You Were Made to Make a Difference Max Lucado, Jenna Lucado Bishop, 2010-09-14 This adaptation of *Outlive Your Life* for teens offers practical tips youth can take out into their community to make a difference, plus real-life stories about those who have done just that.

Outlive Your Life Max Lucado, 2012-04-23 Dear Friend, May I share a story that is very dear to my heart? It's a story of hillbillies and simple folk, net casters and tax collectors. A story of a movement that exploded like a just-opened fire hydrant out of Jerusalem and spilled into the ends of the earth: into the streets of Paris, the districts of Rome, and the ports of Athens, Istanbul, Shanghai, and Buenos Aires. A story so mighty, controversial, head spinning, and life changing that two millennia later we wonder: Might it happen again? Heaven knows we hope so. These are devastating times: 1.75 billions people are desperately poor; one billion are hungry. Lonely hearts indwell our neighborhoods and attend our schools. In the midst of it all, here we stand: you, me, and our one-of-a-kind lives. We are given a choice ... an opportunity to make a big difference during a difficult time. What if we did? What if we rocked the world with hope? Worth a try, don't you think? - Max Lucado One hundred percent of the author's royalties from *Outlive Your Life* products will benefit children and families through World Vision and other ministries of faith-based compassion.

What Can I Do? David Livermore, 2011-02-22 While "missions" used to be the territory of experts and missionary professionals, globalization has made the issues and needs of our world accessible to average Americans. Many American Christians feel overwhelmed by the scope of the brokenness in the world and conclude all they can do is go on with their lives. Others respond by giving and praying, and still others want to do more. *What Can I Do* shows that global mission is something we all can be part of in tangible ways. And while that might include going on a short term mission trip or providing financial support, there are many more ongoing and holistic forms of engagement. This book helps readers see that the roles they already have—business leader, scientist, teacher, student, parent, or neighbor—can provide ways to engage in global mission. Mission is what we were created to do. It includes evangelistically calling people to follow Jesus wherever we go, whatever we do. But it's more than that. This book will help us explore the way our ordinary, everyday tasks of work and life can be part of God's mission to heal a broken world.

Make a Difference Dr. Larry Little, 2013-04-04 Do you ever feel like you aren't connecting with someone in your life? Maybe it's an employee, a co-worker, a boss, or a business partner. Maybe it's a spouse, a child, a parent, or a friend. The truth is, at some point, we all struggle to maintain good relationships with the people with whom we live our lives. Healthy relationships don't "just happen," but rather are intentionally grown through work, investment, and dedication to connecting with another person where they are. Dr. Larry Little has made it his life's work to help people cultivate healthy relationships, and this mission led him to write *Make A Difference*, the first book that inspired the four-part EAGLE Leadership Series. His model of creating self-awareness that leads to "others-awareness" has led thousands of individuals to grow meaningful and positive relationships with the people they love, live with, and lead. *Make A Difference* is powerful in its simplicity, and will walk you through a proven process of connecting with others by equipping you with the tools that you need to truly begin investing in the important relationships in your life. Dr. Little guides you to lead yourself and others better by choosing to intentionally invest in relationships. You can *Make A Difference*.

A Million Little Ways Emily P. Freeman, 2013-10-01 The majority of us would not necessarily define ourselves as artists. We're parents, students, businesspeople, friends. We're working hard, trying to make ends meet, and often longing for a little more--more time, more love, more security, more of a sense that there is more out there. The truth? We need not look around so much. God is within us and he wants to shine through us in a million little ways. *A Million Little Ways* uncovers the creative, personal imprint of God on every individual. It invites the discouraged parent, the bored Christian, the exhausted executive to look at their lives differently by

approaching their critics, their jobs, and the kids around their table the same way an artist approaches the canvas--with wonder, bravery, and hope. In her gentle, compelling style, Emily Freeman encourages readers to turn down the volume on their inner critic and move into the world with the courage to be who they most deeply are. She invites regular people to see the artistic potential in words, gestures, attitudes, and relationships. Readers will discover the art in a quiet word, a hot dinner, a made bed, a grace-filled glance, and a million other ways of showing God to the world through the simple human acts of listening, waiting, creating, and showing up.

This book will inspire readers to build a positive legacy in the lives of others and take the role of influencer to heart. Each chapter includes questions and ideas for personal reflection and practical application, and can be used to guide group discussions as well.
