Zodiac: A Novel Sam Wilson,2017-02-07 In a volatile society ruled and divided by its citizens' zodiac signs, a serial killer is on the loose: is it a misguided revolution or something more sinister? A starting new thriller with one of the most original concepts in years, where the line between a life of luxury and an existence of poverty can be determined by the stroke of midnight. In San Celeste, a series of uniquely brutal murders targets victims from totally different walks of life. In a society divided according to Zodiac signs, those differences are cast at birth and binding for life. All eyes are on detective Jerome Burton and astrological profiler Lindi Childs—divided in their beliefs over whether the answer is written in the stars, but united in their conviction that there is an ingenious serial killer executing a grand plan. Together, they will unravel a dark tale of betrayal, lost love, broken promises and a devastating truth with the power to tear their world apart . .

Zodiac Robert Graysmith,2020-05-05 Robert Graysmith's New York Times bestselling account of the

desperate hunt for a serial killer and his own investigation of California's unsolved Zodiac murders. A sexual sadist, the Zodiac killer took pleasure in torture and murder. His first victims were a teenage couple, stalked and shot dead in a lovers' lane. After another slaying, he sent his first mocking note to authorities, promising he would kill more. The official tally of his victims was six. He claimed thirty-seven dead. The real toll may have reached fifty. Robert Graysmith was on staff at the San Francisco Chronicle in 1969 when Zodiac first struck, triggering in the resolute reporter an unrelenting obsession with seeing the hooded killer brought to justice. In this gripping account of Zodiac's eleven-month reign of terror, Graysmith reveals hundreds of facts previously unreleased, including the complete text of the killer's letters.
