A subject so important must be treated with care and attention and this book aims to provide the reader with a comprehensive, detailed, and accessible guide to this important topic. In this ground-breaking book, all elements of Salāh are expounded chapter by chapter, with useful translations and transliterations of original Arabic terms and phrases. Beginning with the history of the prayer, we progress through an analysis of the types of Salāh, its spiritual and physical benefits, and a unique step-by-step guide on learning to pray for those new to the practice. With this book, there should no longer be any confusion or lack of knowledge regarding Salāh. It is hoped that this book, written with the intention of easing the performance of the five daily prayers, will help readers understand the beauty of this ritual and turn it into an enjoyable daily experience, such that it is spiritually enriching and accepted in the eyes of Almighty God.

Prayer in Islam J. D. Rockefeller,2015-11-15 Prayer or Salah in Islam is something amazing and it's the way Muslims talk with Allah. Muslims make Salah every day, 5 times a day. It's a form of worship, which was previously reserved only for prophets, yet during Muhammad's life, peace be upon him, Allah included any of the followers in this honorable and most distinguished group.

A Guide to Salat (Prayer) in Islam Muhammad Abdul Karim Saqib,2015-04-13 There are many books dealing with the Subject of Salat in both Arabic and Urdu. Many of these books are well written and provide an informative and comprehensive view of how Salat should be performed according to the teachings of Prophet Muhammad (S.W.S). Unfortunately, there are very few books in English which deal with the subject in the same informative and

comprehensive way. Because of these weaknesses in existing literature in English we felt that the need existed to produce a medium sized book on Salat which would approach the subject according to the teachings of the Prophet Muhammad (S.W.S). The Prophet, himself, said, "Pray as you have seen me praying. During our research we sometimes found that differences occurred between established practices in various prayer books. In these circumstances we referred to authentic hadiths of the Prophet Muhammad (S.W.S) so that the points could be clarified as much as possible. This was, because, for a true Muslim there is no greater proof for settling arguments than authentic hadiths and practices of Prophet Muhammad (S.W.S). We hope that Allah will accept this humble attempt because without His support and help we would never have been able to do this work. Finally, we ask all our Muslim brothers and sisters to study the text and to strive to pray according to it. As you'll not aware that many sites are asking for money in \$. I have made this book free to all countries and in return I'm asking for you to remember me in your prayer. It was also mentioned by Dr. Zakir Naik in one of his speech that the best book to recommend is this book. watch in video: http://www.youtube.com/watch?v=L_xTrig2XEE Thanks to all for downloading and making better use of this book.
