The Millstream Ralph Lawrence,1944

Commodified and Criminalized David J. Leonard,C. Richard King,2010-12-28 *Commodified and Criminalized* examines the centrality of sport to discussions of racial ideologies and racist practices in the 21st century. It disputes familiar refrains of racial progress, arguing that athletes sit in a contradictory position masked by the logics of new racism and dominant white racial frames. Contributors discuss athletes ranging from Tiger Woods and Serena Williams to Freddy Adu and Shani Davis. Through dynamic case studies, *Commodified and Criminalized* unpacks the conversation between black athletes and colorblind discourse, while challenging the assumptions of contemporary sports culture. The contributors in this provocative collection push the conversation beyond the playing field and beyond the racial landscape of sports culture to explore the connections between sports representations and a broader history of racialized violence.

Sport and Citizenship Matthew Guschwan,2017-10-02 Citizenship has become a widely significant and hotly contested academic concept. Though the term may seem obvious, citizenship carries a range of subtle social and political meanings. This volume explores citizenship as it relates to sport, on the micro and macro level of analysis and in a variety of geo-political contexts. Citizenship is a central organizing principle of international competition such as the Olympic Games. Furthermore, sport is used to teach, symbolize and perform citizenship. While related to national identity, citizenship pertains more precisely to how citizens are legally and politically recognized by the state and how citizens engage within the nation state. This volume traces the roots of discourses on citizenship before illustrating a variety of ways in which citizenship and sport impinge upon each other in contemporary contexts. This book was published as a special issue of *Sport in Society*.

Building Real-time Mobile Solutions with MQTT and IBM MessageSight Bryan Boyd,Joel Gauci,Michael P Robertson,Nguyen Van Duy,Rahul Gupta,Vasfi Gucer,Vladimir Kislicins,IBM Redbooks,2014-12-05 MQTT is a messaging protocol designed for the Internet of Things (IoT). It is lightweight enough to be supported by the smallest devices, yet robust enough to ensure that important messages get to their destinations every time. With MQTT devices, such as energy meters, cars, trains, mobile phones and tablets, and personal health care devices, devices can communicate with each other and with other systems or applications. IBM® MessageSight is a messaging appliance designed to handle the scale and security of a robust IoT solution. MessageSight allows you to easily secure connections, configure policies for messaging, and scale to up to a million concurrently connected devices. This IBM Redbooks® publication introduces MQTT and MessageSight through a simple key fob remote MQTT application. It then dives into the architecture and development of a robust, cross-platform Ride Share and Taxi solution (PickMeUp) with real-time voice, GPS location sharing, and chat among a variety of mobile platforms. The publication also includes an addendum describing use cases in a variety of other domains, with sample messaging topology and suggestions for design.

Serving Herself Ashley Brown,2023 *Coming Up the Hard Way* Sometimes, in a tough neighborhood, where there is no way for a kid to prove himself except by playing games and fighting, you've got to establish a record for being able to look out for yourself before they will leave you alone. If they think you're an easy mark, they will all look to build up their own reputations by beating up on you. I

learned always to get in the first punch. Althea Gibson, 1958 Four days after her historic victory at Wimbledon in July 1957, Althea Gibson sat at the head table between her parents during a luncheon held in her honor at New York City's famed Waldorf-Astoria Hotel. Wearing a dress of red and blue silk with a corsage pinned to her lapel, she listened as local officials sang her praises. Gibson was an American girl, a real lady, and a wonderful ambassador ... [and] saleswoman for the country, they said. Speaker after speaker reached for superlatives and generalities to pay tribute to Gibson for rising improbably from the sidewalks of New York, in the words of Mayor Robert F. Wagner, to winning the most prestigious tennis tournament in the world. The commissioner of the department of commerce and public events cut closest to the truth with six words: She came up the hard way--

American Doubles-- the Trials, the Triumphs, the Domination Marcia Frost,2008 From the successes of such legends as Billie Jean King and Stan Smith to the current No. 1 men's team of Bob and Mike Bryan, the story of how Americans have come to rule the doubles court is a fascinating tale told by a longtime journalist and tennis insider Frost.

The Modern Hercules Alastair J.L. Blanshard,Emma Stafford,2020-11-09 The Modern Hercules explores the reception of the ancient Greek hero Herakles – the Roman Hercules – in western culture from the nineteenth century to the present day, exploring the hero's transformations of identity and significance in a wide range of media.

Sports web encyclopaedia C. Ashok,2005

Business Transformations in the Era of Digitalization Mezghani, Karim,Aloulou, Wassim,2019-01-22 In order to establish and maintain a successful company in the digital age, managers are digitally transforming their organizations to include such tools as disruptive technologies and digital data to improve performance and efficiencies. As these companies continue to adopt digital technologies to improve their businesses and create new revenues and value-producing opportunities, they must also be aware of the challenges digitalization can present. Business Transformations in the Era of Digitalization is a collection of innovative research on the latest trends, business opportunities, and challenges in the digitalization of businesses. Highlighting a range of topics including business-IT alignment, cloud computing, Internet of Things (IoT), business sustainability, small and medium-sized enterprises, and digital entrepreneurship, this book is ideally designed for managers, professionals, consultants, entrepreneurs, and researchers.

Sports Market Place ,1998

Out of the Shadows David K. Wiggins,2008-02-01 The original essays in this comprehensive collection examine the lives and sports of famous and not-so-famous African American male and female athletes from the nineteenth century to today. Here are twenty insightful biographies that furnish perspectives on the changing status of these athletes and how these changes mirrored the transformation of sports, American society, and civil rights legislation. Some of the athletes discussed include Marshall Taylor (bicycling), William Henry Lewis (football), Jack Johnson, Satchel Paige, Jesse Owens, Joe Lewis, Alice Coachman (track and field), Althea Gibson (tennis), Wilma Rudolph, Bill Russell, Jim Brown, Arthur Ashe, Michael Jordan, Tiger Woods, and Venus and Serena Williams.

Sport and the Pandemic Paul M. Pedersen,Brody J. Ruihley,Bo Li,2020-09-28 This book takes a close look at how the sport

industry has been impacted by the global Coronavirus pandemic, as entire seasons have been cut short, events have been cancelled, athletes have been infected, and sport studies programs have moved online. Crucially, the book also asks how the industry might move forward. With contributions from sport studies researchers across the world, the book offers commentaries, cases, and informed analysis across a wide range of topics and practical areas within sport business and management, from crisis communication and marketing to event management and finance. While Covid-19 will inevitably cast a long shadow over sport for years to come, and although the situation is fast-evolving and the future is uncertain, this book offers some important early perspectives and reflections that will inform debate and influence policy and practice. A timely addition to the body of knowledge regarding the pandemic, this is an important resource for researchers, students, practitioners, the media, policy-makers, and anybody who cares about the future of sport.

Websites from a to Z John Cowpertwait, 2002 Want information, but don't know where to start? There are millions of Internet Websites of varying quality and value. How do you know which are worthwhile and which don't bear a second look? Search engines only cover a small proportion of the Web. So, how do you ensure you are not missing the best and most useful Websites? And how do you know which Websites you need, when you don't know what's out there? Websites from A to Z will help. By highlighting tried and tested sites from a range of useful categories, Websites from A to Z will save you time, effort and energy, to ensure you get the most from the Internet.

Willing's press guide James Willing, 2004

Tennisnews: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. Tennisnews : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and

intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
