The Treasure Hunt Club Michael Scott Clifton, 2011-04 ‘What is the Lost Treasure which you seek?’ When Nick Hollister saw these brilliantly glowing words appear in The Book of Lost Treasures, he thought his luck had finally changed. After losing his job, his girlfriend, and being beaten up by Archival Carter Cannon in the space of mere hours, the chronically unemployed and underachieving Nick had reached a new low, even for him. When a chance encounter with the eccentric Hank Harper, the new owner of an antique store in town, leads to the purchase of a mysterious painting, Nick soon discovers an equally mysterious book hidden within the frame of the painting. The book proves to be able to produce maps revealing the location of long lost treasures. In the course of forming The Treasure Hunt Club with four close friends, Nick meets and falls in love with Abby Summers. Soon, The Book of Lost Treasures leads Nick, Abby, and the other club members on a cross-country trek from tiny D’Lo, Mississippi, to Albuquerque, New Mexico, to Arlington, Virginia, as it reveals the locations of many lost treasures, including a stolen shipment of Union gold from the Civil War era. Although these discoveries make Nick and the other club members wealthy beyond their wildest dreams, the sudden riches bring with them their own set of problems, and Nick learns ownership of The Book of Lost Treasures comes with a heavy price. In The Treasure Hunt Club, author Mike Clifton takes readers on an exciting journey of adventure filled with love, loss, and self-discovery.

Space Pirate Treasure Hunting: Riches of Gold and of the Heart Simon Knight, 2015-10-18 Skylar and Stella are searching for treasure in a cave when a huge tiger-like creature chases them out. As it turns out, Skylar has that creature’s treasure map...and it wants it back! Also, much to their surprise, this tiger-like creature is normally an adorable, pirate-hat-wearing, spacesuit-donning, eye-patch-sporting pirate cat! What kind of treasure could this pirate cat be after? After being given their own pirate costumes, the two board the pirate cat’s spaceship and embark on the ultimate treasure-hunting experience. They hop from planet to planet-braving the arctic-like chill of one planet for the key and ending up in the humid tropical heat of another, where the treasure lay. As it turns out, you can demand keys from Iceblurgs, and convince possessive, treasure-hoarding hamsters to share with a little bit of peanut butter bribery. At long last, they have access to the treasure chest. What could be inside? There is a saying that one man’s trash is another man’s, or in this case, pirate cat’s treasure. It couldn’t be any truer here!

Betty Gordon at Boarding School; Or, The Treasure of Indian Chasm Emerson, 2021-01-18 Me make you velly nice apple tart. Miss Betty. The Chinese cook flourished his rolling pin with one hand and swung his apron viciously with the other as he held open the screen door and swept out some imaginary flies. Lee Chang, cook for the bunk house in the oil fields, could do several things at one time, as he had frequently proved. The girl, who was watching a wiry little bay horse contentedly crop grass that grew in straggling wisps about the fence posts, looked up and showed an even row of white teeth as she smiled. I don’t think we’re going to stay for dinner to-day, she said half regretfully. I know your apple tarts, Lee Chang—they are delicious. The fat Chinaman closed the screen door and went on with his pastry making. From time to time, as he passed from the table to the oven, he glanced out. Betty Gordon still stood watching the horse. That Bob no come? inquired Lee Chang, poking his head out of the door again. Fast developing into a good American, his natural trait of curiosity gave him the advantage of acquiring information blandly and with ease. Betty shaded her eyes with her hand. The Oklahoma sun was pitiless. Far up the road that ran straight away from the bunk house a faint cloud of dust was rising. He’s coming now, said the girl confidently. Lee Chang grunted and returned to his work, satisfied that whatever Betty was waiting for would soon be at hand.
