**Stalin's Wine Cellar** John Baker,Nick Place,2021-07-20 The adventure of a lifetime to buy Stalin's secret multimillion dollar wine cellar located in Georgia; it is the Raiders of the Lost Ark of wine. In the late 1990s, John Baker was known as a purveyor of quality rare and old wines. He was the perfect person for an occasional business partner to approach with a mysterious wine list that was different to anything John, or his second-in-command, Kevin Hopko, had ever come across. The list was discovered to be a comprehensive catalogue of the wine collection of Nicholas II, the last Tsar of Russia. The wine had become the property of the state after the Russian Revolution of 1918, during which Nicholas and his entire family were executed. Now owned by Stalin, the wine was discreetly removed to a remote Georgian winery when Stalin was concerned the advancing Nazi army might overrun Russia. Half a century later, the wine was rumoured to be hidden underground and off any known map. John and Kevin embarked on an audacious, colourful and potentially dangerous journey to Georgia to discover if the wines actually existed; if the bottles were authentic and whether the entire collection could be bought and transported to a major London auction house for sale. Stalin's Wine Cellar is a wild, sometimes rough ride through the glamorous world of high-end wine.

Bacchus and Me Jay McInerney,2002-03-12 Jay McInerney on wine? Yes, Jay McInerney on wine! The best-selling novelist has turned his command of language and flair for metaphor on the world of wine, providing this sublime collection of untraditional musings on wine and wine culture that is as fit for someone looking for “a nice Chardonnay” as it is for the oenophile. On champagne: “Is Dom Pérignon worth four bottles of Mo’t & Chandon? If you are a connoisseur, a lover, a snob, or the owner of a large oceangoing craft, the answer . . . is probably yes.” On the difficulty of picking a wine for a vegetarian meal: “Like boys and girls locked away in same-sex prep schools, most wines yearn for a bit of flesh.” On telling the difference between Burgundy and Bordeaux: “If it’s red, French, costs too much, and tastes like the water that’s left in the vase after the flowers have died, it’s probably Burgundy.” On the fungus responsible for the heavenly flavor of the dessert wine called Sauternes: “Not since Baudelaire smoked opium has corruption resulted in such beauty.” Includes new material plus recommendations on the world’s most romantic wines and the best wines to pair with a meal

**Living with Wine** Samantha Nestor,Alice Feiring,2009-10-27 America’s love of wine has spurred a collecting and entertaining phenomenon. Some of America’s most passionate oenophiles have re-invented the wine cellar as an inviting and beautiful part of the home. True collectors love to share their passion, and this book offers a tour of their distinctive cellars. Created with the help of some of the best designers in the field, these rooms blend luxurious design aesthetics with ingenious storage solutions. The thirty stunning spaces featured include a traditional wood cellar finished with rich paneling and ornate lighting; a cathedral-like space that showcases ironwork inspired by the French Quarter of New Orleans (and has a secret entry from a library inside the house); an inviting living room lined with temperature-controlled wood alcoves behind insulated glass; and an Old World terra-cotta cellar-within a sprawling entertainment center that includes a wet bar, a billiards table, and a tasting room. Living with Wine reveals the details that make the cellars a welcoming place to return-from the materials, artwork, lighting, and cutting-edge preservation technology to the way the space harmonizes with the rest of the house. From the Bay Area to Boston, Napa to New York, homeowners such as Nancy and John Lasseter, the founder of Pixar Studios; American Idol host and TV and radio personality Ryan Seacrest; and entrepreneur Rick Ryan share insights into what they collect, why they started collecting, and how they designed their spaces to fit their passion. This elegant volume shows what it means to love and collect wine.
