Dictionary of Hindu Lore and Legend Anna L. Dallapiccola,2002-11-17 Provides over 1,000 accessible, informative and authoritative entries that answer any major question about Hinduism, it's mythology, practices, customs and laws India is so vast that each of its regions is a land in its own right, with diverse languages, customs, and cultural traditions. Yet shared social systems, firmly grounded in religious beliefs, provide the cohesive force that unites over a billion people of different backgrounds. Hinduism is the main religion of India, and this new dictionary provides an unrivaled insight to all aspects of Hindu life, past and present. Some thousand illustrated entries elucidate the history of Hinduism, its mythology, art, architecture, religion, laws, and folklore. The development of Hinduism is presented from its ancient manifestations in local cults and epic poems to modern-day festivals and customs worldwide. The complex relationship between the multitude of gods, goddesses, and semi-divine beings is brought to light in the articles on religion and mythology, while its rich imagery is revealed in the entries on architecture, sculpture, painting, dance, and theater, including works of art illustrated here for the first time. Food and etiquette, the caste system, Ayurvedic medicine, love and marriage, and contemporary practices are just a few of the topics explored. Maps and entries on the major cities and places of pilgrimage in India, as well as a concise chronology and a list of principal dynasties, provide a clear overview of the geography, history, languages, and vibrant religious and cultural traditions of Hinduism. This volume will serve as a lively and indispensable guide for those preparing a visit to India, for Indians living in the West, for students, or for anyone interested in the subcontinent. 275 b/w illustrations.

History of civilizations of Central Asia Asimov, Muhammad Seyfeydinovich,Bosworth, Clifford Edmund,UNESCO,1998-12-31 Part One: The Historical, Social and Economic SettingDuring the eight centuries covered in this volume, the new faith of Islam arose in Arabia and gradually spread eastwards and northwards, eventually affecting much of Central Asia, the southern fringes of Siberia and the eastern regions of China. These were also the centuries in which nomadic and military empires arose in the heart of Asia, impinging on the history of adjacent, well-established civilizations and cultures (China, India, Islamic Western Asia and Christian eastern and central Europe) to an unparalleled extent. Lamaist Buddhism established itself inthe Mongolian region and in Tibet and Islam among the Turkish people of Transoxania, southern Siberia and Xinjiang. It was in Eastern Europe, above all in Russia, that the Turco-Mongol Golden Horde was to have a major, enduring influence on the course of the region's history.

Nadkarni,2014 'Ethics for our Times' presents a comprehensive analysis of ethics as a conceptual framework and as a guide to action in tackling the problems of modernizing societies. Tidings of the King Phillip B. Wagoner,1993 Tidings of the King presents an annotated translation and study of the Rayavacakamu, a medieval South Indian historiographic text in Telugu dealing with the reign of Krishnadevaraya (r. 1509-1529), the best-known ruler of the Vijayanagara empire. Although often taken to be a contemporary document of Krishnadevaraya's period, the Rayavacakamu is in fact a historiographic representation of that period written some ninety years later at the Nayaka court of Madurai, one of Vijayanagara's most important successor states. In his ethnohistorical introduction to the translation, Phillip Wagoner argues that one of the primary purposes of the text is to articulate an ideological argument for the political legitimacy of the Madurai Nayaka regime. By historicizing Madurai's relationship of subordination to Vijayanagara, the text affirms Nayaka legitimacy at the same time that it denies the authority of the contemporaneous Vijayanagara rulers of the Aravidu house. According to the implications of the text, the rulers of this last Vijayanagara dynasty were perceived in Madurai as bereft of ritual authority due to their loss of the fundamental source of that authority: the city of Vijayanagara itself, destroyed in 1565 by a coalition of Muslim forces. Tidings of the King will be welcomed by scholars and students occupied with any aspect of medieval South India, and it will appeal to a broader readership as well. Furthermore, the book will be of interest to historians of religion concerned with the Hindu-Muslim encounter, since the Rayavacakamu articulates one of the earliest examples of a systematic anti-Islamic polemic in South India, as discussed in detail by Dr. Wagoner in his introduction. On a more general level, anyone with an interest in the nature and functions of historiographic discourse in non-Western cultures will appreciate this

book, as it offers one of the first complete translations of an Indian historiographic text in a vernacular language.

Female Ascetics in Hinduism Lynn Teskey Denton,2012-02-01 Provides both a first-hand look at and an insightful analysis of a little-known world—that of female ascetics in India. Female Ascetics in Hinduism provides a vivid account of the lives of women renouncers—women who renounce the world to live ascetic spiritual lives—in India. The author approaches the study of female asceticism by focusing on features of two dharmas, two religiously defined ways of life: that of woman-as-householder and that of the ascetic, who, for various reasons, falls outside the realm of householdership. The result of fieldwork conducted in Varanasi (Benares), the book explores renouncers' social and personal backgrounds, their institutions, and their ways of life. Offering a first-hand look at and an insightful analysis of this little-known world, this highly readable book will be indispensable to those interested in female asceticism in the Hindu tradition and women's spiritual lives around the world. Lynn Teskey Denton (1949–1995) was Assistant Professor of Religion at Concordia University and also taught at McMaster University.
