Mobile Speech and Advanced Natural Language Solutions

Amy Neustein, Judith A. Markowitz, 2013-02-03 Mobile Speech and Advanced Natural Language Solutions presents the discussion of the most recent advances in intelligent human-computer interaction, including fascinating new study findings on talk-in-interaction, which is the province of conversation analysis, a subfield in sociology/sociolinguistics, a new and emerging area in natural language understanding. Editors Amy Neustein and Judith A. Markowitz have recruited a talented group of contributors to introduce the next generation natural language technologies for practical speech processing applications that serve the consumer's need for well-functioning natural language-driven personal assistants and other mobile devices, while also addressing business' need for better functioning IVR-driven call centers that yield a more satisfying experience for the caller. This anthology is aimed at two distinct audiences: one consisting of speech engineers and system developers; the other comprised of linguists and cognitive scientists. The text builds on the experience and knowledge of each of these audiences by exposing them to the work of the other.

Tasner,2012-07-11 Understand the Business Value You’re Getting from Social Media, so You Can Optimize It: Now, Tomorrow, and

for Years to Come Four great books show you how to capture the data you need to drive better results from social and online marketing—and use that data to improve ROI, quickly and continuously. In *SEO & PPC: Better Together*, Melanie Mitchell shows how to use SEO and pay-per-click together to achieve better results than either can deliver alone. You'll learn how to integrate SEO and PPC in campaigns that engage more consumers and use data from both to improve the performance of each. Next, in *How to Use Social Media Monitoring Tools*, leading social media marketer Jamie Turner offers a fast-paced primer on social media monitoring and realistic, low-cost methods for getting started. Turner introduces many of today's most valuable monitoring tools and presents a practical eight-step social media monitoring plan that can be implemented rapidly by virtually any company. In *How to Make Money with Social Media Optimization*, Robert Scott Corbett helps you master "SMO": the strategic use of social media engagement to supercharge brands, extend reach, influence conversations, build share, and drive profits. Finally, in *Marketing in the Moment: The Practical Guide to Using Web 3.0 Marketing to Reach Your Customers First*, top Web marketing consultant Michael Tasner helps marketers, entrepreneurs, and managers move beyond hype and high-level strategy to proven tactics and successful ground-level execution. You'll discover which new marketing technologies deliver the best results and which hardly ever pay for themselves...how to use virtual collaboration to accomplish marketing projects faster and at lower cost...how to build realistic action plans for the next three months, six months, and twelve months. Whatever you sell, these books will help you build leads, traffic, sales, market share, and profits!
