**Yellow Eyes** Rutherford George Montgomery,1957

**Yellow Eyes** Rutherford George Montgomery,2001-03-20 Far back in the wildest of the mountain country hides Yellow Eyes, the great mountain lion. Beautiful and cruel, like all big cats, Yellow Eyes and his mate, are tawny shadows lurking in the forest. In Rutherford Montgomery's stories animals are animals, not beasts playing the parts of human beings.

*The Yellow Eyes of Crocodiles* Katherine Pancol,2013-12-31 Le Divorce meets The Elegance of the Hedgehog in this hilariously entertaining mega-bestseller from France When her chronically unemployed husband runs off to start a crocodile farm in Kenya with his mistress, Joséphine Cortès is left in an unhappy state of affairs. The mother of two—confident, beautiful teenage Hortense and shy, babyish Zoé—is forced to maintain a stable family life while making ends meet on her meager salary as a medieval history scholar. Meanwhile, Joséphine's charismatic sister Iris seems to have it all—a wealthy husband, gorgeous looks, and a très chic Paris address—but she dreams of bringing meaning back into her life. When Iris charms a famous publisher into offering her a lucrative deal for a twelfth-century romance, she offers her sister a deal of her own: Joséphine will write the novel and pocket all the proceeds, but the book will be published under Iris's name. All is well—that is, until the book becomes the literary sensation of the season.

**Yellow Eyes** Rutherford George Montgomery,2001-03-01 Far back in the wildest of the mountain country hides Yellow Eyes, the great mountain lion, the most cunning and powerful of his hunted kind. Beautiful and cruel, like all big cats, Yellow Eyes and his mate, The Golden One, are tawny shadows lurking in the forest. Rutherford Montgomery is known for his honesty in the portrayal of animal life. In his stories animals are animals, not beasts playing the parts of human beings in a false drama of the wilderness.

A poor choice leads to a big disaster, however, and Maria and Marco wind up injured and far from home. Worst of all, there's a frightening animal running around loose in the woods. Did that creature take Munch-Munch? Is it after them, too? Maria doesn't think God cared about her longing for a pet. So does he care about the mess they are in now? **WITH ACTVITITY PAGES TO SPARK YOUR OWN ADVENTURES!**

*Who Is It?* Stephane Delafond,Zade,2012 A funny story to make darkness less daunting! Whith glowing eyes for more fun!

**Yellow Eyes** John Ringo,Tom Kratman,2007-04-01 Stand Against the Posleen Horde! Earth invaded! The Posleen aggressors eating what population they don't outright vaporize! Now the aliens are closing in on a vital choke point for the humans: the Panama Canal. No canal, no food. No food¾the North American resistance crumbles, and hope fades. What's worse, slimeball appeasers within the U.S. State Department (surprise!) are set to sell out the resistance to another race of would-be galactic overlords. One problem for our enemies: when the chips are down for humans, heroes have a habit of arising: A captain of industry who whips a corrupt and inefficient Central American kleptocracy into fighting shape within weeks. A retired Panamanian woman warrior who returns to the field of battle to rally her people in a last stand to save their children. And a battleship that is literally brought to consciousness by the echoes of ancient naval tradition (and a sentient A.I.) to fight ferociously for her country ¾ and the captain she's come to love. It's a rip-roaring epic of tactics, heroism, and survival as only two masters of military SF (both of whom served in Panama during their stint in the Army) can tell it. Multiple New York Times and USA Today best-seller John Ringo and Tom Kratman, collaborator with Ringo on the intriguing and controversial Watch on the Rhine, deliver another exciting entry in Ringo's hugely popular Posleen War series. At the publisher's request, this title is sold without DRM (Digital Rights Management).
