9 Highland Road Michael Winerip,2012-07-04 Before Julie Callahan came to the house at 9 Highland Road in Glen Cove, New York, she had spent a good part of her young life in mental hospitals, her mental and emotional coherence nearly destroyed by a childhood of sexual abuse. Fred Grasso, a schizophrenic, had lived in a filthy single-room occupancy hotel. At 9 Highland Road they and their housemates were given a decent alternative to lives in institutions or in the streets. It was a place in which some even found the chance to get better. This perfectly observed and passionately imagined book takes us inside one of the supervised group homes that, in an age of shrinking state budgets and psychotropic drugs, have emerged as the backbone of America's mental health system. As it follows the progress and setbacks of residents, their families, and counselors and notes the embittered resistance their presence initially aroused in the neighborhood, 9 Highland Road succeeds in opening the locked world of mental illness. It does so with an empathy and insight that will change forever the way we understand and act in relation to that world.

The Royall Send-Off Kasey Michaels,2020-02-04 Winifred Fassbinder was raised on a Pennsylvania farm that has been in her family since the 1700s. As the last surviving Fassbinder, however, she now resides at Royall Crest, an upscale 55-and-over slice of Heaven...or at least its residents hope Heaven can live up to their cushy lives at Royall Crest. But Winnie, who tries to be as uninvolved in other people's lives as possible, has begun to wonder if some of the Charter Members at Royall Crest aren't finding out about the real Heaven in oddly increasing numbers. As a Charter Member herself, Winnie figures it might be time she does a little investigating. Yet even as she wonders how to do that, she's faced with a weepy but adorable Pollyanna, a runaway murder suspect with an attitude, a floater in one of the Royall Crest hot tubs, a Bad Boy with good intentions, and a cop who just wants to slide into retirement without complications. Written in the vein of Kasey's Maggie Kelly bestselling mystery series, the crimes are off-the-wall, the cast of characters wacky but loveable creations of her fertile imagination and love of the ludicrous. Only this time, the Senior Set gets into the act!

Light on Lucrezia Jean Plaidy,2011-01-18 Some said she was an elegant seductress. Others swore she was an incestuous murderess. It didn't matter what they called her. Now, married for the second time at just eighteen, she hopes for happiness with her handsome husband, Alfonso. But faced with brutal murder, she's soon torn between her love for her husband and her devotion to her brother Cesare . . . And in the days when the Borgias ruled Italy, no one was safe from the long arm of their power. Even Lucrezia. In this compelling story of a beautiful woman caught up in a tortuous web of fear and love, Jean Plaidy sheds light on the much maligned Lucrezia and vividly brings her to life.

Love by the Glass Dorothy J. Gaiter,John Brecher,2011-11-02 "I am deeply inspired by this heartwarming story of how two people found love and—even better—a way to get paid for drinking wine." —Dave Barry Internationally renowned journalists Dorothy J. Gaiter and John Brecher present a captivating memoir about falling in love with each other and with wine. She grew up in the all-black environment of Florida A&M University in Tallahassee. He was raised in Jacksonville, Florida, where his was one of a handful of Jewish families. When they met on June 4, 1973, in the newsroom of The Miami Herald, she says, "I felt in my bones like I had known him forever." And he says, "I felt the instant I saw her that we had always been together, and knew we always would be." That passion for each other and for wine has made their column a must-read for millions of neophyte and veteran wine lovers, who also follow their appearances on Martha Stewart's TV show. The annual global celebration of wine that they created, "Open That Bottle Night," encourages readers to finally drink that special wine they have been keeping. As Dottie and John write, "Wine can conjure up memories in a way that few other things can," whether it's a rare Burgundy or a bottle of cold duck. Frank J. Prial of The New York Times said of their first book, The Wall Street Journal Guide to Wine, "Their enthusiasm for the grape . . . is exceeded only by their enthusiasm for each other. It spills over on every other page." Indeed, John and Dottie say they don't write a wine column; they write a column about more important things. This book follows them from love at first sight, through a life of journalism, to a triumph on the basketball court at Madison Square Garden. You'll discover the joys of wine along with them, but you'll also discover that wine is really about good times, bad times, moments shared with loved ones, and new friends. It's about memories. It's about life.
