- 📖 **Whispers About Women** Leonard Merrick, 1906
- 📖 **Whisper Network** Chandler Baker, 2019-07-02 AN INSTANT NEW YORK TIMES BESTSELLER! “Honest, timely, and completely thrilling.” —Reese Witherspoon (Reese’s Book Club x Hello Sunshine book pick) “Part page-turning thriller, part smart examination of the #MeToo movement, part feminist rallying cry... Whisper Network is the satisfying “beach read” we’ve earned.” —The Daily Beast Sloane, Ardie, Grace, and Rosalita have worked at Truviv, Inc. for years. The sudden death of Truviv’s CEO means their boss, Ames, will likely take over the entire company. Each of the women has a different relationship with Ames, who has always been surrounded by whispers about how he treats women. Those whispers have been ignored, swept under the rug, hidden away by those in charge. But the world has changed, and the women are watching this promotion differently. This time, when they find out Ames is making an inappropriate move on a colleague, they aren’t willing to let it go. This time, they’ve decided enough is enough. Sloane and her colleagues’ decision to take a stand sets in motion a catastrophic shift in the office. Lies will be uncovered. Secrets will be exposed. And not everyone will survive. All of their lives—as women, colleagues, mothers, wives, friends, even adversaries—will change dramatically as a result. If only you had listened to us,” they tell us on page one of Chandler Baker’s Whisper Network, “none of this would have happened. “Exciting and sprinkled with razor-sharp insights about what it is to be a woman today, Whisper Network is a witty and timely story that will make you cheer for sisterhood.”—Liv Constantine, USA Today bestselling author of The Last Mrs. Parrish

- 📖 *Body Whispers* Amira Ayad, 2015-04-24 For years, as I practiced natural health and holistic nutrition, I have seen miracle shifts in health and healing when people learn to simply ‘listen’... I have assisted people change their diet, supplement the missing nutrients, implement exercise and manage their stresses... All these measures are essential to create great improvement in health and healing... Yet real shifts and amazing miracles only happened the moment people got hold of the root cause of their illness, the hidden reason behind their struggle... the moment they learned to listen to their body needs and implement the required emotional, spiritual and mental shift in their approach to life. This book is about your thoughts, emotions, lifestyle, beliefs and actions and their relationship to health and illness. It challenges you to dig deeper into the root cause of your challenges, diseases or concerns; to explore the associated thought patterns, beliefs and behaviors; and then take positive steps towards self-healing. The aim of this book is to teach you how to listen to your ‘Body Whispers’ and heed its subtle warning signs, then guide the way towards energy restoration and holistic healing by integrating and harmonizing all of you: Body, Mind, Heart and Soul.

- 📖 **Whisper Network** Chandler Baker, 2019-07-02 Sloane, Ardie, Grace and Rosalita have worked in the same legal office for years. The sudden death of the firm’s CEO means their boss, Ames, will likely take over the entire company. Each of the women has a different relationship with Ames, who has always been surrounded by whispers about how he treats women. Those whispers have been ignored, swept under the rug, hidden away by those in charge. But the world has changed, and the women are watching this latest promotion for Ames differently. This time, they’ve decided enough is enough. Sloane and her colleagues’ decision to take a stand sets in motion something catastrophic and unstoppable: lies will be uncovered, secrets will be exposed and not everyone will survive. All their lives as women, colleagues, mothers, adversaries will be changed for ever.
- 📖 **Whispers of Betrayal** Jefferey McGill, 2011-11-10 Whispers of Betrayal Black Women in Crisis presents many thoughts that black women think but are reluctant to speak. Black people are an enigma to other races in society. Why can’t blacks get their act together and vanquish their legacy of dependency on other races. Black women have had to carry the weight of her race hoping that black men will eventually display the strength she has had to summon to sustain herself, her children and the dignity and respect of black people when it is obvious that black men have lost the will to fight the good fight. Black men are deserting black women for women of other races. In doing so, black men surrenders their ethnicity, pride and will to triumph over the evils embedded in corruption and vice of the new world order.
- 📖 *Whispers of Silent Women* Sadika Kebbi, 2022-09-16 ** The Most Shocking True Stories (and Short Stories) You Will Ever Read in Women Books ** Considered one of the most powerful TEDx speakers, authors, and social activists, Sadika Kebbi presents shocking true stories of women and young girls who suffered narcissistic abuse, violence, rape, and poverty in cultures that forced them to be silent. In collaboration with the United Nations, UNICEF, and other NGOs, Sadika Kebbi visited struggling neighborhoods to help the most in need. After gaining people’s trust, the most heartbreaking real stories began to unfold. She’d meet the wife who was made to believe she’s a woman of no importance, the angry child who was abused, the daughter for sale, the silent wife in narcissistic abuse recovery, women and other monsters, girls with no family support, the mother who had to rent her body, and many other stories of women race and class. Among other women’s and true story books, those short stories in a hidden world will show both real pain and a call for intervention. Kebbi believes that writing and collecting these short stories gives voice to the voiceless, in the hope that sharing common human pain and suffering brings people together with compassion, understanding, and belonging. Such human ordeals are universal among all people and telling the hardest stories, Kebbi believes, helps heal human suffering. Whispers of Silent Women is here to remind us that every woman has the right to live her purpose in life, break outdated cultural norms, and rise.

- 📖 *The Whispers* Ashley Audrain, 2024-05-14 From the New York Times bestselling author of The Push, a propulsive page-turner about four families whose lives are changed when the unthinkable happens—and what is lost when we give in to our own worst impulses “Nobody delves as deep into the guts of motherhood as Ashley Audrain, she really is in a league of her own.” —Lisa Jewell On Harlow Street, the well-to-do neighborhood couples and their children gather for a catered barbecue as the summer winds down; drinks continue late into the night. Everything is fabulous until the picture-perfect hostess explodes in fury because her son disobeys her. Everyone at the party hears her exquisite veneer crack—loud and clear. Before long, that same young boy falls from his bedside window in the middle of the night. And then, his mother can only sit by her son’s hospital bed, where she refuses to speak to anyone, and his life hangs in the balance. What happens next, over the course of a tense three days, as each of these women grapple with what led to that terrible night? Exploring envy, women’s friendships, desire, and the intuitions that we silence, The Whispers is a chilling novel that marks Audrain as a major women’s fiction talent.
