Eternal Mysteries of Nations Volume 3 Bishop Bassey

Effiong Orok,2015-05-26 Written by a born prophet of almighty god and reputable spiritual scientist and consultant on issues related to nature and the universe at large, His Lordship Bishop Bassey Effiong Oroks Eternal Mysteries of Nations: Volume 3 gives in-depth information of 256 portions of the earth herein referred to as nations, as it unveils their true nature, irrespective of their present-day populations or status regarding any effort carried out by human beings and other creations dwelling within a specific part or portion of the earth. The volume goes deep into unveiling a Supernatural Being whose physical presence on earth is the most profitable but dangerous event that had ever happened to all physical creations. And the earth can come to total collapse if this Supernatural Being is not acknowledged and reverenced by all of humanity in general. It also unveils the unlimited powers embedded in this Supernatural Being. He is natural and supernatural in all ramifications; hence, his authority covers all creations and the universe at large, and he is seen in all planes and manifested worlds at the same time. Basically, the three volumes of Eternal Mysteries of Nations are a well-composed spiritual record, as they also detail the attention of spiritual beings and creations within the different nations and portions of the earth. It unveils the potential powers from the spirits as vested upon every section of the earth as mentioned by their earthly names; it moves forward to unveil the natural plan of most portions and nations of the earth, as it was from the beginning. Other Books written by the same author includes Holy Book of Revelations, Everlasting Arts and Sciences Volumes 1 and 2, Salt

of the Earth and Eternal Mysteries of Nations volumes 1 and 2. The authors upcoming book is The Final World Government.
