Glimpse of Rivers and Waterfalls of Sri-Lanka

S.b.asoka Dissanayake, 2014-02-02 Ceylon is a paradise for scientific study. Why we do not study them in detail is a question one must ask oneself. So, I will start with a historical perspective. The kings have moved their kingdoms to Anuradhapura, to Polonnarwa, to Mahiyanganya, to Minipe, to Dambadeniya to Gampola to Kandy. One explanation was that Tamil invasion in the North and Western invasion in the coastal regions. But my explanation is that we moved from North to South due to malaria and ancient civilization did not have a scientific explanation for this deadly disease. They did not have an inbuilt immunity, too. I also believe we got Malaria from India even though there is no historical records. My bone of contention is that with so many tanks and frequent dry spells and droughts malaria became endemic long time ago. Sinhalese moved down to places where anopheles mosquitoes (it does not get established over 4500 feet) were not breeding by chance and the Tamil kingdoms did not prosper due to mass movement of local population. Even in the ancient times sustaining a army of their own or hired was resisted by the subjects. Once the wealth is plundered there was no incentive for soldiers to die of malaria. The second reason was floods and maintaining of the big tanks were not cost effective and needed heavy labour. The third reason was the droughts and famines. Apart from elements even the wild animals including elephants would disregard the population when they were in numbers not containable by force. There could have been over 100,000 elephants in this country

including in the high hills. The beasts were having claims of their own. Take the name Pollonnaruwa, the name comes from deadly viper. So life in ancient times was not rosy as stated or depicted in our illustrious history books with exaggerations. In any case history books and their contents were biased towards the glory of the kings but nothing was written about the plight of the civilians. What ever literature was written by Buddhist monks and taken as sacred without critical analysis. The monks also did not live in deserted villages but close to the places where there was plenty and or near the royal palace. I am not going to thrash those historical ideas, it is not the intention of this book but try to imagine the state of the mind of the ordinary civilians who lived in relation to something precious for them. That was precious drinking water and the source for paddy and garden cultivation. They were linked to the source of perennial water resources, whether it was a spring, a riverine, a waterfall or ground water in plenty. That was their live currency and livelihood. Let me take few notable landmarks in ancient kingdoms. In Anuradhapura, there is Bulankulama tank, Basawakkulama tank, Tisawewa tank, Nuwerawewa tank and Nochchiyaduwa tank. The river Malwathyoya supply both Nochiyagama and Nuwerawewa tanks. There is a waterway that link Eruwewa tank to Nochiyaduwa and the Malwatuoya proper is named after the Nochchiyaduwa tank. In the west there are Rajanganaya tank and Angamuwa tank. There are many more little tanks all over Anuradhapura district including Balaluwewa and Kalawewa tank. Now take Pollonnaruwa there is Minneria tank, Giritale tank, Bandiwewa tank and the colossal Parackrama Samudraya. There are no big rivers in Pollonnaruwa but in the Eastern border there is Mahaweli river and its branch Amban Ganga and the Wasgamuwa National Park.

Manampitita Bridge where the Mahaweli river joined by its branch Amban ganga is a notable landmark (Floods and connecting to Trincomalai district). From this downwards all the ancient irrigation work is along the Mahaweli river up to Minipe and including Mahiyanganaya. The stretch from Mahiyanganaya to Polgolla dam is very interesting. This passes through the Madamahanuwara where the last king was captured by the British. This is the agricultural basin of Kandy kingdom even though the king remained in Kandy.

CultureShock! Sri Lanka Robert Barlas, Nanda P. Wanasundera, 2009-10-15 Chock-full of useful tips and information, this book covers a wide range of practical issues, such as how to get your blue card, ways to get settled into your new home, and how to conduct business in the Sri Lankan environment. Find out how to communicate with the Sri Lankans and how to enjoy their delicious curries without needing a fire extinguisher! Discover what lies beneath the Sri Lankan profile and how religion, caste, and politics influence the lives of the locals. The book also guides you on the customs and cultural ways of the Sri Lankans and how you can integrate seamlessly into their society. Written in an easy-to-read style, CultureShock! Sri Lanka is the guide you must have to truly enjoy your stay in this country.

Sri Lanka News, 2000

Water Heritage of Sri Lanka Jayaratna Banda Disanayaka, 2000

Sri Lanka Nanda Pethiyagoda Wanasundera, 2002 Describes the geography, history, government, economy, social life and customs, religion, culture, and more of this island country in the Indian Ocean. Includes a recipe for milk toffee.

The Report: Sri Lanka Oxford Business Group, 2016-05-12 While the presidential and parliamentary elections in 2015 instigated a wait-and-see approach within Sri Lanka's private

sector, the outcome is expected to be positive in the longer term, bringing improved stability and a more encouraging environment for foreign investment. Under what has been described as a more liberal, open and business-oriented government, Sri Lanka is entering a period in which it stands to grow rapidly. In 2016 the country should begin to see the benefits of the recent reform agenda, as the new leadership introduces policies that will help bring about strong and sustainable growth.

The SAGE International Encyclopedia of Travel and Tourism Linda L. Lowry, 2016-09-01 Taking a global and multidisciplinary approach, The SAGE International Encyclopedia of Travel and Tourism brings together a team of international scholars to examine the travel and tourism industry, which is expected to grow at an annual rate of four percent for the next decade. In more than 500 entries spanning four comprehensive volumes, the Encyclopedia examines the business of tourism around the world paying particular attention to the social, economic, environmental, and policy issues at play. The book examines global, regional, national, and local issues including transportation, infrastructure, the environment, and business promotion. By looking at travel trends and countries large and small, the Encyclopedia analyses a wide variety of challenges and opportunities facing the industry. In taking a comprehensive and global approach, the Encyclopedia approaches the field of travel and tourism through the numerous disciplines it reaches, including the traditional tourism administration curriculum within schools of business and management, economics, public policy, as well as social science disciplines such as the anthropology and sociology. Key features include: More than 500 entries authored and signed by key academics in the field Entries on individual

countries that details the health of the tourism industry, policy and planning approaches, promotion efforts, and primary tourism draws. Additional entries look at major cities and popular destinations Coverage of travel trends such as culinary tourism, wine tourism, agritourism, ecotourism, geotourism, slow tourism, heritage and cultural-based tourism, sustainable tourism, and recreation-based tourism Cross-references and further readings A Reader's Guide grouping articles by disciplinary areas and broad themes

Waterfall Brian J. Hudson, 2013-02-15 From Niagara Falls in the United States to Angel Falls in Venezuela, Victoria Falls in Africa, and Hannoki Falls in Japan, waterfalls provide some of the world's loveliest panoramas. With their glistening spray and deafening roar, these astonishing natural wonders attract hordes of people each year who seek out, with cameras in hand, these terrifying and sublime examples of natural beauty. While waterfalls have often been considered in terms of their picturesque qualities, their rich cultural background has been neglected. In *Waterfall*, Brian Hudson portrays these marvels in a new light. He explores the many myths and legends waterfalls have inspired in cultures ranging from Native American to Celtic and Indian, and how they have been depicted in art, literature, film, and music. He also examines their influence on architecture and landscape design, as manmade waterfalls begin to be a staple of parks, gardens, and backyard landscaping. Hudson also discusses the ecology of waterfalls and the conflict that arises from their importance as both a source of hydroelectric power and tourist attractions in many countries. As erosion takes its own toll, the additional environmental impacts of human exploitation could be devastating. A superb addition to the library of

any nature lover, this beautifully illustrated book provides a fascinating look at the history and value of these stunning cascades of water.

Sri Lanka Philip Briggs, 2023-03-10 The new seventh edition of Bradt's Sri Lanka remains the most detailed and comprehensive guidebook to this alluring island nation. Written by Philip Briggs, one of the world's most experienced and highly regarded guidebook writers, this thoroughly updated guide provides detailed coverage of every aspect of this diverse and compact country, from idyllic tropical coastlines to mist-shrouded tea plantations and time-warped colonial homesteads. Alongside in-depth sections on all major beach resorts, archaeological sites, historic towns and national parks, it introduces adventurous travellers to intriguing lesser-known sites and emergent destinations inaccessible for decades prior to 2009, when the civil war ended. Beach holidays are a year-round attraction, while fantastic Buddhist-affiliated UNESCO World Heritage Sites range from the massive dagobas of Anuradhapura, built in pre-Christian times on a scale rivalling Egyptian pyramids, to Dambulla's exquisitely painted cave temples. Wildlife-viewing opportunities abound, and this guide provides unparalleled, illustrated advice on making the most of these. Asia's densest elephant and leopard populations thrive in an extensive network of national parks, complemented by fine whale and dolphin-watching, and 450 bird species including 30 occurring in no other country. Extensive hotel and restaurant listings, covering everything from exclusive boutique hotels to shoestring homestays, have been cherry-picked based on the author's personal inspection of hundreds of properties countrywide. Sri Lanka's increasingly renowned cuisine features strongly, as does its growing focus on wellness tourism including Ayurveda therapies. This guidebook differs further from

competitors by catering for truly independent travellers, providing 70-plus visitor-focused maps covering all major towns and resorts, clear directions for public transport, and off-the-beaten-track information. Following a tourist boom in the south, and the gradual opening of the north and east to independent travel, tourism jumped 15% in the two years to 2018. Following COVID-19 and a 2019 terrorism incident, Sri Lankan tourism is again welcoming visitors, with infrastructure benefitting from recent investment in trains, which provide comfortable, efficient and inexpensive public transport. Whether you're into wildlife, culture, beaches or cuisine - and whether you seek luxury or budget travel - Bradt's Sri Lanka will address your every need for an enjoyable visit to this bewitching and varied country.

Sri Lanka, an Economic, Financial, and Investment Guide, 1992 Covers the period, 1977-1991.

Lonely Planet Sri Lanka Lonely Planet, Ryan Ver Berkmoes, Anirban Mahapatra, Bradley Mayhew, Iain Stewart, 2018-01-01 Lonely Planet Sri Lanka is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Laze on a pristine, undiscovered beach, wander lost cities and ancient ruins, or hit the markets for a rainbow of exotic fruits and rich spices; all with your trusted travel companion.

Early Prints of Ceylon (Sri Lanka) 1800-1900

With guidebooks to hundreds of places around the globe available in print and digital formats, DK Eyewitness Travel Guides show travelers how they can discover more. DK Eyewitness Travel Guides: the most maps, photographs, and illustrations of any guide.

Environmental Education and Training Patricia D. Park, Deborah A. Blackman, Gin Chong, 2018-08-13
Published in 1998, the impact of current organizational behaviour upon the environment and concern over the long term effects has become almost a household topic. There are a growing number of reference books which discuss the various aspects and importance of this matter, but they often do so in isolation from the

environment, education, and training. In addition to this, little has been discussed about the inter-relationships between the various aspects of organizational behaviour and its impact on the environment. This book intends to bridge the gap. It discusses the importance of environmental education and training in three different disciplines: the legal aspects, financial implications, and managerial choices and decision-making.

Hiking Waterfalls Hawaii Justin Brackett, 2022-11-01 With over 500 recorded waterfalls, Hawaii is one of the states with the most waterfalls in the country. Many of these falls empty into swimmable pools, and the hot, tropical weather makes the payoff of a cool waterfall at the end of a hike particularly alluring. *Hiking Waterfalls Hawaii* takes you through state and national parks, forests, monuments and wilderness areas, and from popular city parks to the most remote and secluded corners of the area to view the most spectacular waterfalls. Look inside to find: Hikes suited to every ability Mile-by-mile directional cues Difficulty ratings, trail contacts, fees/permits, and best hiking seasons GPS location for each trailhead

downloading Waterfalls In Sri Lanka has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Waterfalls In Sri Lanka.

These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while

downloading Waterfalls In Sri Lanka. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Waterfalls In Sri Lanka, users should also consider the potential security risks associated with online platforms.

Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Waterfalls In Sri Lanka has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free

PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Waterfalls In Sri Lanka Books

How do I know

which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely!

Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and

providing a more immersive learning experience. Waterfalls In Sri Lanka is one of the best book in our library for free trial. We provide copy of Waterfalls In Sri Lanka in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Waterfalls In Sri Lanka. Where to download Waterfalls In Sri Lanka online for free? Are you looking for Waterfalls In Sri Lanka PDF? This is definitely going to save you time and cash in something you should think about. If you

trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Waterfalls In Sri Lanka. This method for see exactly what may be included and adopt these ideas to your book.
