I Really Wanna Go Home Raymond J. Radner,2011-09-14 Young World War II veteran George Edwards needs a drink—all the time. Although it is a new year—1952—in New York City, George's life remains the same. As he centers his daily routine around a whiskey bottle, George begins to drive both himself and his devoted wife, Margie, straight into the depths of destitution. George is bitter. Once he was a star ballplayer with lofty goals, but his dreams have been shattered by the injuries he suffered while serving in North Africa. Now George entertains himself by insulting others, including Margie, a devoted Catholic who is torn between the demands of her faith and the need to escape the verbal abuse she endures daily. Desperate for love and attention, she somehow finds herself in bed with Doc Hayden. But even though George is a drunk, he is no fool. Now it appears that the only way George and Margie will ever survive is to go their separate ways. *Really Wanna Go Home* is the compelling tale of a young couple's struggle to escape poverty and the effects of a debilitating disease destined to transport both on distinct journeys that soon meet in a catastrophic collision with destiny.

From My Tuscan Window George H. Russell,2010-12-10 In the fall of 1973, George, his wife, Sue, and their Italian-born two-year-old daughter Anne noticed a bent-over sign that read Gioviano and, on a whim, decided to see what lay at the end of the road. After twenty-eight hairpin turns up the side of a mountain on the flanks of the Apuanian Alps overlooking the Serchio Valley some twenty miles north of the city of Lucca, the Russell family arrived at one of the most charming and unspoiled villages left in Italy. That little adventure would change their lives forever and perhaps even the lives and future of the little hill town itself. *from My Tuscan Window* chronicles the experiences of the Russell family over the course of thirty-seven years in the little Tuscan hill town of Gioviano.

I Wanna Go Again Joe Best, 2005 'I Wanna Go Again!' is the single, heartfelt sentence that all travellers whisper to themselves as they stumble, stunned and suffering that awful sense of anti-climax, back through Arrivals at airports, train stations and ports, all over the world, as they return wearily home. Every reader and every traveller will relate to Joe Best's humorous story, told in his own unique, down-to-earth, blokey style. The book is hot, fresh, young and funky and based on the diaries of Joe's maiden voyage. Before leaving the security of Berkshire at the age of 24 he had worked for an accounting firm and been bored senseless by the meaningless of his life. He needed to escape his reality and create a new one. But when he and a group of young friends set off travelling the world on a 12 month adventure, full of trepidation, naïve and innocent, armed only with Joe's sensible sterilisation cup (given to him by his sensible Mum), he has no idea if they will all make it back safely. (Although, to be fair, he has read a variety of books about daring SAS exploits, and he is hoping for the best). Through their wild journey, Joe and the boys develop a strong and lasting camaraderie; they have no real options, but if they set out as friends they return as life long soul mates, having shared some very odd, cathartic experiences. Joe eventually settled down to write his lush travel memoir almost 10 years after making it back to Taplow and his Mum. He explains, Travelling does not need to be daunting. It changes everything, and gives you the confidence to get on with the rest of your life. The memories last fresh for ever.

Seventh Heaven Catherine Anderson,2007-09-04 Ten years ago Joe Lakota had left behind his small Oregon town and the only woman he'd ever truly loved for the empty promises of the big city. Now he's returned, seeking to raise his young son with values you can only find at home, and longing to rekindle the passion he'd once had with beautiful Marilee Nelson. But Marilee isn't anything like the gentle yet self-assured girl he'd left behind. In her place is a woman tormented by a secret she refuses to share, even with Joe. Marilee never wanted to see Joe again; their parting had been too painful. And though his strong arms and powerful body could protect her, she knew only too well the harm they could also bring. Her head tells her to resist Joe's persistent advances, her heart is telling her something very different. And then he makes her the sweetest proposition of all: become his wife and mother of his child. But how can she agree to a marriage, even in name only, when she can't stand to tell him the truth?
