Vikings Rachel Tsoumbakos,2017-09-15 Lagertha was known to be one of the wives of the famous Viking, Ragnar Lodbrok. But did you know they first met each other at a brothel? And just how long did their marriage last? Was Lagertha really the revered shield maiden we see her as today? 'Vikings: The Truth About Lagertha And Ragnar' aims to unravel all these secrets. 'Vikings: The Truth About Lagertha And Ragnar' is so much more than a history book though. In Part One their story is brought to life with a historically accurate retelling. Part Two then explores the historical facts surrounding this story. 'Vikings: The Truth About Lagertha And Ragnar' aims to discover just how much of what we know of the shield maiden, Lagertha, and the famous Ragnar Lodbrok in popular culture today is actually true. The 'Viking Secrets' series explores the historical fact from present day fiction in regards to the Vikings and other key historical figures that existed in the Viking era.

River Kings Cat Jarman,2022-02-01 Follow an epic story of the Viking Age that traces the historical trail of an ancient piece of jewelry found in a Viking grave in England to its origins thousands of miles east in India. An acclaimed bioarchaeologist, Catrine Jarman has used cutting-edge forensic techniques to spark her investigation into the history of the Vikings who came to rest in British soil. By examining teeth that are now over one thousand years old, she can determine childhood diet—and thereby where a person was likely born. With radiocarbon dating, she can ascertain a death-date down to the range of a few years. And her research offers enlightening new visions of the roles of women and children in Viking culture. Three years ago, a Carnelian bead came into her temporary possession. River Kings sees her trace the path of this ancient piece of jewelry back to eighth-century Baghdad and India, discovering along the way that the Vikings' route was far more varied than we might think—that with them came people from the Middle East, not just Scandinavia, and that the reason for this unexpected integration between the Eastern and Western worlds may well have been a slave trade running through the Silk Road, all the way to Britain. Told as a riveting history of the Vikings and the methods we use to understand them, this is a major reassessment of the fierce, often-mythologized voyagers of the North—and of the global medieval world as we know it.

**The Vikings** Njord Kane,2015-08-11 The story of the Norse is a Viking adventure in history. The Norse saga began with the first ancient tribes of Norsemen during the Early Nordic Stone Age. The beginning of the Nordic Ax Culture when primitive Norsemen created their first battle axes from stone. The evolution of an innovative and progressive culture that groomed legendary warriors whose voices still roar out today. Take a journey into the Age of Viking Expansion where Ragnar Lothbrok, Rollo, Erik the Red, and many other famous Vikings take you on a ride into the very Halls of Valhalla. Very interesting and worth the read to anyone interested in the Vikings or Norse history. Explore knowledge and technology specific to a culture that was shaped by a people able to reach great distances beyond their homelands and seas. A battle ferocious people with shields, armor, and weaponry that was unmatched by their opponents. A whole new world of understanding about the ancient vikings has been opened up by new archaeological discoveries and studies. New findings that lead to new questions. Could some of the mythological tales about giants in the Norse Sagas have had some truth behind them? Researchers have found proof of giants and humans interacting together in our own DNA! There are also many shared technologies between the Ancient Norse, Asians, the Inuit and other North American aborigines. Viking explorers have long interacted and traded with many people and cultures afar. Were ancient Norse already in contact with early Native Americans? Were these the people they referred to as Skraelings? Were they Proto-Inuits known by the ancients as Thule People? See for yourself with new information about the Norse that was once lost in time.

*Yo, Vikings!* Judy Schachner, 2002-06-03 Yo-wee-o! In a milestone picture book, author-illustrator Judith Byron Schachner brings us an inspiring story about making dreams come true, seasoned with a hearty helping of heroic Viking history and lore. Emma is excited as she starts to read about Erik the Red for a school report on world explorers. The excitement grows to epic proportions when she sets her sights on obtaining a real Viking ship. With a tinfoil helmet, a fighting spirit, and the help of a kindly librarian, she hatches a plan . . . and amazes her entire town when an authentic, dragon-prowed ship arrives in her backyard! Rich with details and humor in art and text, this is a tale about the magic of discovery and how far imagination, fueled by knowledge, can take one determined little girl.

The Vikings Neil Price, Ben Raffield, 2023-07-12 *The Vikings* provides a concise but comprehensive introduction to the complex world of the early medieval Scandinavians. In the space of less than 300 years, from the mid-eighth to the mid-eleventh centuries CE, people from what are now Norway, Sweden, and Denmark left their homelands in unprecedented numbers to travel across the Eurasian world. Over the last half-century, archaeology and its related disciplines have radically altered our understanding of this period. *The Vikings* explores why we now perceive them as a cosmopolitan mix of traders and warriors, craftworkers and poets, explorers, and settlers. It details how, over the course of the Viking Age, their small-scale rural, tribal societies gradually became urbanised monarchies firmly emplaced on the stage of literate, Christian Europe. In the process, they transformed the cultures of the North, created the modern Nordic nation-states, and left a far-flung diaspora with legacies that still resonate today. Written by leading experts in the period and exploring the society, economy, identity and world-views of the early medieval Scandinavian peoples, and their unique religious beliefs that are still of enduring interest a millennium later, this book presents students with an unrivalled guide through this widely studied and fascinating subject, revealing the fundamental impacts of the Vikings in shaping the later course of European history.

*The Vikings* Kirsten Wolf, Tristan Mueller-Vollmer, 2018-09-14 This book explores 11 popular misconceptions about the Vikings. Each chapter looks at a particular misconception, examines how it became popular, discusses what we now believe to be the truth, and provides excerpts from primary source documents. When people think of the Vikings, they often envision marauding barbarians who lived violent lives. While a number of mistaken beliefs about the Vikings have become engrained in popular culture, they are not grounded in historical facts. This book examines popular misconceptions related to the Vikings and the historical truths that contradict the fictions. The book discusses 11 mistaken notions about the Vikings, with each fiction treated in its own chapter. Topics include whether the Vikings wore horned helmets, whether they were unhygienic, whether they had primitive weapons, whether they drank out of skull cups, and more. Each chapter examines how the misconception proliferated and discusses what we now believe to be the facts contradicting the fictions. Excerpts from primary source documents help readers to understand how the misconceptions came to be throughout history and provide evidence for the historical truths.

**The Vikings and Their Age** Angus A. Somerville, Russell Andrew McDonald, 2013-01-01 *The Vikings and Their Age* offers a quick overview of the chronology and major themes of the Viking period. Written in an accessible manner, it also provides a great introduction to some of the most interesting and significant figures in Viking lore, such as Harald Bluetooth, Eirik the Red, Leif Eiriksson, and Gudrid Thorbjarnardottir, a female Viking traveller. Insights and evidence from such diverse disciplines as archaeology, philology, linguistics, and genetics are provided.

**True Myth** Nashid Al-Amin, 2013-02-21 Why is it that encyclopedias assert the Vikings, or Norsemen, landed in parts of North America, yet the Vikings have never been credited with its discovery? Historians bestow this honor on Christopher Columbus, who ventured here five hundred years after the Vikings, having never set foot on the continent! **True Myth: Black Vikings of the Middle Ages** takes the reader where he or she has never been before. We have always been told that Vikings, or Norsemen, were tall, blond, white and blue-eyed an image that has been presented to us in books and films. Now comes a book that challenges this centuries-old assertion, presenting evidence that these vaunted warriors were not the people popular historians have told us they were. The author presents evidence that white-skinned peoples in England, Ireland, and Wales referred to Vikings as black pagans and black devils. The extent of their dominance in Europe is examined in fact, the author presents a reassessment of Europe that some readers will find difficult to believe, beginning with man's migrations into the continent and examining a number of black-skinned peoples who called Europe home from very ancient times almost to the present. The reader has never read a book like this filled with quotations from noted historians as well as from several Icelandic sagas that will take the reader on a journey he or she has never imagined! A more accurate picture of Europe has never been presented before. The writer revisits the last ice age, presents evidence of the heavy presence of blacks in ancient Europe, and revisits ancient Greece, Rome, and areas of Asia, discussing the presence of black-skinned peoples in them before arriving in Viking-age Scandinavia when Norsemen embarked on a three-century-long assault on the continent and began migrating to Iceland and other areas of North America. Once the reader has completed **True Myth: Black Vikings of the Middle Ages**, he or she will have to question what he or she has been taught, historians once thought to be trustworthy, and the notion that the races were strictly divided and had never intermingled. There has never been a truer picture of Europe written, and the reader now has the opportunity to embark on the most thrilling journey he or she will ever take.

**Viking Tales: The Eye of the Viking God** Terry Deary, 2012-03-29 Norway, 793 AD. Fleece was snatched by Viking warriors when she was a young girl. Now she must work for a bullying farmer and his family, looking after their sheep. She longs to return to the country where she was born, but how will she ever make that journey back across the sea? Terry Deary's **Viking Tales** explore the world and mythology of the Vikings through the eyes of children who could have lived at the time. These stories feature real people from history and take place in some of the most recognizable Viking settings Book band: Brown

**Winter Viking** Ree Thornton, 2020-06-30 Winter Viking A Viking queen on the run... Widow Ásta Helgesen's husband died years ago in a brutal attack that cost her everything she loved. For four years, she has lived as Ásta Oleander, hiding in plain sight as she mourns her husband. The one time she took a man to her furs, the crushing guilt overwhelmed her brief need to move and she vowed Dànel would be the last. Now the maniacal Jarl who killed her husband has discovered she's alive and is determined to make her his bride. He's dangerous, powerful and will stop at nothing to get what he wants. Forced to flee, Ásta journeys to the bitterly cold northlands to seek sanctuary in the isolated lands of a man she bedded once, and then rejected. Will he protect her from a murderer? Or has she made a terrible mistake? A warrior with a painful past... Following the death of his brother, Dànel Kvítjell has returned to the Sámi northlands to take over the shipping fleet that supports the family village. Yet everything reminds him of the tragedy that led to his childhood banishment and he realises that, after more than a decade fostered with Vikings, his family now feel more like strangers. All he wants is to fulfill his duty to his people and return to life with his Viking comrades, but the unexpected arrival of Ásta and her dangerous secrets jeopardizes everything. Why has the

woman who rejected his affections sought him out? Forced to flee deep into the wilderness with Ásta, Dànel must confront the painful past that haunts him. Can he protect Ásta from both the man hunting her and the harsh winter land where one mistake can steal those you love?

Vikings at War Kim Hjarðar, Vegard Vike, 2016-11-22 An illustrated guide to Viking warfare from strategy and weapons to culture and tradition: "a very excellent introduction to the Viking age as a whole" (Justin Pollard, historical consultant for the Amazon television series Vikings). From the time when sailing was first introduced to Scandinavia, Vikings reached virtually every corner of Europe and even America with their raids and conquests. Wherever Viking ships roamed, enormous suffering followed in their wake, but the encounters between cultures also brought immense change to both European and Nordic societies. In *Vikings at War*, historian Kim Hjarðar presents a comprehensive overview of Viking weapons technology, military traditions and tactics, offensive and defensive strategies, fortifications, ships, and command structure. The most crucial element of the Viking's success was their strategy of arriving by sea, attacking with great force, and withdrawing quickly. In their militarized society, honor was everything, and ruining one's posthumous reputation was considered worse than death itself. *Vikings at War* features more than 380 color illustrations, including beautiful reconstruction drawings, maps, cross-section drawings of ships, line-drawings of fortifications, battle plan reconstructions, and photos of surviving artifacts, including weapons and jewelry. Winner of Norway's Saga Prize, *Vikings at War* is now available in English with this new translation. "A magnificent piece of work [that] I'd recommend to anyone with an interest in the Viking period." —Justin Pollard, historical consultant for the Amazon television series Vikings

**People of the Songtrail** W. Michael Gear, Kathleen O'Neal Gear, 2015-05-26 From New York Times and USA Today bestselling authors Kathleen O'Neal Gear and W. Michael Gear comes an epic story of the first contact between Native Americans and Vikings. On the shores of what is now northeastern Canada, a small group of intrepid settlers have landed, seeking freedom to worship and prosper far from the religious strife and political upheaval that plague a war-ridden Europe . . . 500 years before Columbus set sail. While it has long been known that Viking ships explored the American coast, recent archaeological evidence suggests a far more vast and permanent settlement. It is from this evidence that archaeologists and early American history experts Kathy and Michael Gear weave their extraordinary tale. Based on recent archaeological discoveries, *People of the Songtrail* is the saga of the first European settlers to land on the shores of the new world. It is a story, like so many in America's history, of the swift and violent clash of cultures, and extraordinary men and women on both sides who are brave enough to work for the fragile hope of peace. A story that has remained untold, until now. It's a very satisfying reading experience – a winning entry in this venerable series. - Open Letters Monthly At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
