The MGC GTS Lightweights David Morys,2019-10-15 A fascinating insight into the production and career of the MGC GTS lightweights, this well-researched text is generously illustrated with rare photographs, race programs, and original artwork. In early 1968 a works competition MGC GTS scored the MG Car Company's best ever result at the Sebring 12-hour race, finishing in tenth position. Buoyed by this success a second car was built, with both entered on the Marathon de la Route but without success. Closure of MG Competitions Department at Abingdon was not far off, however the team gallantly prepared both cars for their final race in 1969. Under the banner of the American importer the newer car finished in fifteenth position. The MGC GTS Lightweights covers the development of the production road car, its conception, compromised design and subsequent failure to attract loyal MG customers. This is followed by an in-depth technical analysis of the development, construction and build of the MGC GTS. Specific attention is given to the specialised components utilised, particular emphasis placed on the unique aluminium bodyshell that for the first time is laid bare. The competition history and race results are comprehensively covered, and lastly the subsequent fall from grace and rediscovery of these last and much loved MG competition cars to emerge from Abingdon.

Follo the Shepherd King Richard Shepherd,2021-08-15 This Scripture Adventure is a journey through David's life and his reign as king, a reign with its ups and downs, failures and successes. More than a list of historical facts, David's life and legacy provide us with several life lessons, lessons that can serve to guide us daily, even moment by moment, whether we are serving only as king over ourselves or as leader over many. There are many kingdoms one can successfully rule or one can fail to rule. Which kingdoms? The kingdoms of self (with its many areas), as well as of home, church, school, a team, a neighborhood or community, a region, even a nation. Here are some crucial facts when looking at David or any other leader: simply knowing his successes will not make us successful. Nor will knowing his failures keep us from failing, but we can learn. Here is an important truth: one does not have to fail personally; one can learn from others' failures and one does not have to succeed in the same way as other kings or leaders. When all is said and done, the crucial questions are these: Have I pleased the Lord? Have I followed Him and His Word? Have I helped others connect with Him to know and follow Him? Have I helped others through their life journey? David certainly knew the Lord, sought to follow Him and sought to get others to follow Him and His Word. We can learn from David, from his stands and his stumbles, his successes, and failures. After all, it ever remains a matter of the heart--seeking God's heart as well as learning from David's heart for each of our hearts.

Streamlined Malte Jürgens,2014 In 2009, the Automuseum 'Prototyp' in Hamburg, Germany, organized a special exhibit in Germany or anywhere else in the world: For two months, 23 streamlined automobiles, the body of a record-setting car, and a revolutionary model wind tunnel, all had their aerodynamic rendezvous there. . . . Naturally, so many streamlined cars together were electrifying. Patricia Scholten, daughter of Paul Pietsch, and the Stuttgart Motorbuch-Verlag which she runs, commissioned the Zurich photographer Michel Zumbrunn, who specializes in classic cars, to photograph this unique exhibition of never-before-shown-together streamlined works of art in his own unique style. . . . This history of the streamlined automobile is not illustrated with the black and white photos of former times, used in the relevant books again and again due to the lack of new images; it is illustrated with a portfolio of photographic art by Zumbrunn and his co-photographer Urs Schmid.--Pages 14-15.
