The Unsettling Peter Rock,2016-09-13 Populated by strangers, ghosts, and other shadowy figures, the thirteen stories in *The Unsettling* attend to those startling moments when what we have understood as familiar is suddenly revealed as mysterious and foreign. A lonely man saving library books from an outbreak of mold listens to a coworker's tale about a blind woman and imbues it with his own sense of romance; a woman drives a Gold Firebird through the desert with a television playing Rockford Files reruns on the passenger seat; and a girl returns to her childhood home to spy on its new inhabitants, not realizing they are aware of her surveillance; a Poe-obsessed medical examiner constructs ornate scenes in an attempt to provoke hope in the forgotten lives of a dark and desperate city. Told through Rock's imaginative and wholly original voice, these are haunted tales about fascination, transformation, and the relationship between the two.

Medium9 Donna Smith-Moncricieffe,2015-06-18 Humankind has always been in search of new ways to harness inner powers to ensure that our full potential can be reached. In *Medium9*, Smith-Moncricieffe unlocks the secrets of consciousness by taking readers on a fascinating adventure. Experience the power of spiritual energy as ordinary people are reunited with loved ones who materialize and return from the spirit world to communicate during physical mediumship sances. Learn about the extraordinary benefits each of us can achieve during out-of-body experiences and astral travel. Gain insight into the secrets of energy healing with authentic healers who manipulate energy to produce healing beyond the capabilities of traditional medicine. Examine how ordinary people learn about their past lives, subsequently change behaviors, and transform their lives through hypnosis. Gain insight into how extraterrestrial races facilitate instrumental transcommunication, energy healing and mediumship. When you enlighten yourself with this important knowledge, you can make stunning transformations in your life. Donna Smith-Moncricieffe continues gathering evidence for the afterlife, this time going where few have gone, into the world of dark sances. Using her finely honed critical skills she makes the reader aware that, far from having died out or being totally fraudulent, genuine physical mediumship still exists. She systematically describes the evidence she personally gathered in a series of paradigm shifting sances held in the United States. Ever the thorough researcher, she conducts fascinating follow-up interviews with witnesses and experts in the field. Her conclusions will stun you. Dr. Victor Zammit and Wendy Zammit, Co-authors of *A Lawyer Presents the Evidence for the Afterlife* and *The Friday Afterlife Report* *Medium9* explores the fascinating phenomena of physical mediumship from interviews with participants as well as from the viewpoint of the authors experience. For those readers who wish to understand the nature of our third dimensional reality as well as what lies beyond and how our world can interact with higher dimensional realities, *Medium9* is a unique study of consciousness. Dr. Susan Kolb, MD, FACS, author of the *The Naked Truth about Breast Implants: From Harm to Healing*

Plays by William Hooker Gillette Don B. Wilmeth,Rosemary Cullen,1983-04-14 The American playwright and actor William Gillette is best remembered today for the role of Sherlock Holmes that he first created for the stage in 1899 and played for more than thirty years. Gillette also adapted foreign plays for the American stage and wrote strong melodramas and spy stories in which he frequently appeared himself. This volume includes *All the Comforts of Home* (1890), *Secret Service* (1895) and *Sherlock Holmes* (1899). Gillette's sure grasp of the keys to theatrical success, together with his technical innovations, makes him an interesting and important theatre figure. In his time, as playwright and player, he achieved a new combination of melodramatic suspense with a cool, understated acting style. These three plays represent the range of his dramatic talent.
