The Warfare of the Soul Shirley Carter Hughson,2015-06-16 Excerpt from The Warfare of the Soul: Practical Studies in the Life of Temptation If we desired to describe our life here in one word, that word might be Temptation. From one point of view the purpose for which we are put into this world is to be tempted, that is, to be tried or tested, in order that the wheat among us may be separated from the chaff, and that the children of light may be manifested and divided from the children of darkness. This testing, however, is not only that the good may be separated from the bad, it is the means by which the good becomes good; for by it latent virtues are developed and a character fitted for heaven is formed. Let us regard a little child just baptized - it is an innocent child of God, but what is innocence? In many respects a beautiful attribute, but a purely negative one; for it is the attribute of an untried soul. That child must pass through the wilderness of temptation, and with the result either that the innocence will be transformed into sanctity or will be lost and give place to sin. The Warfare of the Soul Shirley Hughson,2016-07-20 The Life of Temptation is every present and these sound, practical and deeply spiritual studies are as valuable, and certainly as much needed today as ever. -The Living Church This little book will be found most useful; for it will help them, not only to prepare for temptation, but will teach them the true purpose of the life of temptation, and the best methods of utilizing the attacks of the foe; so that they may leave no stain of sin, but rather may develop in the soul those Christian virtues which belong to sanctity. -Alfred G. Mortimer, Rector of St. Mark's, Philadelphia The spiritual warfare is intensely personal. Any consideration of it is a consideration of definite personalities, divine, angelic, human, Satanic,--God, the Angels, the Soul, and Satan. We speak commonly of great principles being at stake in this warfare, often forgetting that it is not possible for a moral or spiritual principle to exist apart from a person. As we shall try to learn in the following pages, God--the three Persons of the Ever-Blessed Trinity--is always to be the first thought of the Christian warrior,--God, His Presence, His power, and His loving interest in our victory. But the well-trained soldier has an eye not to his own resources only; he seeks to learn something also concerning the Enemy he is to face. Next to the Presence of God, nothing is so necessary to the Christian soldier as to remember the presence of the Tempter; either in his own person or in that of one of his evil angels. Although God has revealed nothing directly to us on the subject, yet His revelation concerning Satan's work is such that we can hardly escape from the conclusion that, as each soul has a guardian angel, so each soul has assigned to him by Satan an attendant evil spirit, whose whole business is to seek to lead the soul into sin. We see how in the conflict we have tremendous personalities to deal with, the Personality of the triune God,--Father, Son, and Holy Ghost,--and the Personality of Satan and his innumerable fallen angels, who, though finite and created, possess a scope and power which are, perhaps, so great that our human thought cannot compass them. But immeasurably below any of these as it is, our own personality must not be forgotten, for let it ever be kept in mind that the issue of our individual battle depends on ourselves. The laws of this war are such that on the one hand the powerful personal will even of the arch-fiend himself has no power to control us, except in so far as our personal will, acting with complete freedom, permits it; and on the other hand, the infinite personal will of God never operates so as to compel us, unless again our will yield freely to His call. Satan cannot control or influence us against our wills, and God, reverencing His image in man, refrains His power and never forces man's love or service. The will of man is free, and this makes him the central factor in the spiritual warfare.

War and the Soul Edward Tick,2012-12-19 War and PTSD are on the public's mind as news stories regularly describe insurgency attacks in Iraq and paint grim portraits of the lives of returning soldiers afflicted with PTSD. These vets have recurrent nightmares and problems with intimacy, can't sustain jobs or relationships, and won't leave home, imagining "the enemy" is everywhere. Dr. Edward Tick has spent decades developing healing techniques so effective that clinicians, clergy, spiritual leaders, and veterans' organizations all over the country are studying them. This book, presented here in an audio version, shows that healing depends on our understanding of PTSD not as a mere stress disorder, but as a disorder of identity itself. In the terror of war, the very soul can flee, sometimes for life. Tick's methods draw on compelling case studies and ancient warrior traditions worldwide to restore the soul so that the veteran can truly come home to community, family, and self.

The War for America's Soul Sebastian Gorka,2019-10-08 “Take it from someone who has been on the inside, who understands the fight we are currently in, and who knows what must be done to save our country. Dr. Sebastian Gorka’s latest book, *The War for America’s Soul*, leverages the former White House strategist’s expertise, driven by his determination to preserve what made America great in the first place.” — MARK LEVIN Our country is at war with itself. On one side are American patriots, dedicated to freedom under the Constitution; on the other side are leftists campaigning not just to win elections, but to radically transform the nation. In this political war for the soul of our country, America’s patriots need a strategist with a blueprint for victory. Luckily, we have such a man in Dr. Sebastian Gorka—a former strategist for President Trump and now a nationally syndicated radio host and a fearless culture warrior. In his essential new book, *The War for America’s Soul*, Dr. Gorka shows how America’s elite—in both parties—betrayed our heartland, sabotaged the American dream, and accepted national decline as inevitable. It took a candidate with remarkable vision, dauntless courage, and unbreakable determination to change the narrative. That man was Donald Trump. A candidate who owed no favors to special interests, Trump articulated a new American nationalism that has been an extraordinary force for economic and political renewal.

The Battle Thomas E. Trask,Wayde I. Goodall,1997 Territorial spirits... diagrams of multi-tentacled demons... have you ever wondered just how much of the information you read about spiritual warfare is reliable? Where do you draw the line between truth and conjecture, authority and presumption?

A War for the Soul of America Andrew Hartman,2015-04-14 What were the culture wars all about? Through the 1980s and 1990s, politics, art, media, schools, and the culture at large were roiled by seemingly unending public battles over gender, race, sexuality, music, and religion.A War for the Soul of America is the first full-scale intellectual history of this period, tracing the histories and influences of key figures, institutions, publications, and alliances--from the Moral Majority and the NEA Four to Madonna and William F. Buckley. Hartman argues that these conflicts were not cynical sideshows that obscured larger economic and political revolutions; rather, he sees them as the key ways in which Americans came to terms with changing demographics, communities, and conceptions of American identity. Hartman's balanced and fair-minded assessment of the time before Fox News and Lady Gaga will change the way you look at public controversies of all kinds.

Spiritual Warfare for a Soul Michael Vietzke,Candice Vietzke,2013-09-06 There is an unseen war we face every hour of every minute for our eternal souls. My wife, LuAnn, and I faced this war without the knowledge and insight needed to be successful in defeating the enemy. Demons enticed her down a long meandering path paved with money, materialism, addictions and an inner evilness that were destroying our lives and leading her straight to hell. Her spiritual eyes were opened and she could actually see the dark, menacing demons that were plaguing her. I stayed by her side for over 20 years trying to change her and control the situation as she battled these evil spirits and addiction. When the doctors gave her just thirty days to live, I realized I needed God's help to snatch her back from Satan's grip or she would be lost for eternity. Her last days turned into a visible spiritual battle for her soul, a long and hard battle full of uncertainty; a daily tug of war between good and evil, angels and demons, that had me wondering to the end who the victor may be

Breaking the Power of Evil Rick Joyner,2002 Joyner's novel equips the readers with the necessary weapons to create a breach in the access of evil in the world. Joyner declares that the battle is for the hearts of people.

The Warfare of the Spirit A. W. Tozer,2006-06-20 The life of a Christian is packed full of conflict. The Warfare of the Spirit discusses the persistent struggle against the evil forces of the world, the flesh, and even the deceiving ways of Satan. Breaking down the spiritual warfare that is going on all around us, in both the physical and spiritual realms, Tozer examines many aspects of the human experience that can potentially damage us spiritually—like concerns about money, social status, conflict with others, or even confusing the meaning Christmas. Tozer also unapologetically states the dangers of adhering to a theology that absolves the unbeliever of any punishment. For if there is no hell, he warns, there is no heaven either. Beginning this book with a triumphant call to battle, A. W. Tozer inspires the believer to seek and destroy the evil forces working in this world. This book empowers its reader to eradicate complacency and sloth and live actively for the Lord every day.

Spirit, Soul, and Body Andrew Wommack,2018-12-18 Have you ever asked yourself what changed when you were born again? You look in the mirror and see the same reflection - your body hasn't changed. You find yourself acting the same and yielding to those same old temptations - that didn't seem to change either. So you wonder, Has anything really changed? The correct answer to that question is foundational for receiving from God. If you lack this basic understanding, you'll forever ask yourself doubt-filled questions like: How could God love somebody like me? and How can I possibly expect to receive anything from the Lord? I don't deserve it, I'm not good enough! Spirit, Soul, and Body will help you eliminate those and other doubt-filled questions that destroy your faith. If you have trouble receiving from God, this is a must-read!

Spiritual Warfare Fighting for Your Souls Brenda White,2016-07-19 The author believes that her soul purpose on this earth was designed to experience and later reveal the accounts that the Holy Spirit has supernaturally allowed her spirit to open up too. She entered a place in time where she was caught up in the spiritual warfare world, after going through a very intense surgery. While facing other life dilemmas, she encountered in the supernatural, voices of regrets from those that have passed on without repenting or inviting God into their souls. She experienced the devastating world of denial. There was name-calling, cursing, and abuse. Her spirit opened up to where she was able to sense some of the toughening and stress from some of the souls that was left in catastrophe world. And there were the stench smells of hell, burning flesh, and decaying odor as the angel of the Lord covered her soul, and the angel kept encouraging her to cast down every negative thought. This book explains how her spirit was taken into a place and time where only a few of us have been chosen to experiences. She believes that the world needs to be warned and take heed of the biblical saying. Her purpose is to warn the nations that there are more warfare forces that have been unleashed in the atmosphere. The book is written to reveal that we have entered a moment, place in a time, that there are undeniable forces and strongholds designed only to destroy and control the minds of humanity.

The Soul of America Jon Meacham,2018-05-08 #1 NEW YORK TIMES BESTSELLER • Pulitzer Prize–winning author Jon Meacham helps us understand the present moment in American politics and life by looking back at critical times in our history when hope overcame division and fear. ONE OF OPRAH’S “BOOKS THAT HELP ME THROUGH” • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The Christian Science Monitor • Southern Living Our current climate of partisan fury is not new, and in *The Soul of America* Meacham shows us how what Abraham Lincoln called the “better angels of our nature” have repeatedly won the day. Painting surprising portraits of Lincoln and other presidents, including Ulysses S. Grant, Theodore Roosevelt, Woodrow Wilson, Franklin D. Roosevelt, Harry S. Truman, Dwight Eisenhower, and Lyndon B. Johnson, and illuminating the courage of such influential citizen activists as Martin Luther King, Jr., early suffragettes Alice Paul and Carrie Chapman Catt, civil rights pioneers Rosa Parks and John Lewis, First Lady Eleanor Roosevelt, and Army-McCarthy hearings lawyer Joseph N. Welch, Meacham brings vividly to life turning points in American history. He writes about the Civil War, Reconstruction, and the birth of the Lost Cause; the backlash against immigrants in the First World War and the resurgence of the Ku Klux Klan in the 1920s; the fight for women’s rights; the demagoguery of Huey Long and Father Coughlin and the isolationist work of America First in the years before World War II; the anti-Communist

witch-hunts led by Senator Joseph McCarthy; and Lyndon Johnson’s crusade against Jim Crow. Each of these dramatic hours in our national life have been shaped by the contest to lead the country to look forward rather than back, to assert hope over fear—a struggle that continues even now. While the American story has not always—or even often—been heroic, we have been sustained by a belief in progress even in the gloomiest of times. In this inspiring book, Meacham reassures us, “The good news is that we have come through such darkness before”—as, time and again, Lincoln’s better angels have found a way to prevail. Praise for The Soul of America “Brilliant, fascinating, timely . . . With compelling narratives of past eras of strife and disenchantment, Meacham offers wisdom for our own time.”—Walter Isaacson “Gripping and inspiring, The Soul of America is Jon Meacham’s declaration of his faith in America.”—Newsday “Meacham gives readers a long-term perspective on American history and a reason to believe the soul of America is ultimately one of kindness and caring, not rancor and paranoia.”—USA Today

Winning the War Against Your Soul Asabor,Pastor A. O. Asabor,2018-05 Many talk and engage in spiritual warfare but not many truly understand the war against the soul. There are various kinds of spiritual attack or battles against us as children of God but the most potent and of eternal consequences is the war against the soul. Sadly, many are fighting and winning various battles in their lives but not the war against the soul. Winning the battles of life without winning the war against your soul amounts to what Apostle Paul refers to as fighting as one who beats the air (I Corinthians 9:26). Again many today have taken spiritual warfare out of the scriptures. They are fighting spiritual warfare but not according to the rules of engagement as outlined in scriptures. Ifwe are going to please God we must stick to His pattern in all things including spiritual warfare. This is the reason this book has been written. It explains with several scriptures the seriousness of the war against the soul and how to fight and win it. With serious emphasis on the fact that victory has been won for us in Christ. Readers will learn about: - Our victory through Jesus Christ - The danger of being at ease in Zion - Putting on the whole armor of God - Standing against the wiles of the devil - The seriousness of remaining standing Moreover the reader will be generally enlightened on several misunderstood Biblical truths and be empowered to be committed to winning the war against the soul.
