Heart of the Matter Linda Austin,2003-05-06 Why is it that love seems to come easily to some people and not to others? In her first book, What's Holding You Back? Eight Critical Choices for Women's Success, Dr. Linda Austin explored the psychological glass ceiling, the emotional barriers that keep women from achieving career success. This book is about a different kind of inner glass ceiling: the one that holds you back from the heights of great love. Dr. Austin is convinced that there's nothing fundamentally wrong with those who have difficulty finding and keeping love; BUT there may be specific behaviors that you engage in -- and specific behaviors that you do not engage in -- that have a profound impact on whether you find and keep love. The good news? Those behaviors can be learned, practiced, and eventually incorporated into your personality. Dr. Austin wants you to know that small adjustments in your outlook and actions can have enormous impact on your ability to get the love you want. And in this perceptive, highly original book, she identifies the five core behaviors that determine your ability to have successful, loving relationships, as well as the patterns of behavior that can subtly sabotage those efforts. The Core Behaviors 1. Engage with the World around You 2. Evaluate the Choices You Make for Love 3. Expand Your Safety Zone 4. Establish Emotional Independence 5. Evolve Consciously, Willfully, Healthily Heart of the Matter shows how these five essential practices can deepen and transform your ability to give and receive love and loyalty. It explains how to make those small and specific changes that will have huge ripple effects on what happens to you in life -- and most important of all, it demonstrates how to identify and use your strengths so that you can move toward the life and love you want so much. Heart of the Matter reflects Dr. Linda Austin's twenty-five years as a psychiatrist, assisting all sorts of people in their efforts to live more fully in the real world of loving human relationships. Pragmatic and sensible, this book is based on the conviction that each of us has the capacity to improve our ability to find and inspire love through specific behaviors. So whether you're currently in a relationship, or it's been so long since you've dated that you think seeing someone refers to a psychiatrist, Heart of the Matter can help you move toward that healthy, loving relationship you want -- and so richly deserve.

Mornings in Jenin Susan Abulhawa,2010-07-01 A heart-wrenching, powerfully written novel that does for Palestine what The Kite Runner did for Afghanistan. Mornings in Jenin is a multi-generational story about a Palestinian family. Forcibly removed from the olive-farming village of Ein Hod by the newly formed state of Israel in 1948, the Abulhejos are displaced to live in canvas tents in the Jenin refugee camp. We follow the

Abulhejo family as they live through a half century of violent history. Amidst the loss and fear, hatred and pain, as their tents are replaced by more forebodingly permanent cinderblock huts, there is always the waiting, waiting to return to a lost home. The novel's voice is that of Amal, the granddaughter of the old village patriarch, a bright, sensitive girl who makes it out of the camps, only to return years later, to marry and bear a child. Through her eyes, with her evolving vision, we get the story of her brothers, one who is kidnapped to be raised Jewish, one who will end with bombs strapped to his middle. But of the many interwoven stories, stretching backward and forward in time, none is more important than Amal's own. Her story is one of love and loss, of childhood and marriage and parenthood, and finally the need to share her history with her daughter, to preserve the greatest love she has. Set against one of the twentieth century's most intractable political conflicts, Mornings in Jenin is a deeply human novel - a novel of history, identity, friendship, love, terrorism, surrender, courage, and hope. Its power forces us to take a fresh look at one of the defining conflicts of our lifetimes.

The Dressed Society Peter Corrigan,2008-01-16 It was traditionally said that 'clothes maketh the man'. But what codes and meanings are associated with dress in a society that consists of divisions between class, race, gender, family status and religion? Is social and cultural life still fundamentally themed by the clothes that we wear? If so, how should we read these codes and themes in order to decipher their relation to power and meaning? This exhaustive book demonstrates how dress shapes and is shaped by social processes and phenomena such as beauty, time, the body, the gift exchange, class, gender and religion. It does this through an analysis of topics like the Islamic clothing controversy in state schools, the multitude of identities associated with dress, the Dress Reform movement, the construction of the body in fashion magazines and the role of the internet in fashion. What emerges is a trenchant, sharply observed account of the place of dress in contemporary society. The book will be of interest to students and researchers in Sociology, Cultural Studies, Women's Studies, Gender Studies, Anthropology and Fashion Studies.

The Latin Deli Judith Ortiz Cofer,2012-03-15 Reviewing her novel, The Line of the Sun, the New York Times Book Review hailed Judith Ortiz Cofer as a writer of authentic gifts, with a genuine and important story to tell. Those gifts are on abundant display in The Latin Deli, an evocative collection of poetry, personal essays, and short fiction in which the dominant subject—the lives of Puerto Ricans in a New Jersey barrio—is drawn from the author's own childhood. Following the directive of Emily Dickinson to tell all the Truth but tell it slant, Cofer approaches her material from a variety of angles. An acute yearning for a distant homeland is the poignant theme of the title poem, which opens the collection. Cofer's lines introduce us to a woman of no-age presiding over a small store whose wares—Bustelo coffee, jamon y queso, green plantains hanging in stalks like votive offerings—must satisfy, however imperfectly, the needs and hungers of those who have left the islands for the urban Northeast. Similarly affecting is the short story Nada, in which a mother's grief over a son killed in Vietnam gradually consumes her. Refusing the medals and flag proffered by the government (Tell the Mr. President of the United States what I say: No, gracias.), as well as the consolations of her neighbors in El Building, the woman begins to give away all her possessions The narrator, upon hearing the woman say nada, reflects, I tell you, that word is like a drain that sucks everything down. As rooted as they are in a particular immigrant experience, Cofer's writings are also rich in universal themes, especially those involving the pains, confusions, and wonders of growing up. While set in the barrio, the essays American History, Not for Sale, and The Paterson Public Library deal with concerns that could be those of any sensitive young woman coming of age in America: romantic attachments, relations with parents and peers, the search for knowledge. And in poems such as The Life of an Echo and The Purpose of Nuns, Cofer offers eloquent ruminations on the mystery of desire and the conflict between the flesh and the spirit. Cofer's ambitions as a writer are perhaps stated most explicitly in the essay The Myth of the Latin Woman: I Just Met a Girl Named Maria. Recalling one of her early poems, she notes how its message is still her mission: to transcend the limitations of language, to connect through the human-to-human channel of art.

The Way of Scripture The Rev. Fr. Jonathan Bar-On,2015-09-30 With the passion of a scholar and the insight and compassion of a parish priest and counselor, Fr. Jonathan Bar-On makes the ancient stories and parables of the Bible come alive for modern readers. Fr. Jonathan, as he is commonly known, explores the different ways in Scripture to follow in creating your most fulfilling and abundant life. Written as practical ways for anyone interested in achieving a life of meaning and purpose, The Way of Scripture begins with the fact that the universe is orderly and that all things, including our lives, are subject to divinely-ordained laws and ways which allow each of us to create our own happiness and abundance. The Way of Scripture is not a book about religion. Its principles are timeless and universal. God is Love. Divine Love and abundance fill the universe and are available to whosoever will. The Way of Scripture is written with three different types of readers in mind those who look to the Bible for guidance to achieve an abundant life; students of the Law of Attraction and other universal laws who seek the wisdom found in ancient sources; and transformational speakers, teachers, and pastors looking for a handy reference for stories and parables to share in lessons or sermons. Each chapter ends with questions to help you apply what you learn.
