The James Brothers series will follow a family of five brothers living in Los Angeles. The James brothers have a reputation of being the bad boys of the street racing world. Their world revolves around all things cars even owning a car shop. *Pedal to the Metal* follows the story of Jagger James. Five years ago a tragic accident changed Jagger's life forever. He ran from L.A. to Las Vegas, leaving his father, four brothers, and former life behind. Now, after his father's death he's returning to help his brothers with the family business and his former street racing reputation. On his first night back in town his path crosses with Londynn at the races. She awakens something in him that he hasn't felt since that fateful night years ago. Londynn Parrish may look like your typical rich girl but she's far from it. Her entire life has been prepared and handed to her, but all she craves is freedom. Freedom to make her own choices and build her own life. Even if that means leaving behind the life she knows and moving forward with one of the James brothers. Jagger is your typical bad boy with a tortured past and grew up on the wrong side of town. He's been gone for five years, but he's back now and neither Londynn or Jagger can deny the pull they feel for one another. Can Jagger let go of his past and create a future with Londynn? Can Londynn let go of the life prepared for her? Londynn has secrets of her own she's trying to hide, but will Jagger be the one to bring the wall down?

Bullet Hole Drive Karl J. Niemiec,2013-07 Customer Review: July 26, 2013 By Lucia Humes 5.0 out of 5 stars - Rip roaring fun. The action never stops and keeps you turning the pages. Great characters and plot twists. Karl J. Niemiec has a wry sense of humor that runs throughout. An action adventure-detective mystery, set in 1979, Portland Cooper, is a hardnosed Corsa Mechanic (Engine Whisperer), belonging to the North Hollywood Corvair Club, who works for his beautiful publicist girlfriend, Gwen Hawkins, solving show biz problems that get him into a lot of trouble. Boys will be boys. But motorheads take it beyond the legal limits. As kids, they grew up together, as teens they built cars together, as twenty somethings they took on the streets of LA together. As men it's time to see who gets the girl together in a pedal to the metal citywide demolition mystery behind the wheels of their pride and joys. Only one drives away from the carnage of 1966 American and German classics - Porsche verses Corsa, to love another day. See original photos of Portland Cooper's Corsa at: <http://www.laptoppublishing.com/bullet-hole-drive/>. His car was seen in California Hotwax and was driven by Joe Average featured in Narcotic Justice and driven by Jozeph Picasso in the novel trilogy Jozeph Picasso's Alien Trilogy - Filmmaking Adventures.
