Tiny Jumper Candy Dahl,2023-10-10 This thrilling biography tells the story of Tiny Broadwick, the first woman to ever parachute from a plane and the inventor of the parachute rip cord, and how her determination, courage, adventurousness, and joy in doing what she loved lifted her up to stand as tall as a pioneer in flight. The crack of a pistol shattered the silence—Tiny's signal to jump. Her hands trembled as she cut her parachute away from the balloon. Tiny Broadwick, a teeny, uneducated mill girl, had big dreams of soaring above the earth, out of poverty, and above expectations. She became the first woman to parachute from an airplane, and her idea for the rip cord paved the way for pilots to safely escape in-flight emergencies. This thrilling biography shows how Tiny's determination, courage, adventurousness, and joy lifted her up to stand tall as a pioneer in flight.

Pretty Little Jumper Tiffany Hollis,2021-01-25 Pretty Little Jumper is about a young girl who loves to jump and play. One day she has a fall while playing and has a tantrum only to realize that she is not hurt from her little fall.

The Book Jumper Mechthild Gläser,2017-01-03 Amy Lennox doesn't know quite what to expect when she and her mother pick up and leave Germany for Scotland, heading to her mother's childhood home of Lennox House on the island of Stormsay. Amy's grandmother, Lady Mairead, insists that Amy must read while she resides at Lennox House—but not in the usual way. It turns out that Amy is a book jumper, able to leap into a story and interact with the world inside. As thrilling as Amy's new power is, it also brings danger: someone is stealing from the books she visits, and that person may be after her life. Teaming up with fellow book jumper Will, Amy vows to get to the bottom of the thefts—at whatever cost.

Tiny Love Larry Brown,2019-11-26 Larry Brown wrote the way the best singers sing: with honesty, grit, and the kind of raw emotion that stabs you right in the heart. He was a singular American treasure. —Tim McGraw A career-spanning collection, Tiny Love brings together for the first time the stories of Larry Brown's previous collections along with those never before gathered. The self-taught Brown has long had a cult following, and this collection comes with an intimate and heartfelt appreciation by novelist Jonathan Miles. We see Brown's early forays into genre fiction and the horror story, then develop his fictional gaze closer to home, on the people and landscapes of Lafayette County, Mississippi. And what's astonishing here is the odyssey these stories chart: Brown's self-education as a writer and the incredible artistic journey he navigated from "Plant Growin' Problems" to "A Roadside Resurrection." This is the whole of Larry Brown, the arc laid bare, both an amazing story collection and the fullest portrait we'll see of one of the South's most singular artists.
