Introduction to Zi Wei Dou Shu - Si Hua Lineage

Calvin Yap, 2020-12-30 My journey in learning Zi Wei Dou Shu started as an accident. Zi Wei Dou Shu has been under my radar for longest time but I did not manage to learn it for various reasons until my friend and celebrity chef, Daniel Tay suggested that I go over to Malaysia to learn from Master Jessmond Ong and Master Ng. It was an eye opening experience for me. From there I bought an English book by Master Ng titled Flying Star Zi Wei Dou Shu. In that book, there is a foreword written by Si Hua Grandmaster, Kang Hui Huat. After some searching, I realised that Grandmaster Kang is from Singapore, and I managed to contact him. After meeting Grandmaster Kang, I decided to take private classes with him and subsequently completed his version of Si Hua Zi Wei Dou Shu. Zi Wei Dou Shu is a very complex system for destiny analysis but it has a high level of accuracy. It gives you multiple dimensions of analysis. I hope this book will give you some insights into Zi Wei Dou Shu. However, to actually learn and understand how to analyse Zi Wei Dou Shu, I would suggest that you attend a proper course. Lastly, the Zi Wei Dou Shu stars in this book are arranged by Palaces for easy reference.

The Empyrean Matrix Y. M. Lim, 2013-08-16 Human beings have long questioned the meanings of existence and contemplated the infinitesimal position and the mortal fate of mankind in the vast expanse of the cosmos. In our modern secular world, most people held the belief that they could exercise free will and control their destiny. Some people decided to resign to fate because they believe that their life is probably cast in stone. What if they are all wrong? Have you ever contemplated the possibility that the blueprint of your life is predetermined, and that only when you gain insight into the past, present and future of

your life, that you can then better exercise free will? And with these insights, do you wish to have the mean to capitalize on opportunities and to avert impending misfortune? The Fate of Man may be written in the stars and the celestial bodies, within The Empyrean Matrix. Life may be unkind; a prolonged and weary struggle. But with Zi Wei Dou Shu (Purple Star Astrology), mankind may finally be able to have a glimpse of the fourth dimension, the ability to witness the stories of his or her life forward and backward, and perhaps the chance to get off the grid and beat the system. It is the blueprint of destiny, the roadmap and tool to navigate through the course of life towards higher aspirations, and away from the pitfalls along the way. Zi Wei Dou Shu is the most highly revered and renowned Destiny Study in Chinese Metaphysics, and one of the most accurate and detailed system in the whole of Astrology. The Empyrean Matrix- A Guide to Purple Star Astrology (Zi Wei Dou Shu) is a comprehensive and concise volume that details this study with instructive explanations; from the plotting of charts, star characteristics and formations, to interpretations and practical usage. This book covers: 1. The Chinese Metaphysical Theories behind the many aspects of Zi Wei Dou Shu. 2. Concise step by step technical explanations on the Constructions of the Charts, Plotting of Stars, Raising Periods, and Analysis of Charts. 3. Many Techniques and Methodologies of Orthodox Zi Wei Dou Shu not featured in many English Zi Wei Dou Shu publications. 6. Meticulously and rigorously written information on the system. 7. Detailed analysis of Case Studies. 8. Philosophical Insights of the system from the Author's perspective.

Zi Wei Dou Shu is an ancient Chinese way of fortune telling by making a Zi Wei pan or chart according to a person's birthday and time when he or she was born. Over the years, I have seen so many people getting their charts and unable to relate to what was supposed to be their fortune. Many of them are unaware of they are using the wrong 'pan' / chart to begin with, with an incorrect chart anything said from the incorrect chart is useless information. After years of studying, I decided to write this book to ensure the basics about how to make sure the 'Zi Wei pan' / chart is the correct one. A correct Zi Wei pan / Chart is the first step of starting to understand a person's personality, potential, factors of life and fate. These foundation to getting the correct chart will ensure how to

interpret one's life for better guidance with life-oriented planning and direction.

Easy to understand Zi Wei Dou Shu ALEX ALPHA - CHU NHAT HUY, 2023-07-07 This book is primarily intended for looking up Zi Wei Dou Shu terms by users who do not know about ZWDS and beginners rather than a ZWDS chart reading guide book. However, if you have a grasp of the book, you will naturally know how to read a ZWDS chart. It is because the book helps you understand each brick and general structure of a house. Once you have a solid understanding, you can naturally build the house. All learning subjects have static and dynamic aspects. The static part is temporarily acquired by the learner, usually consisting of prerequisites and conceptual definitions. The static part is inherited from previous scholars and classic texts. The dynamic part is the result of the user's experience and the consolidation of knowledge. There are exceptional users who have the ability to revisit and upgrade the static part, such as Albert Einstein. But for most of us, when we first learn, we have to absorb the classical knowledge first and then apply and transform it later. Within the framework of this book, the terms are only explained in the most basic way to give you an idea and visualization, rather than providing complete and perfect explanations.

The Prosperity Sigma Y. M. Lim, 2014-02-22 The Prosperity Sigma is a “get rich self help” book, but of the metaphysical kind. Wealth and success are important aspects for most people. Many have worked hard for riches and fortune, but they always lead to variable outcomes, usually futile. Without knowledge of our destiny, we often fumble along in the darkness, believing that the future is but a mere figment of our mind and that by the sheer volition of our freewill, we can shape our own future. That is right to a certain extent if we do not place fate in the equation. Freewill does play a part in shaping our destiny, but fate is a predestined condition that is not apparent to most people. Using the most highly renowned and accurate system of astrology: Purple Star Astrology also known as Zi Wei Dou Shu, it will prove them otherwise; that fate is already cast in stone from the day that we are born, and that only with knowledge of fate can we then exercise our freewill effectively. This is a book that will help to improve your fiscal situation. The Prosperity Sigma is a treasure map that will help you identify the hidden pots of gold that you might pass by throughout the course of your life, as well as allowing one to navigate safely from potential pitfalls along the way. This book

reveals the following:• 144 Types of Birth Template Profiles from Single Star, Double Stars and Empty Life Palaces for easy reference on financial strengths, weaknesses, career options, investment strategies and extensive insight of personality for individuals. • Identification of specific good and bad luck periods for important financial decisions and timings. • Detailed and thorough concepts of wealth in Zi Wei Dou Shu from stars to formations. • Special tools and techniques that can be used to test for affinity to wealth, perform assessment on potential partnership, and analysis of luck periods. • Secret and effective remedies for wealth enhancement and luck improvement.

Chinese Mathematical Astrology Ho Peng Yoke, 2004-03-01 Though there are a number of well-written works on Chinese divination, there are none that deal with the three sophisticated devices that were employed by the Chinese Astronomical Bureau in the eleventh century and for hundreds of years thereafter. Chinese experts applied the methods associated with these devices to both weather forecasting and to the interpretation of human affairs. Hidden by a veil of secrecy, these methods have always been relatively little known other than by their names. The first work in any language to explore these three methods, known as sanshi (three cosmic boards), this book sheds light on a topic which

has been shrouded in mystery for centuries, having been kept secret for many years by the Chinese Astronomical Bureau.
