Torchbearers A. B. Majmudar,2020 Like any bored eleven-year-old with an imagination, Prem makes fantastic wishes. So when his father drags him to a monsoon-lashed Mumbai, Prem know it's futile to dream of home. Instead, he wishes for a genie, a dragon and some superpowers. What he certainly doesn't wish for is a quest to save some gods who are at the brink of extinction. He finds that the gods' last hope lies in the hands of those who channel the mysterious power of the Vedas. Caught in a cosmic crossfire, with a talking fish, some inventive monkeys and a few unexpected allies, Prem learns of his true identity-as a Torchbearer. Can the Torchbearers stop bloodthirsty demons from getting their hands on the Nectar of Immortality and bring the gods back to power?

Stine, #1 New York Times bestselling author of Goosebumps and Fear Street, on The Darkdeep Everything you could want in a series. - Soman Chainani, New York Times bestselling author of The School for Good and Evil, on The Beast The blockbuster middle-grade series by New York Times bestselling authors Ally Condie and Brendan continues in this edge-of-your-seat adventure that's Stranger Things meets The Goonies. Nico is investigating the Rift and the strange natural phenomena that continue to occur, all while worrying about his dad's potential work transfer. Opal has her hands full researching the founding Torchbearer, Yvette Dumont, and deciphering clues from another realm sent by the mysterious Thing In a Jar. Emma's wildly popular YouTube show has brought her new-found fame, but also earned her some enemies. But that's not all. Something cryptic has surfaced from within the Darkdeep. Questions arise, and the five friends find themselves suddenly at odds. The stakes climb even higher when an enigmatic new girl comes to town, with an agenda of her own. Window To Yesterday Jeff Lefkowitz,2021-02 THE TORCHBEARER follows THE SWORDSMAN as the second book of the WINDOW TO YESTERDAY series. What is it like to be so different? Not just different. To be told you can't do things others can do. Because you're different. And they won't let you go home. Well, they let you go there, but they say your home isn't really yours. And they don't allow you to do things. Even there. So home isn't really home. So you go somewhere new, where no one knows you. And you make friends. But then they say you're different - same story and worse - that you're evil. It's hard to believe what they accuse you of... When they attack others like you, do you run? Or fight? There are a lot more of them than you. The answer: it depends. On the details. Then you'll understand. The Torchbearer is a beautiful entrée into the fascinating and often astonishing world of Jewish life during the Middle Ages. Jews traveled more than most other communities, spoke many languages, and served invaluable roles in both the Christian and Muslim worlds. This book brings this universe to life in all its complexity through an engaging narrative with adventure, surprise and intrigue. - Dr. Reuven Firestone, Regenstein Professor in Medieval Judaism and Islam at Hebrew Union College and Affiliate Professor of Religion at the University of Southern California Ever wonder what life was like for a Jewish kid during the First Crusade? Well, now you can find out! Weaving in a tremendous amount of research, Jeff Lefkowitz has created a living world that spans both the Muslim and Ashkenazi lands ... What a fabulous addition to the Jewish educational landscape. - Dr. Rachel Lerner, Dean, Graduate Center for Jewish Education, American Jewish University Once again, Jeff Lefkowitz lights the way for teens toward a deeper understanding of Jewish life and history. The Torchbearer, his latest addition to the Window to Yesterday series, is a well-researched, relevant, and marvelous journey. Truly fun to read. - Dr. Bruce Powell, Head Emeritus, de Toledo High School and co-author of Raising A+ Human Beings I definitely recommend this book! Teenagers and adults alike will enjoy David's journey. The story unfolds through the eyes of young characters; teenagers will cheer for them and truly connect with them. - Carolyn Kessler, senior at The Emery/Weiner School, Houston, Texas

The Torchbearer Joseph Schmidt,2014-04-18 The knot had been there from the beginning. Tension, over time, had drawn it tighter. It was hard as a walnut and about the size of a child's fist, a minor imperfection breaking the smooth surface of the rope. Discover the quiet beauty in Joseph Schmidt's haunting new collection, The Torchbearer. Told through the course of twenty-one enchanting stories, this unique compilation introduces unrelated characters who nevertheless share in the humanity that connects us all. In a world that is both subtly whimsical and vividly real, issues of isolation, faith, and regret are probed in the hopes of encouraging the readers' own existential explorations. From the split-second decision that changes everything in the book's title story, each brief encounter with these intriguing characters evokes a sense of wholeness that somehow exceeds the sum of its parts. Schmidt's sharp but versatile voice shines through in The Torchbearer, uniting each individual story and inviting readers to embrace the unknown in others, in nature, and in ourselves. It is a fascinating collection that leads audiences on a rare journey through their own intricate hearts.

The Torchbearer Susan Blackaby,2008 Finding a baby elephant on the beach, Marcus and Camilla adopt her and teach her how to hold a torch, a task that proves to be very important.

The Lord and the Lady Trilogy Shari G Norman-Martin,2022-02-03 Gods with their infinite wisdom and power do not decide the fate of the people, but it is by man's own words and deeds that his or her own destiny forged into the annals of time. It becomes a hard-fought lesson for all humanity to bear witness to the worlds of the heroic deeds of mere mortals and the broken promises of the mightiest gods . . . For in the end, light and dark shall prevail against mankind, and the vicious cycle of hatred and war continues until the Death of the Torchbearer . .

When his own mind threatens to turn on him, will he know who, or what, the real enemy is? The only answer waits in the dark heart of the island, but to find it, he'll have to confront an ancient enemy he comes to know only as The Torchbearer.

The Torch Bearers Bernard Victor Dryer,1968 This tells of surgeon-aristocrat Mayoso Marti, an unconventional, contradictory man of enormous magnetism and courage whose intense loyalties to persona and principle draw him into a life of double jeopardy. One is a world of established wealth and power the other is one of hunger and adversity. Through Mayoso's burning commitment to the value of the individual human life, these opposite worlds are interlocked as the novel moves from a Connecticut mansion to a hospital faced with scandal, to a cathedral confessional, to the bullet-spattered avenidas of Caracas, to an American courtroom shocked into silence. It's an emotional sage of abortion versus the Catholic faith.

Window To Yesterday Jeff Lefkowitz,2019-05 What if ... buried deep inside your brain were eyewitness memories of events that changed history? Memories of what your own great, great - too many to write - grandfather or grandmother saw and did when they were young. Of how a prankster, a hothead, and a smart, tough girl were swept up in one of history's great clashes: the first war between the ruthless Roman Empire and underdog Judea. Are you the descendant of heroes? Or of cowards? Would you want to know? And what of those Judeans whose ideas, not swords, would one day conquer the world?It's too late for them. But it's not too late for you.This series debut is fun, thought-provoking, and historically accurate. But what's with the goat? For ages 12-120. *** A wonderfully engaging and easy way for young teens to enter the tumultuous Jewish world of the first century C.E. Readers get to know in a very personal way the issues faced by the people who shaped what Judaism came to be. This book reminds me of ...
