

# White Fang London

Jack London

**White Fang** Jack London,1906 In the desolate, frozen wilds of north-west Canada, a wolf-cub soon finds himself the sole survivor of the litter. Son of Kiche - half-wolf, half-dog - and the ageing wolf One Eye, he is thrust into a savage world where each day becomes a fight to stay alive.

**The Call of the Wild** Jack London,1912

**White Fang** Jack London,2007-09-01 During the gold rush, Alaska is a vast land with the promise of riches. Some of these riches are sled dogs. White Fang is one of these dogs who is traded, sold, and pitted against each other. Soon he is saved and brought to California. Can he adjust to his new home and his new family? Find out in this stunning graphic novel adaptation of Jack London's classic by Joe Dunn. Creator biographies and a glossary help reluctant readers take the first step on the road to classic literature.

*White Fang* Jack London,2012-03-01 A classic adventure novel centering on a ferocious and magnificent creature, half dog, half wolf, through whose experiences we feel the essential savagery of wilderness life among animals and men.

**The Call of the Wild** Jack London,Philip R. Goodwin,Charles Livingston Bull,2010-04 'The Call of the Wild' is the story of Buck, a domestic dog stolen, sold as a sled dog and forced to endure the brutal work and competition with the other dogs to be leader of the pack. 'White Fang' presents a similar story but in reverse as a wild wolf-dog mix is domesticated but faces great cruelty before finding a master.

White Fang (with Audio & Text) Jack London,2021-06-03 White Fang is a novel by Jack London, published in 1906. The story details White Fang's journey to domestication in Yukon Territory and the Northwest Territories during the 1890s Klondike Gold Rush. It is a companion novel (and a thematic mirror) to London's best-known work, The Call of the Wild (1903). Much of White Fang is written from the viewpoint of the wolf-dog, enabling London to explore how animals view their world and how they view humans. White Fang examines the violent world of wild animals and the equally violent world of humans. The book also explores complex themes including morality and redemption. As early as 1925, the story was adapted to film, and it has since seen several more cinematic adaptations.

*White Fang* Jack London,2008-06-19 In the desolate, frozen wilds of northwest Canada, a wolf cub soon finds himself the sole survivor of the litter. Son of Kiche?half-wolf, half-dog?and the aging wolf One Eye, he is thrust into a savage world where each day becomes a fight to stay alive.

*The Call of the Wild and White Fang* Jack London,2004 Presented together in one volume, these are two of the greatest and most popular animal stories ever written. Even to designate them as animal stories seems to undervalue them, because these tremendous works are so much more than mere children's tales, although they are admittedly still greatly loved by the young. Penned by Jack London at the beginning of the twentieth century, the first, The Call of the Wild, tells the story of Buck, a domestic dog who is kidnapped from his home in California and forced to pull sleds in the Arctic wastes. In the second, White Fang, a cross-breed that is three-quarters wolf and one quarter dog, endures considerable suffering in the Arctic before being tamed by a white American and taken to live in California. The two narratives are remarkable for the vividness of their descriptions and the success with which London imagines life from a nonhuman perspective.

*White Fang* Jack London,2022-11-01 A beloved Jack London classic novel reissued for contemporary readers. Rediscover Jack London's beloved classic in this unique hardbound edition. First published as a serial in Outing magazine in 1906, White Fang has been called "one of London's most interesting and ambitious works." Follow the wolfdog White Fang in a story of violence and hardship, morality and redemption, and finding home during the 1890s Klondike Gold Rush. Truly a must-have for London fans, book lovers, and adventurers.

*The Call of the Wild and Selected Stories* Jack London,2009-08-04 The Call of the Wild is Now a Major Motion Picture Starring Harrison Ford! Out of the white wilderness, out of the Far North, Jack London, one of America's most popular authors, drew the inspiration for his robust tales of perilous adventure and animal cunning. Swiftly paced and vividly written, the novel and five short stories included here capture the main theme of London's work: the law of the club and the fang—man's instinctive reversion to primitive behavior when pitted against the brute force of nature. Includes The Call of the Wild, Diable: A Dog, An Odyssey of the North, To the Man on the Trail, To Build a Fire, and Love of Life

The Illustrated White Fang Jack London,2023-06-21 The tale from 1906 by Lewis London is set in the Yukon Territory during the Klondike Gold Rush and tells the tale of a half-dog, half-wolf creature living in the wild. White Fang shows a wild animal finally being domesticated, in contrast to his well-known Call of the Wild story of a domestic dog going back into the wild. It is an engrossing story about the difficult existence in the frigid wastelands of the north, recounted from the wolf's point of view. White Fang returns to society at the end of the narrative.

WHITE FANG JACK LONDON,

**White Fang** Jack London,2011 Jack London's classic novel White Fang is here faithfully adapted to the graphic novel format. White Fang, a wolf-dog, must fight to survive, and humans are not always his friends, but in this touching story of bravery and animal instinct, he overcomes his brutal nature to settle, domesticated, in a comfortable home. Ideal as visual introductions to classic texts, Graffex titles are fast-moving, cinematic retellings of wellknown stories. Equally rewarding as comics, graphic novels or learning resources, the series uses specially commissioned full-colour artwork to retell some of the most incredible, influential and memorable tales in the canon of English literature. Speech bubbles feature direct quotes from the original text, running captions describe events in a clear manner and detailed footnotes translate challenging vocabulary and provide interesting background information. It's a wealth of key information that, critically, doesn't overwhelm or distract from the original story. Featuring photographs, paintings and maps, Graffex endmatters tell the story of each book in its wider geographical context. Text details the life of the author, the socio-political events which influenced the book and the impact the book had on the society of the time. Each title also features a double-page opening illustration and a full index.

*White Fang (1906)* . Jack London,2018-06-04 White Fang is a novel by American author Jack London (1876-1916) - and the name of the book's eponymous character, a wild wolfdog. First serialized in Outing magazine, it was published in 1906. The story takes place in Yukon Territory and the Northwest Territories, Canada, during the 1890s Klondike Gold Rush and details White Fang's journey to domestication. It is a companion novel (and a thematic mirror) to London's best-known work, The Call of the Wild, which is about a kidnapped, domesticated dog embracing his wild ancestry to survive and thrive in the wild. Much of White Fang is written from the viewpoint of the titular canine character, enabling London to explore how animals view their world and how they view humans. White Fang examines the violent world of wild animals and the equally violent world of humans. The book also explores complex themes including morality and redemption. White Fang has been adapted for the screen numerous times, including a 1991 film starring Ethan Hawke.

*Conspiracy of Wolves* Candace Robb,2019-06-01 When a prominent citizen is murdered, former Captain of the Guard Owen Archer is persuaded out of retirement to investigate in this gripping medieval mystery. 1374. When a member of one of York's most prominent families is found dead in the woods, his throat torn out, rumours spread like wildfire that wolves are running loose throughout the city. Persuaded to investigate by the victim's father, Owen Archer is convinced that a human killer is responsible. But before he can gather sufficient evidence to prove his case, a second body is discovered, stabbed to death. Is there a connection? What secrets are contained within the victim's household? And what does apprentice healer Alisoun know that she's not telling? Teaming up with Geoffrey Chaucer, who is in York on a secret mission on behalf of Prince Edward, Owen's enquiries will draw him headlong into a deadly conspiracy.

**The Call of the Wild, White Fang and Other Stories** Jack London,1995-01-26 The biting cold and the aching silence of the far North become an unforgettable backdrop for Jack London's vivid, rousing, superbly realistic wilderness adventure stories featuring the author's unique knowledge of the Yukon and the behavior of humans and animals facing nature at its cruelest.

White Fang Jack Jack London,2016-04-05 Why buy our paperbacks? Unabridged (100% Original content) Printed in USA on High Quality Paper 30 Days Money Back Guarantee Standard Font size of 10 for all books Fulfilled by Amazon Expedited shipping BEWARE OF LOW-QUALITY SELLERS Don't buy cheap paperbacks just to save a few dollars.
