The Tapping Solution Nick Ortner,2013-04-02 Nick Ortner, founder of the Tapping World Summit and best-selling filmmaker of *The Tapping Solution*, is at the forefront of a new healing movement. In his upcoming book, *The Tapping Solution*, he gives readers everything they need to successfully start using the powerful practice of tapping – or Emotional Freedom Techniques (EFT). Tapping is one of the fastest and easiest ways to address both the emotional and physical problems that tend to hamper our lives. Using the energy meridians of the body, practitioners tap on specific points while focusing on particular negative emotions or physical sensations. The tapping helps calm the nervous system to restore the balance of energy in the body, and in turn rewire the brain to respond in healthy ways. This kind of conditioning can help rid practitioners of everything from chronic pain to phobias to addictions. Because of tapping's proven success in healing such a variety of problems, Ortner recommends to try it on any challenging issue. In *The Tapping Solution*, Ortner describes not only the history and science of tapping but also the practical applications. In a friendly voice, he lays out easy-to-use practices, diagrams, and worksheets that will teach readers, step-by-step, how to tap on a variety of issues. With chapters covering everything from the alleviation of pain to the encouragement of weight loss to fostering better relationships, Ortner opens readers' eyes to just how powerful this practice can be. Throughout the book, readers will see real-life stories of healing ranging from easing the pain of fibromyalgia to overcoming a fear of flying. The simple strategies Ortner outlines will help readers release their fears and clear the limiting beliefs that hold them back from creating the life they want.

The good news is, you almost can—except it's not snapping but tapping! Then she gives you simple yet powerful instructions for tapping on common challenges such as:• Schoolwork, tests, grades, and planning for college• Appearance and body image• Dating, breakups, and dealing with sexual feelings• Divorce, siblings, and blended families Throughout the book, comments from 16-year-old Cassidy, the author's teen consultant, keep it real with helpful perspectives on how this tapping thing works—and it does work! The Tapping Solution for Weight Loss & Body Confidence Jessica Ortner, 2015-10-27 "The Tapping Solution for Weight Loss and Body Confidence may just go down in history as a game-changer when it comes to leading women out of weight loss hell." — Cheryl Richardson, New York Times best-selling author of *The Art of Extreme Self-Care*. Placing conditions on our lives and our happiness has become the norm. We see it all the time: We must establish a career before looking for a relationship. We must find love before feeling fulfilled. We must feel stressed out until we finish everything on our to-do list. But by far, the most common conditions we put on ourselves revolve around our weight—no love until we lose the weight, no pursuing a dream until we lose the weight, no happiness until we lose the weight. But now there's a better option. Using tapping, also known as EFT, Jessica Ortner walks you through a process that helps you drop stress so you can drop pounds—without dieting, deprivation, or extreme exercise. Tapping, a tool that is based on the principles of both ancient acupressure and modern psychology, helps you address the underlying issues that make your body hold on to weight and gives you the ability to overcome some of the most common weight loss obstacles. Say good-bye to the cravings, panic, and self-doubt that keep you in a constant fight against your body! Using her own struggles with weight loss, along with success stories of some of the thousands of women she's worked with, Jessica teaches you not only the basics of tapping but also how to use it to address the deeper facets of your weight and self-worth challenges. This proven process is based on extensive research into the effects of tapping on stress hormones, and it provides simple, step-by-step instructions throughout and easy tapping meditations at the end of each chapter. With this loving and supportive guidance you can learn to create a more empowering relationship with food, find pleasure in exercise, and implement self-care into your life. So join Jessica and learn to love yourself and your body!
