Q-Squared Peter David,1995-08-01 In all of his travels Captain Jean-Luc Picard has never faced an opponent more powerful than Q, a being from another continuum that Picard encountered on his very first mission as Captain of the Starship Enterprise™. In the years since, Q has returned again and again to harass Picard and his crew. Sometimes dangerous, sometimes merely obnoxious, Q has always been mysterious and seemingly all-powerful. But this time, when Q appears, he comes to Picard for help. Apparently another member of the Q continuum has tapped into an awesome power source that makes this being more powerful than the combined might of the entire Q continuum. This renegade Q is named Trelane -- also known as the Squire of Gothos, who Captain Kirk and his crew first encountered over one hundred years ago. Q explains that, armed with this incredible power, Trelane has become unspeakably dangerous. Now Picard must get involved in an awesome struggle between super beings. And this time the stakes are not just Picard's ship, or the galaxy, or even the universe -- this time the stakes are all of creation...

Another Heaven Renee Roszel,2013-11-22 A Six Hundred Million Dollar Treasure Hunt! Barren Heath Isle hides a vast fortune, and the Danforth clan has been set against one another in a race to find it by cunning Lydia Danforth, who's determined, even in death, to give her late husband's family as much trouble as she possibly can. Rule Danforth, Arnold Danforth's son and legitimate heir, was deserted by his philandering father many years ago. He pulled himself up by his bootstraps and became a veterinarian, dedicated to the preservation of a breed of endangered Zebras. His leased property has been sold, so he is in desperate need of a new, permanent home where his rare equines can breed and thrive. When Mandy McRae, landscape architect for Barren Heath Isle, offers to help him in the treasure hunt, Rule doubts that her objectives are as pure as they sound. But there's something about her, something that attracts and troubles him. Yet, she knows the island, and his cause is heroic. Their 'all-business' relationship takes a hit when they find themselves lost in the thrill of each other's arms. Is Mandy McRae all she appears to be? Will the Danforth curse follow Rule all the days of his life? Or will he find a treasure on Barren Heath Isle worth far more than mere money? PRAISE FOR RENEE ROSZEL: She is delightful, eloquent and humorous all in one. —Rendezvous Magazine Talented...realistically excellent characterization —Romantic Times

Prison Stories Harold F. Green,2013-08-12 This book is a story or series of stories about people. People in prison: some are employees, but most are inmates. This book is their story. In prison everyone has a story and most want to tell their story. The main problem is to get someone to listen. It is often a story of violence, a story of loneliness, and in many cases the horror of the unknown. This book is the result of countless hours of listening to story by story of hatred. Countless days (indeed years) about plans for that day when they get out. This book is the Boiling Down of the American version of Crime And Punishment. Hopefully someone will see a ray of hope in the human predicament called Crime.
