James Magee

What's The Capital City? The Quiz Book B C Lester Books, 2020-12 Are you looking for a fun and challenging quiz to tackle solo? Or looking to tackle it with friends and family? Or a big bank of staple questions for a pub quiz/quiz night? Here's what you will discover with this book: Over 200 multiple choice questions: Choose from 4 possible answers from each question. 2 QUIZZES IN ONE! This one is a secret!! (until you open the book or read this description). Once you complete the world capitals, you will be greeted with the U.S. state capitals quiz (if you are not already quizzed out yet!) Challenging questions throughout: Sharpen your brain with these challenging multiple choice questions! We've gone the extra mile to ensure the multiple choices are hard to figure out, by mostly adding other settlements within a country as the options given. See an example of a question below! Child/Family friendly questions: No sensitive topics are asked about within this book. Keep Score: Optional scoring system to measure your quizzing ability! Matte paperback cover for durability and ease of carrying, so your child can tackle questions at home or on the go. Tackle the quiz alone, with your partner, or make it a social event with your friends and family! Quizzes are great on commutes, and long drives - and equally as great as a social fun event for friends and family. You cannot go wrong with a quiz night! *What's The Capital City? The Quiz Book* makes a perfect gift for adults and children with an interest in geography. Recommend age 8+ An example question would be: What is the capital city of Morocco? A. Tangier B. Marrakech C. Casablanca D. Rabat This question uses settlements found within the country in question as options, rather than giving choices like Berlin, Paris etc. alongside the correct answer (do you know what it is?), for a more challenging experience! Order your copy now for hours of endless fun. Be sure to check out other books in our range by clicking on the Author Page!

What Is the Capital Of... Julia Kossowska,2018-04-02 How many people really know all the American state capitals? How many people even know all the capitals? This book covers all 50 states and capitals. That's quite a list to learn! This book is available in two formats, Kindle and a glossy softback. If you have the Kindle version you can either navigate by going from page to page or you can choose any page from the Contents page and then return to the Contents page in the normal way you do on your device. If you have the glossy softback you can flick through it in much the same way but I have left plenty of room on each page so that if you want it could be used as a project book, with information written in, doodles and drawings included, and/or pictures stuck in. However you use it, I hope you enjoy it and become even more knowledgeable about the great states of America. If you liked this book please look out for others coming in the series covering the rest of the world.

Countries and Capital Cities of the World Quiz Gregory Zorzos,2009-11-01 In this Worksheet you must match the Capital Cities and States of the World (state, capital city) with a hint having the

definition of its capital. In these quizzes you have to unscramble each vocabulary word in case to find out the correct one.

Capital City Quiz Book Clint Glover, 2015-06-03 Think you know the Capital Cities of the World? Do you know the capital city of the United Kingdom or perhaps the USA? How about the Capital City of Solomon Islands? Test your knowledge of the Capital Cities of the World by completing the 20 quiz rounds within this book. The book has 200 questions covering the whole of this amazing planet.

What Is the Capital Of... Julia Kossowska, 2018-04-06 How many people really know all the capitals of Asia? Or even all the countries? I have included all the capitals of countries in more than one continent, i.e. Cyprus, Armenia, Russia, Turkey, Kazakhstan, Azerbaijan and Georgia, all of which are countries which span Europe and Asia. This means that this book covers 50 countries and capitals. This book is available in two formats, Kindle and a glossy softback. If you have the Kindle version you can either navigate by going from page to page or you can choose any page from the Contents page and then return to the Contents page in the normal way you do on your device. If you have the glossy softback you can flick through it in much the same way but I have left plenty of room on each page so that if you want it could be used as a project book, with information written in, doodles and drawings included, and/or pictures stuck in. However you use it, I hope you enjoy it and become even more knowledgeable about the great countries of Asia. If you liked this book please look out for others in the series covering the rest of the world. Enjoy your book!

Capitals of the World Matt Panta, 2016-07-24 Capitals of the World is a trivia book with all capitals of the world, at least from the most countries. The trivia is mostly of information that is not easily gathered and it is not, by any means, an encyclopedia. This will probably help you to know some crazy facts and maybe on trivia nights. Judging this book by its cover might be correct. It is

edited in a simple way and it simply shows the trivia.

What Is the Capital Of... Julia Kossowska, 2018-03-21 How many people really know all the capitals of Europe? You would think this was relatively easy but the map of Europe has changed many times throughout history, even in recent times. I have opted to include all the UK capitals and capitals of countries in more than one continent, i.e. Russia, Turkey, Kazakhstan, Azerbaijan and Georgia, all of which are countries which span Europe and Asia. This means that this book covers 54 countries and capitals. That's more countries than most people realise are in Europe. This book is available in two formats, Kindle and a glossy softback. If you have the Kindle version you can either navigate by going from page to page or you can choose any page from the Contents page and then return to the Contents page in the normal way you do on your device. If you have the glossy softback you can flick through it in much the same way but I have left plenty of room on each page so that if you want it could be used as a project book, with information written in, doodles and drawings included, and/or pictures stuck in. This would make a great project book.

The Best Quiz Book of the World Tom Trifonoff,2019-07-30 Many quiz books claim they have a “world” flavour to them, when in fact all they ask is where a famous monument is, or in which city are you likely to find.....??? Now, for the first time, comes The Best Quiz Book of the World which actually has the world in it, in the form of quizzes on 111 countries of the world. They include all the well-known ones, the controversial ones, the unique ones, the very small ones and countries that we may have heard about, and know very little about. In fact, it’s those countries that turn out to be very interesting countries through their history, geography, leaders and their culture. The Best Quiz Book of the World has 25 questions about each of the 111 countries listed in the book. It asks questions like

the capital city, currency, population, colours on the flag, economy, history, famous and infamous people, sporting and cultural achievements and even the letters on a web address. You will be surprised at how much you may know about a country already. If you don't, you will certainly learn something about each country in the book. There are 2775 questions in The Best Quiz Book of the World covering the 111 countries. The answers to each country quiz are on the following page to the questions. There is also detailed information on each answer, especially with regards to geography, population and sporting achievements. People will find The Best Quiz Book of the World fun and challenging. It can be used in formal quiz nights or less formal occasions when people want to challenge each other on a particular country. The Best Quiz Book of the World can also be used as a teacher resource in senior primary, and secondary schools. Enjoy finding out a lot more about our world with The Best Quiz Book of the World.
