The Power of Now Eckhart Tolle,2010-10-06 It's no wonder that The Power of Now has sold over 16 million copies worldwide and has been translated into over 30 foreign languages. Much more than simple principles and platitudes, the book takes readers on an inspiring spiritual journey to find their true and deepest self and reach the ultimate in personal growth and spirituality: the discovery of truth and light. In the first chapter, Tolle introduces readers to enlightenment and its natural enemy, the mind. He awakens readers to their role as a creator of pain and shows them how to have a pain-free identity by living fully in the present. The journey is thrilling, and along the way, the author shows how to connect to the indestructible essence of our Being, the eternal, ever-present One Life beyond the myriad forms of life that are subject to birth and death. Featuring a new preface by the author, this paperback shows that only after regaining awareness of Being, liberated from Mind and intensely in the Now, is there Enlightenment.

Summary - The Power of Now FastDigest-Summary,2018-02-15 A Complete Summary - The Power of Now: A Guide to Spiritual Enlightenment The Power of Now is a spiritual book written by German writer Eckhart Tolle. In his book, Tolle talks about the power of 'living in the present moment' rather than unnecessary dwellings in the past or trying to figure out what future will look like. Even though there are many books that are similar to this one, The Power of Now is unique in many ways. While explaining how to successfully live in the present moment, the author is guided by the teachings of Taoism, Karma, Buddhism, and Christianity through the teachings of Jesus Christ. By trying to unify all these teachings, the author captured the true meaning of many spiritual and religious teachings by creating one single universal guideline-the Now. The book itself was published in 1997 and only three thousand copies were printed at first, but in 1999, it was republished and printed in a much larger number by New World Library. And now, the book was sold in over three million copies and it has been translated into more than thirty languages.
