Sri Vishnu Sahasranama Swami Tapasyananda,2022-05-06 Sri Vishnu Sahasranamam is one of the most popular texts among the Hindus. It at once appeals to the heart and the mind of the devotee. The Sahasranamam brings out the universality of the Divine and is therefore fit to be chanted by all. This book contains original verses in Sanskrit, their transliterations and translations. The translation into English has been done by Swami Tapasyananda on the lines of Sri Shankaracharya's commentary. The mode of presentation is just like a lexicon which at once helps

a person to look out for any needed term and contemplate on it. The namavali at the end would be useful for chanting purposes. This work would be useful to anyone who would like to purify his mind by contemplating the names and their meanings. Vishnu Sahasranama V. Ravi, Vishnu means all pervading. Vishnu is the administrator of the universe. He puts in place, the laws of the universe and administers the universe strictly according to the law. He is a strict disciplinarian, yet highly compassionate in nature. He presides over all the seven planes of the universe. The abode of Vishnu is supposed to be the Supreme one. He has prescribed various paths through which one has to travel to reach His abode, the point of no return for a soul, known as liberation. He has been referred to in Vedas. Without Vishnu, no fire ritual is complete. He is quite often referred to as Purusha, the Supreme Soul. His famous sleeping posture on Ananta, the snake, who floats on the ocean of milk, is very well known. This posture is not merely a gross description, but has got subtle meaning.

Ananta means infinite and the milk of ocean refers to the eternal bliss. He lies in the ocean of eternal bliss. Those who seek Him. also enter the state of bliss at some point of time. He incarnates in different forms to destroy evil doers. His avatars occur whenever there is imbalance between morality and immorality. When immorality begins to dominate over morality He incarnates. His notable incarnations are Lord Rama and Lord Krishna. The scene of unfolding this great Sahasranama happened in the great epic Mahabharata authored by sage, Veda Vyasa. Bhisma was lying on a bed made of arrows awaiting his death. At that time, he was meditating on Krishna. Knowing this, Krishna asked Yudhishthira (eldest among Pandava brothers and known for his righteousness) to seek spiritual initiation from Bhisma and also told Bhisma to initiate Yudhishthira. Yudhishthira asks Bhisma kimekam daiyatam loke meaning who is the Supreme Lord of the world. Bhisma replies by saying, that the purest, the most auspicious, the chief among the gods and the father of all the beings is the One who is Supreme, referring to Lord Vishnu. This conversation appears in the prrvabhag of this Sahasranama. The spiritual initiation of Yudhishthira by Bhisma is Vishnu Sahasranama. Krishna was also present when this happened and this Sahasranama was blessed by the Lord Himself. Vishnu is also known as Narayana. Garuda Purana (III.24.54, 55) explains the etymological meaning of Narayana. "As He is the resort of merits and demerits and as He abides in the waters of ocean, He is called Narayana. Water is also called nara (probably meaning cosmic water); as His Abode is water, He is called Narayana." Vishnu is the most auspicious form of the Brahman. He is not only invoked during auspicious occasions, but also while performing funeral rites. At the time of conclusion of all rituals, the effect of the rituals are surrendered to Vishnu. Vishnu Sahasranama consists of three parts - purvabhag or the first part; stotrabhag or the main part from which one thousand names or nama-s are composed; and uttarabhag or the concluding part. The main part consists of 108 couplets from which

all the 1000 nama-s are derived. Apart from these three parts, this Sahasranama has seven dhyana verses by which one can meditate upon His auspicious form. All the one thousand nama-s have been interpreted based on ancient Scriptures like Upanishad-s. Wherever possible, quantitation from Upanishad-s and other Scriptures have been used. Many of the nama-s are interpreted from the point of view of attaining Him to get liberation. Wherever needed, Sanskrit verses have been used along with IAST, for the sake of proper pronunciation.

Vivekananda: His Call to the Nation Swami Vivekananda, In today's India, the scene that presents itself before any impartial observer is a welter of conflicting ideologies amidst drift and restlessness. In such a situation, the youth of the country are restive. They seek an answer. Swami Vivekananda's words, touching upon every facet of our national life, provide answers to questions that agitate both the individual and society. Vivekananda's words are as pertinent today as when they were uttered more than a hundred years ago and his words carry an appeal not just to the people of India, but to the nation of humankind. The book published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, is a compilation of short excerpts taken from the Complete Works of Swami Vivekananda arranged under the following headings: Faith and Strength Powers of the mind Man: The Maker of his Destiny Education and Society Serve Man as God Religion and Ethics India: Our Motherland Other Exhortations The first third of the book presents a brief life of Swami Vivekananda.

Shri Shiva Sahasranamastotram Namavali Swami Chinmayananda, These thousand names of the Lord provide us with a thousand clear arrow-marks rising from the known, indicating the Unknown. Contemplation upon these can deepen our faith, broaden our devotion and steel our understanding of the all-pervading Reality, Shiva. Since each of them is thus an indicative definition of the Unknown in terms of the known, each term here can rocket us up into the realms of the divine experience only when we have lifted our minds towards It though contemplation. Thus, the Shiva Sahasranama is employed, not only by the devotees in the sweet attitude of sporting with the Lord, but they are also employed by contemplative students of philosophy as gliders to roam in the realms of inspired higher Consciousness.
