Tanked Wayde De King, Brett Raymer, 2014-03-18 DIVCo-owners of Las Vegas's Acrylic Tank Manufacturing (ATM) and stars of the Animal Planet hit show Tanked, rowdy brothers-in-law Wayde King and Brett Ryamer build some of the most enormous, awe-inspiring aquariums for top celebrities, luxury hotels and casinos, Fortune 500 businesses, and millionaire homeowners across the country, taking on tanks ranging from 50 gallons to 50,000. Jackass producer Jeffery Tremaine commissioned a two-ton salt-water tank for his man cave--and hijinks of course ensued. The guys kept their gloves on when the president of the Ultimate Fighting Championship ordered the ultimate "Aquagon" for UFC headquarters. Then Wayde and Brett tried to beat the clock when Miami Heat's Dwyane Wade asked them to create a pop-up tank featuring his new Sting Ray sneaker at the unveiling party during NBA All-Star weekend. In the newest episodes, the guys bring their clients' wildest visions to life with: a Cleopatra sarcophagus tank with fish from the Red Sea for an archeology-themed room at a boutique hotel; a retro rocket-ship aquarium for the headquarters of Rocket Fizz Soda Pop and Candy Shop with candy-colored fish and fizzing soda bottles; a giant lava lamp tank that changes colors, glows in the dark, and features jellyfish; a smokin' hot aquarium to honor Fairleigh Dickson University's Devils with a lifelike fire element; and a slot-machine tank for a wedding chapel in Las Vegas. Tanked: The Book features detailed, in-depth profiles of ATM's top builds, the inside story of how they climbed to the top of the shark-infested world of custom

aquariums, fascinating profiles of the cast, never-before-told behind-the-scenes stories direct from the set, celebrity testimonials, and fun sidebars like “fish facts” and “tank tips” so everyone can get tanked at home. /div

Hyperbole and a Half Allie Brosh, 2013-10-29 #1 New York Times Bestseller “Funny and smart as hell” (Bill Gates), Allie Brosh’s *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog *Hyperbole and a Half* the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, “The God of Cake,” “Dogs Don’t Understand Basic Concepts Like Moving,” and her astonishing, “Adventures in Depression,” and “Depression Part Two,” which have been hailed as some of the most insightful meditations on the disease ever written. Brosh’s debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn’t me wrote it—but I soon discovered that I’m not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars* Stories about dogs The secret to eternal happiness* *These are lies. Perhaps I have underestimated my sneakiness!
