*Beginner's Dictionary of USA English: Truespel* Thomas E. Zurinkas, 2006-02-15 This dictionary of USA English is directly taken from the Voice of America (VOA) "Intermediate Dictionary of English." There are about 1,500 words in the dictionary. The VOA uses these words primarily for broadcasting in a simplified English mode. The words and definitions in this book are exactly as in the VOA version. However, because there is no pronunciation guide in the VOA version, a truespel pronunciation

guide is provided modeled after the voicings of English on m-w.com, the Merriam-Webster talking dictionary. Unique to this dictionary is a reverse guide that lists phonetic words alphabetically so they can be looked up phonetically. This solves the problem of silent first letters. A large volume reverse dictionary will be available as truespel book 2. More info is available at truespel.com.

**The Diamond Lens and Other Stories** Fitz-James O'Brien,Fitz James O'Brien,2023-12-01 An absorbing and haunting collection of early science fiction tales by an Irish-American author Fitz-James O'Brien capitalized on the success of his predecessors Edgar Allan Poe and Mary Shelley in writing disturbing stories with demented protagonists, and this collection of three tales shows his mastery of the macabre. The Diamond Lens tells of a lone scientist's discovery of a microcosmic world within a drop of water, and his growing obsession with the beautiful Animula, a fair maiden within this world which he can see but never enter. His uncompromising pursuit of knowledge at any cost foreshadows the mad scientist familiar to readers in a multitude of works. In What Was It? an invisible man is discovered by residents of a boarding house. The residents' capture and investigation of the creature blends the fantastic with the scientific as they seek rational explanations for this extraordinary phenomenon. The Wondersmith is a macabre tale of an embittered toymaker who seeks revenge upon the society that has persecuted him by creating demonic mannequins and imbuing them with life in order to slaughter the masses— a fantastic melodrama in which the cunning Wondersmith is offset by the unassuming and unlikely hero Solon the hunchback, in love with the villain's daughter.
