Whispers in the Dark Laurel Hightower, 2018-12-07 Rose McFarland is a trained killer—a Memphis S.W.A.T. sniper with a secret. Her team knows about the burn scars that lurk under her clothes, a legacy of the house fire that killed her father and brother sixteen years before. Her supervisors know that she spent two years in a rehabilitative facility, healing and learning to cope with the emotional trauma of the fire. But no one knows about the visions that drove her there, angry spirits that consumed her childhood, alienated her from her family and made her doubt her own sanity—the Whispers. When Charlie Akers, a half-brother she never knew, ends up on the wrong side of Rose's rifle, she unwittingly sets off a chain of events that puts her family in the middle of increasingly dangerous paranormal visitations. Charlie won't stay dead, and soon ghosts from Rose's past are creeping back into her life. People she's killed in the line of duty, family she thought long buried, every one of them under the influence of Rose's greatest fear, the Whispers themselves. As the walls between our world and the world of the dead grow thin, Rose will have to face her old nightmares to stop the Whispers from breaking free. If she can't, it won't just be Memphis that falls to the dead—there will be no safe place left on earth for the living.

Intruder in the Dark George Bellairs, 2023-06-27 A corpse in a country house brings Scotland Yard to an eerily quiet English village, in this tale by a master of British mystery. Cyril Savage has inherited the home of his wealthy and estranged aunt. But before Savage has the chance to discover her fortune, he is struck dead in the cellar of this once grand country house in the strange, nearly deserted village of Plumpton Bois. The police are baffled and—unable to unearth a motive, let alone a killer—call for the assistance of Scotland Yard. Inspector Littlejohn and Inspector Cromwell arrive in

Plumpton Bois and find the village, the family, and the house itself full of secrets. The door to a locked room has been bashed open. Savage's aunt is not nearly as rich as she seemed to be. And now, another body has turned up on Littlejohn's watch . . .

Whispers In The Dark Aidan O'Hearon, In 71 Hyacinth Drive, Matt Burke—a writer living alone in his remote house deep in the Maine woods—is driving home one day when he accidentally hits a homeless man on the side of the road. To cover up what happened, he takes his body and brings it back to his house. One night, when he goes to move it, the body's gone. Just as he realizes, footsteps come from upstairs. He's not alone. In *The Missing*, something strange has been happening inside Haven, Maine—the small, rural, sleepy town known for the “best apple pie” in the state. Slowly, since February, missing posters have popped up in the town: on telephone posts, the town bulletin board, and the front window of Al's Diner. One of the many people concerned is Violet, someone who has lived in the town ever since she was a little girl. She's determined to get to the bottom of what's happening, no matter what happens to her. In 217, hack horror writer, Stephen Greene—the author of books like *scariest ghosts spotted in haunted hotels* and *ten most haunted graveyards*—goes to the Fairhope Hotel, intrigued by the hidden history of the 100-year-old hotel. As the almost empty hotel greets him, two days from closing down for the winter, Stephen—soon after settling in—is going to experience what true terror is. Find these and ten more stories inside that are sure to make your skin crawl.

Ungodly Undoing Essel Pratt,2019-04-27 Strange occurrences plague Mishawaka, Indiana's past and present. Local lore whispers accusations of strange and peculiar happenings, prefacing

Truths of the past, long hidden from mortal ears, provide a glimpse into the dangers the small town has overcome. Only the future will reveal if their telling will be Mishawaka's ungodly undoing!

Backwoods Bonfire Essel Pratt, 2018-11-20 Horrific tales of fright told around a bonfire during remote backwoods retreats are common among close friends. As each person tests the others' ability to remain calm and resist the urge to look over a shoulder as the sounds of nature bellow out in the backdrop, only one may claim victory as the most frightening of the group. Backwoods Bonfire inserts the reader into a group of friends that unintentionally create a case study on what horror means to them, attempting to coerce the others to believe that horror is specific, not fluid. However, one of the friends chooses to prove that horror is real as the fire they all gather around the Backwoods Bonfire

Trick of Light David Hunt, 1998 Kay Farrow, a color-blind photographer who sees the world in black, white and shades of gray, probes the mysterious death of her beloved mentor on a quest that takes her to the darkest intersections of San Francisco's Mission District. Eerie as a midnight walk in the fog, said The New York Times Book Review of David Hunt's *The Magician's Tale*, showing us light and dark, truth and deception, reality and illusion, even good and evil, in ways we never imagined. Hunt mesmerizes with his sleight of hand, praised People magazine, The book's lingering spell lies in the way its heroine's perspective enables us to see, as if for the first time, her beloved city in all its chiaroscuro splendor. When distinguished photojournalist Maddy Yamada is struck by a motorcyclist at two in the morning in a seedy area far from her Marina apartment, Kay Farrow's grief is tempered by suspicion. What could have drawn the reclusive Maddy so far from home at such an hour? Kay believes Maddy's work in progress--blurry, abstract images uncharacteristic of a woman famous for her unsparing clarity of vision--holds elusive clues, clues Kay is determined to decipher. Tracing old photographs and undeveloped film discovered in one of Maddy's cameras, Kay begins to bring into focus Maddy's activities at the time of her death. The territory Kay must cover runs the back alleys of the Mission to the elite enclaves of Pacific Heights and beyond, to a very private shooting preserve miles north of the city. Lurking in her path is a netherworld of decadence and evil--and evidence that

Maddy's death was no accident. Kay doggedly pursues a winding path to justice, negotiating a labyrinth of debauchery and dark desires, topping anything she encountered in the course of The Magician's Tale.

The Disillusioned D. W. Scott, 2004-08-01 THE DISILLUSIONED is a ruthlessly honest memoir of a young man who writes both searingly and disarmingly about the highs and lows, the perils and promise of our times. THE DISILLUSIONED documents the struggle all too common for recent generations: yearning to find a sense of worth and a purpose to their lives against the backdrop of abuses rife in modern society and the duplicity of political systems which favour the rich and powerful despite the hollow rhetoric that promises something else. THE DISILLUSIONED encompasses three decades, beginning with the impressionable child indoctrinated with the propaganda of Thatcher's Britain and suffering sexual abuse, a lack of role models and any sense of belonging. It is a gripping story of obsessive ambition, discrimination, sex, scams, suicidal impulses, alcoholism, the search for love, loss and the quest for redemption in New Zealand. It is the author's story, but also the story of a disillusioned silent majority; the story of young people bogged down with debt and disillusionment; the story, too, of the increasing dangers facing our children in a materialistic world where family bonds and values are sacrificed for high incomes and status. THE DISILLUSIONED is a surprisingly compulsive read about what I call the Misfit Generation - the one beguiled at first by the challenge of rational economics and then bewildered by its effects. David Scott's odyssey is to find self-worth, to discover basic human values among the detritus of modern life. At the end you can't be sure he's made it. But his story matters and he tells it with the pace and directness of a pro. - Gordon McLauchlan, writer and book critic.
