A Confederacy of Dunces John Kennedy Toole,2007-12-01 Winner of the Pulitzer Prize “A masterwork . . . the novel astonishes with its inventiveness . . . it is nothing less than a grand comic fugue.”—The New York Times Book Review A Confederacy of Dunces is an American comic masterpiece. John Kennedy Toole's hero, one Ignatius J. Reilly, is huge, obese, fractious, fastidious, a latter-day Gargantua, a Don Quixote of the French Quarter. His story bursts with wholly original characters, denizens of New Orleans' lower depths, incredibly true-to-life dialogue, and the zaniest series of high and low comic adventures (Henry Kisor, Chicago Sun-Times).

*Will You Please Be Quiet, Please?* Raymond Carver,2015-05-25 The first collection of stories from “one of the great short story writers of our time” (The Philadelphia Inquirer) breathed new life into the American short story, showing us the humor and tragedy that dwell in the hearts of ordinary people. [Carver's stories] can ... be counted among the masterpieces of American Literature. —The New York Times Book Review One of the great short story writers of our time—of any time. —The Philadelphia Inquirer The whole collection is a knock out. Few writers can match Raymond Carver's entwining style and language. —The Dallas Morning News

**Twelve Years a Slave** Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

**Achtung-Panzer!** Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book – used as a textbook by Panzer officers in the war – has an introduction and extensive background notes by the modern English historian Paul Harris.

The Ethical Sellout Lily Zheng,Inge Hansen,2019-10-29 A collection of real-life stories that convey how to maintain integrity while navigating situations that challenge personal principles. We all fear selling out. Yet we all face situations that test our ideals and values with no clear right answer. In a world where compromise is an essential aspect of life, authors Lily Zheng and Inge Hansen make the bold claim that everyone sells out—and that the real challenge lies in doing so ethically. Zheng and Hansenshare stories from a diversity of people who have found their own answers to this dilemma and offer new ways to think about marginalization, privilege, and self-interest. From these stories, they pull out teachable skills for taking the step from selling out to selling out

ethically. The Ethical Sellout is for all those committed to maintaining their integrity in a messy world. “This book is packed with wisdom that you can incorporate into your daily lives and stories that you get lost in. If you are doubting your decisions or feeling guilty for not living your truth, this book is for you. I have no doubt that everyone out there will find a story or two that resonates.” –Sara Nasserzadeh, Senior Cultural Advisor to the United Nations “The Ethical Sellout blows wide open the conventional understanding of what it means to “sell out.” Zheng and Hansen with their witty commentary, vivid storytelling, and timely suggestions for selling out ethically have written a primer for all of us looking to find our way.” –Dereca Blackmon, Assistant Vice Provost, Diversity and Inclusion Office, Stanford University “It is refreshing to consider the concept of selling out through a new lens and striking the balance between meeting our needs and staying true to our higher purpose. Zheng and Hansen courageously consider a question so many of us wrestle with and draw groundbreaking conclusions.” –Jennifer Brown, CEO, Jennifer Brown Consulting; author of Inclusion and How to be an Inclusive Leader; and podcast host of The Will to Change
