New York Times: The Times of the Eighties The New York Times, William Grimes, 2013-07-08 From our nation's best source of in-depth daily reporting comes this sweeping retrospective of the news, culture, and personalities of the decade of the 1980s, as told through hundreds of handselected articles and compelling original commentary in this unique and fascinating book. There is no better record of history than the archives of The New York Times. Now, more than 200 articles from the great decade of the 1980s are culled from these archives and carefully curated, by editor and Times writer William Grimes, to create one complete, compelling, historical and nostalgic collection. Organized by sections such as politics, business, science & health, sports, arts & entertainment, food, obituaries, and more, The Times of the Eighties covers the biggest stories that shaped the 1980s. Articles include coverage of historic events like Wall Street's Black Monday, the Iran-Contra scandal, Tiananmen Square, the Challenger disaster, the Human Genome Project, the collapse of communism, and the introduction of the personal computer by IBM; cultural highlights like the launch of MTV, Ted Turner's establishment of CNN, the Cabbage Patch doll craze, reviews of movies like E.T., Terminator, Raging Bull, and Tootsie, and features on musicians like Michael Jackson, Joan Jett, U2, Wham, Blondie, and more; plus pieces on personalities like Mikhail Gorbachev, Princess Diana, Ronald Reagan, Margaret Thatcher, Pete Rose, Bill Cosby, and more. The stories are penned by well-known Times writers like William Safire, Frank Rich, Anna Quindlen, Serge Schmemmann, Russell Baker, Nan C. Robertson, Thomas L. Friedman, Linda Greenhouse, Bill Keller, Clyde Haberman, Paul Goldberger, Francis X. Clines, John Noble Wilford, Nicholas Kristof, Fox Butterfield, John Rockwell, Anthony Lewis, and many more. Grimes guides readers through the articles he's selected with commentary that puts the stories into historical context and explores the impact that these events and individuals eventually had on the future. Hundreds of color photographs from the Times and other sources illuminate the stories throughout.

Young Skins Colin Barrett, 2015-03-03 A blockbuster collection from one of Ireland's most exciting young voices: "Sharp and lively . . . a rough, charged, and surprisingly fun read" (Interview). A National Book Foundation 5 Under 35 Honoree * Winner of the Frank O'Connor International Short Story Award * Winner of the Guardian First Book Award * Winner of the Rooney Prize for Irish Literature Enter the small, rural town of Glanbeigh, a place whose fate took a downturn with the Celtic Tiger, a desolate spot where buffoonery and tension simmer and erupt, and booze-sodden boredom fills the corners of every pub and nightclub. Here, and in the towns beyond, the young live hard

and wear the scars. Amongst them, there's jilted Jimmy, whose best friend Tug is the terror of the town and Jimmy's sole company in his search for the missing Clancy kid; Bat, a lovesick soul with a face like "a bowl of mashed up spuds" even before Nubbin Tansey's boot kicked it in; and Arm, a young and desperate criminal whose destiny is shaped when he and his partner, Dympna, fail to carry out a job. In each story, a local voice delineates the grittiness of post boom Irish society. These are unforgettable characters rendered through silence, humor, and violence. "Lyrical and tough and smart . . . What seems to be about sorrow and foreboding turns into an adventure, instead, in the tender art of the unexpected." –Anne Enright, Man Booker Prize Award-winning author "Sometimes comic, sometimes melancholy, *Young Skins* touches the heart, as well as the mind." –Irish American Post

The Times Were a Changin' Debi Unger, Irwin Unger, 1998-07-21 This is a must-have anthology of the milestone speeches, manifestos, court decisions, and groundbreaking journalism of the Sixties. No other period in American history has been more liberating, more confusing, more unforgettable, and had a more direct impact on the way we navigated the profound changes that swept over the country in the following three decades. From Betty Friedan to Barry Goldwater, from the formidable presence of the Kennedy brothers to the unimaginable influence of Woodstock, Pulitzer prize-winning author Irwin Unger and journalist Debi Unger present the complexities of a volatile and tumultuous decade, while explaining how and why each significant event took place and how it shifted the country's consciousness. From the antiwar movement to the moon race, from the burgeoning counterculture to the Warren and Berger courts, and from the civil rights movement to the 1968 presidential campaign, *The Times Were a Changin'* will tantalize and confound readers, while inspiring and enraging them as well. The Ungers provide us with a better understanding of the strategy and maneuvering of the 1960s war games--from the Bay of Pigs to the Tet Offensive. And the pieces they have chosen help us define the current of social intolerance that plagues our country to this day. Balancing the controversial issues of the times with an even hand, the Ungers give equal time to William F. Buckley and Abbie Hoffman, Barry Goldwater and Hubert Humphrey, the Black Panthers and Martin Luther King, Jr., compiling an anthology that supplies rhyme and reason to a decade that never ceases to amaze us, endless in its capacity to be explored

and understood.

Love in the Time of Cholera (Illustrated Edition) Gabriel García Márquez, 2020-10-27 A beautifully packaged edition of one of García Márquez's most beloved novels, with never-before-seen color illustrations by the Chilean artist Luisa Rivera and an interior design created by the author's son, Gonzalo García Barcha. In their youth, Florentino Ariza and Fermina Daza fall passionately in love. When Fermina eventually chooses to marry a wealthy, well-born doctor, Florentino is devastated, but he is a romantic. As he rises in his business career he whiles away the years in 622 affairs—yet he reserves his heart for Fermina. Her husband dies at last, and Florentino purposefully attends the funeral. Fifty years, nine months, and four days after he first declared his love for Fermina, he will do so again.

The Flames Sophie Haydock, 2023-03-14 Set in the extravagant, Bohemian art world of early 20th century Vienna, the electrifying untold story of the four women who posed for and inspired the groundbreaking erotic art of controversial painter Egon Schiele. Amid an opulent society living under the shadow of war are four muses, women whose bodies were shown in intimate detail, depicted by the charming yet controversial artist Egon Schiele. Adele, his passionate and fierce admirer; Gertrude, his sister who survived their blighted childhood but is possessive, single-minded, and jealous; his mistress Vally, a poor young woman from a bad background but with steel at her core; and the two, very different, Harms sisters, Edith and Adele, both of whom vie to become Schiele's wife. Over the course of little more than a decade, the four women risk everything—their reputations, their most precious relationships, and their sanity and souls—as they try to hold on to the man they adore. As World War I throws their lives off course forever, and the Spanish influenza pandemic ravages Europe, threatening everyone in its path, one question remains: Will any of them emerge unscathed from their relationship with this man? Sophie Haydock's *The Flames* reimagines the intertwining lives of these women: four wild, blazing hearts longing to be known. In an elegant Bohemian city like 1900s Vienna, everything seems possible. But just as a flame has the power to mesmerize, it can also destroy.

The Times Adam Nagourney, 2023-09-26 A sweeping behind-the-scenes look at the last four turbulent decades of "the paper of record," The New York Times, as it confronted world-changing events, internal scandals, and faced the existential threat of the internet "An often enthralling chronicle [that] delivers the gossipy goods . . . Like Robert Caro's biographies, [The Times] should appeal to anyone interested in power."—Los Angeles Times A KIRKUS REVIEWS BEST BOOK OF THE YEAR For over a century, The New York Times has been an iconic institution in American journalism, one whose history is intertwined with the events that it chronicles—a newspaper read by millions of people every day to stay informed about events that have taken place across the globe. In *The Times*, Adam Nagourney, who's worked at The New York Times since 1996, examines four decades of the newspaper's history, from the final years of Arthur "Punch" Sulzberger's reign as publisher to the election of Donald Trump in November 2016. Nagourney recounts the paper's triumphs—the coverage of September 11, the explosion of the U.S. Challenger, the scandal of a New York governor snared in a prostitution case—as well as failures that threatened the paper's standing and reputation, including the discredited coverage of the war in Iraq, the resignation of Judith Miller, the plagiarism scandal of Jayson Blair, and the high-profile ouster of two of its executive editors. Drawing on hundreds of interviews and thousands of documents and letters contained in the newspaper's archives and the private papers of editors and reporters, *The Times* is an inside look at the essential years that shaped the newspaper. Nagourney paints a vivid picture of a divided newsroom, fraught with tension as it struggled to move into the digital age, while confronting its scandals, shortcomings, and swelling criticism from conservatives and many of its own readers alike. Along the way we meet the memorable personalities—including Abe Rosenthal, Max Frankel, Howell Raines, Joe Lelyveld, Bill Keller, Jill Abramson, Dean Baquet, Punch Sulzberger and Arthur Sulzberger Jr.—who shaped the paper as we know it today. We see the battles between the newsroom and the business operations side, the fight between old and new media, the tension between journalists who tried to hold on to the traditional model of a print newspaper and a new generation of reporters who are eager to embrace the new digital world. Immersive, meticulously researched, and filled with powerful stories of the rise and fall of the men and women who ran the most important newspaper in the nation, *The Times* is a definitive account of the most pivotal years in New York Times history.
