What If You Could Unscramble an Egg? Robert Ehrlich,1996 A whimsical construction of an imaginary dialogue between two people intent on understanding esoteric topics that range from human sexuality to physics. Ehrlich (physics, George Mason U.) is dedicated to making the sciences fun and interesting, and though the conceit is cute, the information it contains is dynamic and scientifically sound, posing interesting questions and speculations on life in the universe, human behavior, perception, gravity, material properties, physics, time, space, and a sample list of What ifs? to pursue on one's own. The answer to the title's question (we were dying to know) is that, in part, it's all a matter of probabilities. The promotional material says the cartoons are humorous. Not. Positive Word Scrambles (Fun Positive Visualization) Chris McMullen,Carolyn Kivett,2011-10-22 Trying to be and stay positive? Want to visualize a positive future? Would you like a fun and relaxing way to do it? That's just what this book of positive word scrambles is for. Sit in a comfy chair, grab a pencil, and unscramble letters to form positive words and phrases. Each puzzle consists of a group of related positive words or phrases, like 'wonderful,' 'on cloud nine,' 'celebration,' and 'way to go.' All of the positive words or phrases from the same puzzle are related in some way. For example, they might all be fun places, ways to relax, compliments, or celebratory phrases. Knowing that the words in each puzzle are related may help you unscramble any words or phrases that you don't see right away. A hints section at the back of the book provides the first letter of each answer, which is handy if you just need a little help; a separate section provides the answers so that you can check your solutions. The puzzle pages are decorated with smiley faces, plus signs, sunshine, and encouraging remarks. Smile!

Unscramble Bible Word Puzzles ?For Adults & Kids Omolove Jay,2016-10-14 Unscramble Bible Words For the Knowledge of God is ideal for both children and parents alike. Yes, you can help your kids to increase their knowledge of the word of God (The Holy Bible) in an atmosphere of fun and relaxation, while sharpening their spelling skills and their ability to reason fast. Unscrambling Bible word puzzles can equally make committing the word of God to memory really fast as well as interesting. These puzzles are also educational as they help you to see the bible from a totally different point of view. This is because the kids will find that there are certain words in the bible that they thought never existed in the bible prior to laying their hands on this puzzle book.... However, you need to note that all words are from the King James Version (KJV) of the bible so as to keep it real... if you know what I mean. So, get started by trying to unscramble the provided letters in the box given below, though, I have given a hint in form of bible quotations located at the end of each scrambled words.

Notwithstanding, I will advise that you first try your hands on what you can do before referring to the hint scripture. I can assure you that at the end of unscrambling over 100 scrambled bible words, you can definitely not remain the same again as the word of God is known to transform and not just to inform. So, go ahead and have fun, while getting positively transformed. This puzzle book is suitable for ages 5 years and above. Adults can also use it because God's word is not bound by time and age. You can also find the solution to each scrambled words on the solution page located at the back of the book.
