic, disciplinary and chronological boundaries, this book examines hitherto neglected relationships between poetry and prose, literature and polemic, the Reformation and the Augustan age.

**C.S. Lewis--On the Christ of a Religious Economy, 3.1** P. H. Brazier, 2013-05-03 C. S. Lewis--On the Christ of a Religious Economy I, Creation and Sub-Creation opens with Lewis on creation, the fall into original sin, and the human condition before God and how such an understanding permeated all his work, post-conversion. For Lewis, Christ, the second person of the Trinity, is the agent of creation and its redeemer. This leads into Lewis's representation through sub-creation: explaining salvation history and the purpose of the creation and the creature through story (The Chronicles of Narnia, The Space Trilogy, Screwtape, etc.), but also the question of multiple incarnations, and the encounters he pens between Aslan-Christ and creatures. What does this tell

us about the human predicament and our state after the fall? This volume forms the first part of the third book in a series of studies on the theology of C. S. Lewis titled C. S. Lewis: Revelation and the Christ. The books are written for academics and students, but also, crucially, for those people, ordinary Christians, without a theology degree who enjoy and gain sustenance from reading Lewis's work.

*My Echoing Song* Rosalie Littell Colie, 2015-03-08 Professor Colie brings together all previous and partial perspectives on Andrew Marvell, adds new ones harvested from her own deep learning and wide research, and transforms the whole into what Professor Joseph Summers of the University of Michigan has called the best critical book on Marvell's poetry. Rich in details and knowledge of seventeenth-century English poetry, aesthetics, Renaissance and Baroque literature and art, and critical theory, *My Ecchoing Song* first examines Marvell's uses of theme and device in various lyrics. Later parts of the book concentrate on *Upon Appleton House* and *The Garden*, which Professor Colie reads from the various focuses of political history, Marvell's knowledge and use of emblems and classical authors, contemporary theology, philosophy, and painting. Originally published in 1970. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. *The Complete Works of C. H. Spurgeon, Volume 7* Spurgeon, Charles, 2015-02-24 Volume 7 Sermons 348-426 Charles Spurgeon (19 June 1834 – 31 January 1892) is one of the church's

most famous preachers and Christianity's foremost prolific writers. Called the "Prince of Preachers," he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London: Volume 6* (1878) quoting an article from the Times regarding one of Spurgeon's meetings at Surrey: "Fancy a congregation consisting of 10,000 souls, streaming into the hall, mounting the galleries, humming, buzzing, and swarming—a mighty hive of bees—eager to secure at first the best places, and, at last, any place at all. After waiting more than half an hour—for if you wish to have a seat you must be there at least that space of time in advance—Mr. Spurgeon ascended his tribune. To the hum, and rush, and trampling of men, succeeded a low, concentrated thrill and murmur of devotion, which seemed to run at once, like an electric current, through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice, that its power and volume are sufficient to reach every one in that vast assembly; of his language, that it is neither high-flown nor homely; of his style,

that it is at times familiar, at times declamatory, but always happy, and often eloquent; of his doctrine, that neither the 'Calvinist' nor the 'Baptist' appears in the forefront of the battle which is waged by Mr. Spurgeon with relentless animosity, and with Gospel weapons, against irreligion, cant, hypocrisy, pride, and those secret bosom-sins which so easily beset a man in daily life; and to sum up all in a word, it is enough to say of the man himself, that he impresses you with a perfect conviction of his sincerity." More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to republish the complete works of Charles Spurgeon.

**Sin and Cider** Kimberly Reese, 2017-05-30 A lot can change in six years. Take me, for instance. I uprooted my small town life to move to Chicago, went to college, and grew up. Too bad I belatedly realized something was missing. Determined to find myself again, I quit my job and head back to my family's apple orchard to do some soul-searching. A lot can also stay the same. Case in point: my brother's best friend, Lawson Westbrook. Still charming. Still ridiculously handsome. Still an expert at making my heart race in an achingly familiar way. His desire-filled eyes and seductive promises tempt me to take him up on his offer for a sinful summer. Lawson may see me differently, but my heart's still vulnerable. Something's brewing between us, but I don't know if it's happiness or heartbreak.
