

Vienna

Michael Leidig, Irene Zoch

Interwar Vienna Deborah Holmes, Lisa

Silverman, 2009 Although beset by social, political, and economic instabilities, interwar Vienna was an exhilarating place, with pioneering developments in the arts and innovations in the social sphere. Research on the period long saw the city as a mere shadow of its former imperial self; more recently it has concentrated on high-profile individual figures or party politics. This volume of new essays widens the view, stretching disciplinary boundaries to consider the cultural and social movements that shaped the city. The collapse of the Austro-Hungarian Empire resulted not in an abandonment of the arts, but rather led to new forms of expression that were nevertheless conditioned by the legacies of earlier periods. The city's culture was caught between extremes, from neopositivism to cultural pessimism, Catholic mysticism to Austro-Marxism, late Enlightenment liberalism to rabid antisemitism. Concentrating on the paradoxes and often productive tensions that these created, the volume's twelve essays explore achievements and anxieties in fields ranging from modern dance, theater, music, film, and literature to economic, cultural, and racial policy. The volume will appeal to social, cultural, and political historians as well as to specialists in modern European literary and visual culture. Contributors: Andrea Amort, Andrew Barker, Alys X. George, Deborah Holmes, Jon Hughes, Birgit Lang, Wolfgang Maderthaner, Therese Muxeneder, Birgit Peter, Lisa Silverman, Edward Timms, Robert Vilain, John Warren, Paul Weindling. Deborah

Holmes is Researcher at the Ludwig Boltzmann Institute for the History and Theory of Biography in Vienna. Lisa Silverman is Assistant Professor of History and Jewish Studies at the University of Wisconsin-Milwaukee.

Vienna Nicholas Parsons,2008-12-09 From border garrison of the Roman Empire to magnificent Baroque seat of the Hapsburgs, Vienna's fortunes swung between survival and expansion. By the late nineteenth century it had become the western capital of the sprawling Austro-Hungarian Monarchy, but the twentieth century saw it degraded to a 'hydrocephalus' cut off from its former economic hinterland. After the inglorious Nazi interlude, Vienna began the long climb back to the prosperous and cultivated city of 1.7 million inhabitants that it is today. Subjected to constant infusions of new, Vienna has both assimilated and resisted cultural influences from outside, creating its own sui generis culture.

Vienna Angus Robertson,2021-10-07 Vienna is unique amongst world capitals in its consistent international importance over the centuries. From the ascent of the Habsburgs as Europe's leading dynasty to the Congress of Vienna, which reordered Europe after Napoleon, to bridge- building summits during the Cold War, it is the Austrian capital that has been the scene of key moments in European and world affairs. History has been shaped by scores of figures influenced by their time in Vienna, including: Empress Maria Theresa, Count Metternich, Bertha von Suttner, Theodore Herzl, Gustav Mahler, Adolf Hitler, Josef Stalin, John F. Kennedy and many others. In a city of great

composers and thinkers it is here that both the most positive and destructive ideas of recent history have developed. From its time as the capital of an imperial superpower, through war, dissolution, dictatorship to democracy Vienna has reinvented itself and its relevance to the rest of the world.

Rick Steves Vienna, Salzburg & Tirol Rick Steves,2017-04-18 You can count on Rick Steves to tell you what you really need to know when traveling in Vienna. With this guide, you'll explore elegant Vienna—the epicenter of opera, coffee, Art Nouveau, and waltz music. Meander through Habsburg palaces and nibble a Sacher torte in a velvet-lined café. In the evening, catch a classical concert, or sip wine with the locals in a traditional Heuriger garden. Beyond Vienna, stroll the Baroque street of Salzburg, home to Mozart and The Sound of Music for a taste of the Alpine living, head to the snowy peaks and green valleys of Tirol. Rick's candid, humorous advice will guide you to good-value hotels and restaurants. He'll help you plan where to go and what to see, depending on the length of your trip. You'll get up-to-date recommendations about what is worth your time and money. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket.

Modern Vienna Egbert Klautke,2024-10-17 This book provides a concise history of the capital city of Vienna in modern times. It includes a

comprehensive outlook on the development of the city in social, economic and cultural terms. Modern Vienna has a special focus on the period between the Austro-Hungarian settlement in 1867 and the end of the Second World War, and in particular the fin-de-siècle around 1900. The book combines approaches to the cultural and social history of Vienna with its political history, and presents a reliable introduction to students of the Habsburg Empire and its successor states. In addition, it provides an important case study for readers interested in urban history more generally. Where possible, the development of the city of Vienna is compared with other major cities in the Habsburg Empire and Germany, and to other key Western cities that have been depicted as centres of modernity and modernism. This comparative perspective allows Egbert Klautke to deliver a fascinating re-assessment of the established view that Vienna circa-1900 was the 'birthplace of modernity'. It is an important volume for all students of modern Viennese, Austrian and Central European history.

Lonely Planet Vienna Lonely Planet, Catherine Le Nevez, Kerry Christiani, Donna Wheeler, 2017-05-01
Lonely Planet Vienna is your passport to all the most relevant and up-to-date advice on what to see, what to skip, and what hidden discoveries await you. Nibble your way along the market stands of the Naschmarkt, twirl at heady heights on the Prater ferris wheel, then ponder imperial excess in Schloss Schonbrunn.

Vienna Ilsa Barea, 1966

Schubert's Vienna Raymond Erickson, 1997-01-01

The Vienna in which Franz Schubert lived for the thirty-one years of his life was not just a city of music, dance, and coffeehouses - a centre of important achievements in the arts. It was also the capital of an empire that was constantly at war in the composer's youth and that became a police state during his maturity.

The Palaces of Vienna Wolfgang Kraus, Peter Müller, 1993

Vienna Karl Albrecht-Weinberger, 2004

Black Vienna Janek Wasserman, 2014-08-21 Interwar Vienna was considered a bastion of radical socialist thought, and its reputation as Red Vienna has loomed large in both the popular imagination and the historiography of Central Europe. However, as Janek Wasserman shows in this

book, a Black Vienna existed as well; its members voiced critiques of the postwar democratic order, Jewish inclusion, and Enlightenment values, providing a theoretical foundation for Austrian and Central European fascist movements. Looking at the complex interplay between intellectuals, the public, and the state, he argues that seemingly apolitical Viennese intellectuals, especially conservative ones, dramatically affected the course of Austrian history. While Red Viennese intellectuals mounted an impressive challenge in cultural and intellectual forums throughout the city, radical conservatism carried the day. Black Viennese intellectuals hastened the destruction of the First Republic, facilitating the establishment of the Austrofascist state and paving the way for Anschluss with Nazi Germany. Closely observing the works and actions of Viennese reformers, journalists, philosophers, and scientists, Wasserman traces intellectual, social, and political developments in the Austrian First Republic while highlighting intellectuals' participation in the growing worldwide conflict between socialism, conservatism, and fascism. Vienna was a microcosm of larger developments in Europe—the rise of the radical right and the struggle between competing ideological visions. By focusing on the evolution of Austrian conservatism, Wasserman complicates post-World War II narratives about Austrian anti-fascism and Austrian victimhood.

Vienna Rolf Toman, 2018-04-25 At the mention of Vienna, many visitors think of Sachertorte, romantic open carriage trips and an evening in one

of local wine taverns. But the old imperial city has much more to offer - Vienna presents a comprehensive, richly illustrated view of the art treasures to be found in the Danube metropolis. The main focus is on the baroque era with its magnificent church buildings and palaces including the Hofburg, Schönbrunn and Belvedere; historicism with its architectural highlights on the new Ringstrasse; and Viennese art nouveau including artists Gustav Klimt and Oskar Kokoschka, the Wiener Werkstätte und Sezession. Well-founded essays on the beginnings of the history of art in Vienna and on the state of contemporary Viennese art round off the book.

DK Eyewitness Travel Guide Vienna- showing you what others only tell you.

Vienna & Chicago, Friends or Foes? Mark Skousen, 2016-03-01 Is the bridge between the Austrian and Chicago schools coming together or moving apart? In Vienna and Chicago, Friends or Foes? economist and author Mark Skousen debates the Austrian and Chicago schools of free-market economics, which differ in monetary policy, business cycle, government policy, and methodology. Both have played a successful role in advancing classic free-market economics and countering the critics of capitalism during crucial times and the battle of ideas. But, which of the two is correct in its theories?

Vienna's Dreams of Europe Katherine Arens, 2015-10-22 Vienna's Dreams of Europe puts forward a convincing counter-narrative to the prevailing story of Austria's place in Europe since the Enlightenment. For a millennium, Austrian writers have used images of Europe and its hegemonic culture as their political and

cultural reference points. Yet in discussions of Europe's nation-states, Austria appears only as an afterthought, no matter that its precursor states—the Holy Roman Empire, the Austrian Empire, and Austria Hungary—represented a globalized European cultural space outside the dominant paradigm of nationalist colonialism. Austrian writers today confront reunited Europe in full acknowledgment of Austro-Hungary's multicultural heritage, which mixes various nationalities, ethnicities, and cultural forms, including ancestors from the Balkans and beyond. Challenging standard accounts of 18th- through 20th-century European imperial identity construction, Vienna's Dreams of Europe introduces a group of Austrian public intellectuals and authors who have since the 18th century construed their own public as European. Working in different terms than today's theorist-critics of the hegemonic West, Katherine Arens posits a political identity resisting two hundred years of European nationalism.

Vienna and the Viennese (Classic Reprint) Maria Hornor Lansdale, 2017-07-23 Excerpt from Vienna and the Viennese One had, to be sure, the satisfaction of knowing that all the foreign ambassadors were subjected to a super vision if anything more severe and irritating. On one occasion a certain English ambassador, who was some thing of a wag, aware that all his letters passed through the cabinet noir, conceived the idea of making a very slight alteration in his seal. The change passed unobserved, and his letters continued to reach their destination bearing the old seal. Encountering M. De Metternich at a reception one

day, he said to him care lessly, Oh, by the way, Prince, you might mention to your people that we have altered our seal at the Embassy; they seem not to have noticed it. Dances! Muttered the Prince, between his teeth, and marched off without. Another word. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Vienna Introduction

In today's digital age, the availability of Vienna books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Vienna books and manuals for download, along with some popular platforms

that offer these resources. One of the significant advantages of Vienna books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Vienna versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Vienna books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a

professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Vienna books and manuals, several platforms offer an

extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Vienna books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Vienna books and manuals for download have transformed the way we access information. They provide a cost-

effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Vienna books and manuals for download and embark on your journey of knowledge?

FAQs About Vienna Books

How do I know which eBook platform is the

best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and

ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Vienna is one of the best book in our library for free trial. We provide copy of Vienna in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Vienna. Where to download Vienna online for free? Are you looking for Vienna PDF? This is definitely going to save you time and cash in something you should think about.
