**The Serpent's Tooth** Nancy Marston, 2023-08-15 The Serpent's Tooth is the memoir of a courageous mother who fights tirelessly for the life of her daughter—a successful young film actress led criminally astray by a controlling older man—and her husband—a highly-decorated fire captain who falls prey to drugs. This riveting tale of betrayal, addiction, and a lottery jackpot which leads to a dramatic courtroom trial. The story unfolds with famous attorneys battling over millions in legal fees, when greed rears its ugly head and becomes the primary motive. Through all the deceit and lies, a hard-edged judge is left to make the final decision as to who the rightful owner of the \$5.2 million-dollar lottery prize is. Filled with emotions from anger and hate to grief and loss, the reader is wondering how this all could have ever happened. In the end, who is left standing, who falls, and who was ultimately to blame?

**Once a Cowboy** Marvin A. Nottingham, 2000-03 From his eyewitness adventures in the storming of Iwo Jima with the 4th Marines to his induction into the US Navy Seabees, Nottingham provides a sometimes stark and sometimes amusing description of life in the military. Born in Sheridan and raised in Big Horn, Wyoming, Nottingham flashes to events which conditioned his response to challenges. Frequent references to people who influenced his life provide interesting glimpses into factors affecting his path to family and career. If one of the vignettes in *The Greatest Generation* by Tom Brokaw were to be expanded, it might look very much like the account in *Once a Cowboy*.

**Incomprehensible Demoralization** Jared Combs, 2008 Book Review: 5 Stars Courageous... We have an erroneous vision of what an addict looks like. The person sitting next to you in church could be an addict. It could be your doctor, lawyer, postal worker, or the little old lady that lives next door. *Incomprehensible Demoralization* drew me in and held me captive. Jared Combs describes the life of an addict and pharmacist. His marriage was deteriorating, but the pills were more important. Through the Lord, his Church, the support of his family and AA, he has become a recovering addict. Combs seizes every opportunity to help others. Share his witness. **Chronicles of the Zulhan Empire** Jeffrey Resurreccion,2008-02-13 On the verge of a cultural and political revolution, the Zulhan Empire faces a war it has never seen before. It has to battle an enemy that has no code, no morals and no purpose other than destruction. The champions leading them are the Knights of the church who bear the light of the Almighty Zulha. Two of the Knights, Sebastian and Seibzehn, need to set aside their differences and work together in order to save the empire from an impending doom.

**Identity Theft** Mike Breaux,2011-02-22 Identity theft. We all know the damage it inflicts—or do we? There's a kind of identity theft that goes far deeper than our financial records. It impoverishes our souls and keeps us from experiencing the richness in life God intends for us. Have you been ... Robbed by Relationships? Mugged by the Mirror? Stolen by Success? Pickpocketed by the Past? Mike Breaux exposes the four "identity thieves" that steal our sense of who we truly are and render our lives diminished versions of what they were intended to be. We were never meant to be chameleons, changing into whatever we need to be in order to gain love and acceptance. We were created for more—much more—than the way we look, what we accomplish or fail to accomplish, and the sum of our past rejections, failures, and wounds. The good news is that no matter how they were stolen, our identities are retrievable. With trademark humor, compelling stories, and down-to-earth wisdom, Mike Breaux shows how we can reclaim our deep, God-given identities and live freely, purposefully, and joyously out of a renewed knowledge of who we truly are.

**Detroit, Lenacrave and Cleveland** Brooke,2010-12-15 I was almost as hard headed as it gets while repeatedly insisting on missing and ignoring the entire point that Mom and a few others tried to get me to realize. GET YOUR EDUCATION!!! I still had some great times here and there every now and then, and I can only imagine how beautiful-my-life-would-have-been if I would have followed the The Golden Rules. Some wonderful things have happened to me even though I still feel that I truly did not deserve or even know how to sincerely enjoy thoroughly, but on the other hand, some not so wonderful things have happened to me that I basically brought on myself as a direct result of not following The Golden Rules. EDUCATION IS A MUST!!! I know my family was not the only family that has gone through a divorce, and I know there are millions of kids who went through divorce without a scratch. I am not blaming any of my failures as a man on the pitfalls of divorce, but I can clearly see now that my character flaws were a direct hit stemming from the casualties of my parents divorce. I did not ask to be me, and I certainly did not ask or expect to be stuck on stupid for almost three tenths of a century. It was what it was! If I would have known their divorce would eventually effect me which I believe set the wheels in motion that turned towards me turning out the way I have, I would have started Praying that night. But I had no idea it would, and neither did they. I can only imagine how beautiful my life would have been if their marriage was meant to be, but it was not about me. Brooke!

**Four on the Floor** Thomas S. Fiske,2004-03 Two Arms and Three Elbows, The Day the Python Pooped and many other favorite stories for teen-age kids and their parents lie in wait for readers. Following, maybe stumbling, in the

footsteps of James Thurber, Robert Fulghum, and William Bennett, the author tells stories about raising kids and being raised, about strange science and even stranger history. Written to be edifying, the stories are true, they have points (sometimes morals), and they entertain. They are perfect for the school teacher who has a few minutes to spend between lessons or until the bell rings, and wants a story for his or her students. These are stories about envy, gun safety, the terrors of parenthood, racism, the pledge to our flag, uses of magnetism, and digging up a privy. What more could a person ask for?

Chicken Fools Stew Michael D. Hunt, 2002-12 Chicken Fools Stew is centered around the life and times of quadrupled-divorced Michael Devin Hughes. The stories are Hughes' observations on family, life, and love, though not necessarily in that order. Fast-paced and genuinely funny, Chicken Fools Stew provides entertaining family reading. Among the short stories included in Chicken Fools Stew are the following: Birthday Parties—as Hughes and his son Malcolm attend the ultimate children's birthday party, Hughes attempts to go one better, but he is out of his league as he finds out; Hotels—Hughes prepares the perfect weekend for daughter Millicent only to discover that his choice of hotels does not meet his daughter's exacting standards; and My Ex-Wife and Plants—Hughes' first wife Marcia discovers she has been banned from buying plants at all area nurseries. Hughes adds to her misery, by playing a practical joke that backfires tremendously.

Daughter of Aaron Joel Vernon Smith, 2016-12-12 Daughter of Aaron: Part One Fear by Joel Vernon Smith When Eddie Sand was given a medical discharge from the Army, he spent the next sixteen years in a Detroit suburb. By 1984, when he had just turned thirty-nine, Eddie was fully aware that the demons from Vietnam wouldn't depart from him. One night in October, a flamboyant man steps into Eddie's life. Leonard Parks is wealthy, he says, because of his inborn writing talents. He asks Eddie to accompany him to a special project in Grand Traverse County, Michigan, promising him a huge paycheck. The older citizens in Grand Traverse County are in continual disagreement: some say that Elsie DuJack died in a drowning accident during the summer of 1911 when she was only seven years old. Others say that the parents kept their feeble-minded daughter hidden until 1967. A third group argues that a thoroughly haunted and lonely Elsie is still alive at age eighty in 1984, though she had always been incredibly elusive. The two men will spend a night in the home. The motive: to lure the old woman from the shadows.

**How God Moved My Ashtray** John Paladino, 2019-08-17 Up until his mid-40's, John, Little John Paladino's life was spent stealing, robbing, cheating and pursuing illegal activity. A notorious and feared enforcer for the mafia, John prided himself on inflicting others with terror and ensuring devastation. Having been in and out of prison and other correctional facilities most of his life, his peace was void and pain plagued and pierced everything and everyone around him. In between prison bids, John was also involved in several near-fatal accidents, including one which killed his own friend. There was no explanation to John's continued survival other than the beginning of his recognition, that God just wasn't done with him yet. It was on Memorial Day 2011, that his life changed radically after a foolish

challenge to God, just the night before. This is the story of how God moved John Paladino's ashtray, a feat no man could do for himself, and the subsequent steps John took to walk out a new life, redeemed, as a new man.

**Of Pathics and Evil** Joseph Freeman, 2022-03-10 Joseph Sguigna researched the subject of evil in relation to psychopathy for sixteen years, and his book *Of Pathics and Evil: A Philosophy Against Malice*, is the culmination of that research. Mr. Sguigna's insightful approach to the subject of psychopathy differs from all other books on the subject from four standpoints: (1) it is a compilation of personal accounts from psychopaths themselves and from their victims; (2) he has cleared up the frustrating problem of distinguishing the differences between the psychopath, the sociopath, the narcissist, and the psychotic; (3) he has consolidated these four terms under the inclusive term pathics; (4) he has brought to the foreground an awareness of pathic behavior in both women and children, which has been mostly in the background of (psycho) pathic studies; and (5) he explores the phenomenon of the pathic character in relation to human evil through an extensive compilation of quotations by eminent persons on the subject of evil as inherent to human nature.
